Pursuant to the enactment of the Surplus Expenditure Plan, General Fund moneys in the General Fund undesignated fund balance (General Fund Surplus Account, KRS 48.700) are appropriated to the following: Endowment Fund as established in this Part of this Act; and the Budget Reserve Trust Fund established in KRS 48.705. Collectively, these two component funds make up the General Fund Surplus Expenditure Plan for fiscal years 2000-2001 and 2001-2002.

2. The General Fund amount appropriated to the Surplus Expenditure Plan from the undesignated fund balance in the General Fund at the close of fiscal year 1999-2000 and fiscal year 2000-2001 respectively shall not exceed the total for the appropriations made for fiscal years 2000-2001 and 2001-2002 combined. If the undesignated fund balance in the General Fund at the close of fiscal year 1999-2000 and at the close of fiscal year 2000-2001 totals less than the total combined Surplus Funds appropriation amounts for fiscal year 2000-2001 and fiscal year 2001-2002, the amount available for appropriation for fiscal year 2000-2001 and for fiscal year 2001-2002 pursuant to this section shall be the total undesignated fund balance amount at June 30, 2000, and at June 30, 2001, for the respective years. In the event that the total General Fund surplus balance at the close of fiscal year 1999-2000 shall be less than $120,000,000, a proportional amount of the General Fund surplus balance shall be allocated to each of the Trust Funds. In the event that the total General Fund surplus balance exceeds $120,000,000 at the close of fiscal year 1999-2000, the amount of the balance that exceeds $120,000,000 shall be credited to the Budget Reserve Trust Fund.

3. The Secretary of the Finance and Administration Cabinet shall determine, within thirty (30) days after the close of fiscal year 1999-2000, and the close of fiscal year 2000-2001, based on the official financial records of the Commonwealth, the amount of actual General Fund undesignated fund balance for the General Fund Surplus Account that may be available for expenditure pursuant to the Plan respectively in fiscal year 2000-2001 and fiscal year 2001-2002.

The Secretary of the Finance and Administration Cabinet shall certify the amount of actual General Fund undesignated fund balance available for expenditure to the Legislative Research Commission.

2. Endowment Program	20,000,000
The total amount is appropriated in fiscal year 2000-2001.	
Endowment Fund subtotal	120,000,000

6. To the extent that the available General Fund Surplus in fiscal year 1999-2000 exceeds the total component fund amounts allocated to fiscal year 2000-2001, then the additional available General Fund Surplus amount is appropriated for fiscal year 2001-2002 allocation to the component priorities.

Notwithstanding KRS 48.140 and the provisions of Part X 1. to 5. above, if the total undesignated fund balance in the General Fund in fiscal year 1999-2000 and 2000-2001 respectively exceeds the total combined General Fund Surplus Plan appropriation amount, there is appropriated in fiscal year 2001-2002 to the Budget Reserve Trust Fund an amount that enables the Budget Reserve Trust Fund to contain a fund balance up to five percent (5%) of the actual General Fund revenue in fiscal year 2000-2001 which is an additional $109,921,600.

PHASE I TOBACCO SETTLEMENT

This section of the Act prescribes the policy implementing aspects of the national settlement agreement between the tobacco industry and the collective states as anticipated by the 1998 Regular Session of the General Assembly in House Bill 321, Part III, item 29. In furtherance of that agreement, the General Assembly recognizes that the Commonwealth of Kentucky is a party to the Phase I Master Settlement Agreement (MSA) between the Participating Tobacco Manufacturers and 40 Settling States which provides reimbursement to states for smoking related expenditures made over time.

1. The Commonwealth's share of the MSA is equal to 1.7611586% of the total settlement amount. Payments under the MSA are to be made to the states in January and April of each year. The Commonwealth has already received the first such payment from which no funds have been expended pursuant to the policy set forth by the 1998 General Assembly.

2. The total settlement amount to be distributed each payment date is subject to change pursuant to several variables provided in the MSA, including inflation adjustments, volume adjustments, and previously settled states adjustments.

3. The General Assembly has determined that it shall be the policy of the Commonwealth that all Phase I Tobacco Settlement funds shall be deposited to the credit of the General Fund and shall maintain a distinct identity as Phase I Tobacco Settlement funds that shall not lapse to the credit of the General Fund surplus, but shall continue forward from each fiscal year to the next fiscal year to the extent that any balance is unexpended.

4. Based on the current estimates as reviewed by the Consensus Revenue Forecasting Group, the amount of MSA payments expected to be received in fiscal year 1999-2000 is $137,800,000. It is recognized that payments to be received by the Commonwealth are estimated and are subject to change. Any appropriations made from the estimated receipts are subject to adjustments based on actual receipts as received and certified by the Secretary of the Finance and Administration Cabinet.

(1) Of this amount, $40,000,000 shall be designated and reserved to ensure that recipients of payments from the National Tobacco Grower Settlement Trust (Phase II Settlement) in calendar years 2000 and 2001 are compensated at a level not less than the compensation received from the Phase II Settlement in calendar year 1999. These funds shall be made available to supplement Phase II Settlement payments and shall be distributed according to formulas established by the Kentucky Tobacco Settlement Trust Corporation for distribution of Phase II settlement amounts. Any funds not expended for this purpose by May 1, 2002, shall be disbursed pursuant to action by the Kentucky Agriculture Development Board which is proposed to be established by enabling legislation.

(a) Financial institutions as defined in KRS 136.500;

(b) Savings and loan associations organized under the laws of this state and under the laws of the United States and making loans to members only;

(c) Open-end registered investment companies organized under the laws of this state and registered under the Investment Company Act of 1940;

more than fifty percent (50%) of its gross receipts from the provision of communications services as defined by Section 56 of this Part.

(2) (a) ***Taxable capital, in the case of business entities taxable only in this state, means capital as defined in Section 1 of this Part***~~[The term "capital" as used in this section means capital stock, surplus, advances by affiliated companies, intercompany accounts, borrowed moneys or any other accounts representing additional capital used and employed in the business. Accounts properly defined as "capital" in this section shall be reported at the value reflected on financial statements prepared for book purposes as of the last day of the calendar or fiscal year]~~;

(b) "Capital employed," in the case of ***business entities taxable in this state and taxable in another state means capital as defined in Section 1 of this Part***~~[corporations having property or payroll only in this state, means "capital" as defined above;~~

Property and payroll are deemed to be entirely within this state if all other states are prohibited by Public Law 86-272, as it existed on December 31, 1975, from enforcing income tax jurisdiction]~~.

(3) ***Capital***~~[The total capital, as determined under subsection (2) of this section,]~~ shall be apportioned as follows:

(a) The total capital shall be multiplied by a fraction, the numerator of which is the property factor plus the payroll factor, plus the sales factor, and the denominator of which is three (3); provided, however, that effective with taxable years beginning after July 31, 1985, in lieu of the equally weighted three (3) factor apportionment fraction based on property, payroll, and sales, an apportionment fraction composed of a sales factor representing fifty percent (50%) of the fraction, a property factor representing twenty-five percent (25%) of the fraction, and a payroll factor representing twenty-five percent (25%) of the fraction shall be used;

(b) The property factor is a fraction, the numerator of which is the average value of the ***business entity's***~~[taxpayer's]~~ real and tangible personal property owned or rented and used in this state during the tax period and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the tax period; ***but***~~[provided, however, that]~~ property ***that***~~[which]~~ has been certified as a pollution control facility as defined in KRS 224.01-300***, property that has been certified as an alcohol production facility as defined in KRS 247.910, and property that has been certified as fluidized bed energy production facility as defined in KRS 211.390*** shall be excluded from the property factor:

If the cabinet determines that the annual rental or subrental rate is unreasonable, or if nominal or zero rate is charged, the cabinet may determine and apply such rental rate as will reasonably reflect the value of the property rented by the ***business entity***~~[taxpayer]~~; and

2. The average value of property shall be determined by averaging the values at the beginning and ending of the tax period but the cabinet may require the averaging of monthly values during the tax period if reasonably required to reflect properly the average value of the ***business entity's***~~[taxpayer's]~~ property;

(c) The payroll factor is a fraction, the numerator of which is the total amount paid or payable in this state during the tax period by the ***business entity***~~[taxpayer]~~ for compensation, and the denominator of which is the total compensation paid or payable everywhere during the tax period. Compensation is paid or payable in this state if:

1. The individual's service is performed entirely within the state;

2. The individual's service is performed both within and without the state, but the service performed without the state is incidental to the individual's service within the state; or

3. Some of the service is performed in the state and the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in the state, or the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual's residence is in this state;

(d) The sales factor is a fraction, the numerator of which is the total sales of the ***business entity***~~[taxpayer]~~ in this state during the tax period, and the denominator of which is the total sales of the ***business entity***~~[taxpayer]~~ everywhere during the tax period. Sales of tangible personal property are in this state if:

1. The property is delivered or shipped to a purchaser, other than the United States government, or to the

designee of the purchaser within this state regardless of the f.o.b. point or other conditions of the sale;

2. The property is shipped from an office, store, warehouse, factory, or other place of storage in this state and the purchaser is the United States government; or

3. Sales, other than sales of tangible personal property, are in this state if the income-producing activity is performed in this state; or the income-producing activity is performed both in and outside this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.

(4) If the apportionment provisions of this section do not fairly measure the ***business entity's***[~~taxpayer's~~] capital in this state, the ***business entity***[~~taxpayer~~] may petition for or the cabinet may require:

(a) The exclusion of any one (1) or more of the factors;

(b) The inclusion of one (1) or more additional factors which will fairly measure the ***business entity's***[~~taxpayer's~~] capital in this state; or

(c) The employment of any other method to produce an equitable apportionment of the ***business entity's***[~~taxpayer's~~] capital.

(5) No ***business entity subject to taxation***[~~corporation required to pay an annual license tax~~] under this section shall pay less than thirty dollars ($30) ***for each taxable year***.

(6) Every ***business entity***[~~corporation~~] with a gross income of not more than five hundred thousand dollars ($500,000) shall be entitled to a credit equivalent to one dollar and forty cents ($1.40) per one thousand dollars ($1,000) of the initial three hundred and fifty thousand dollars ($350,000) of ***taxable*** capital[~~ employed in the business,~~] as computed under the provisions of KRS 136.070(2)[~~ and (3)~~].

(a) ***File a separate return and deduct from capital the book value of its investment in the stock, ownership interest, or securities in any business entity in which it directly owns more than fifty percent (50%) of the outstanding stock or ownership interest; or***[~~Determine the corporation's total capital as provided in KRS 136.070(2).~~]

(b) ***File a consolidated return with all related business entities***[~~Deduct from the amount determined in subsection (a) of this section, the book value of its investment in the stock and securities of any corporation in which it owns more than fifty percent (50%) of the outstanding stock of such corporation~~].

(2) ***All transactions between business entities included in the consolidated return shall be eliminated in computing capital, taxable capital, and the property, payroll, and sales factors in accordance with subsection (5) of Section 1 of this Part and with subsections (2) and (3) of Section 2 of this Part, respectively***[~~For purposes of determining the ratio of stock and securities to total assets, the value shall be the value of the accounts as reflected on financial statements prepared for book purposes as of the last day of the calendar or fiscal year. The term "book value" means the value as shown on financial statements prepared for book purposes as of the last day of the calendar or fiscal year~~].

(3) Every business entity included as a member of a group of related business entities filing a consolidated return shall be jointly and severally liable for the consolidated business entity's license tax liability, except that any business entity that was not a member of the group for the entire taxable year shall be jointly and severally liable only for that portion of the consolidated business entity tax liability attributable to that portion of the year that the business entity was a member of the group.

Section 4. KRS 136.090 is amended to read as follows:

(1) ***(a) Every business entity subject to tax under Section 2 of this Part***[~~Corporations liable to taxation under KRS 136.070~~] shall ***for each taxable year, file a separate return unless the business entity was, for the taxable year, a member of a group of related business entities filing a consolidated return in accordance with subsection (1) of Section 3 of this Part.***

(b) Every return shall be submitted on form prescribed by the cabinet and shall be signed by the managing partner or member, president, vice president, secretary, treasurer, assistant secretary, assistant treasurer, or chief accounting officer of the business entity[~~file with the Revenue Cabinet each year, on forms prepared by the cabinet, a return signed by the president, vice president, secretary, treasurer, assistant secretary, assistant treasurer, or chief accounting officer. The assessment of value shall be computed in the same manner as on any other return, but the tax due shall be computed on that proportionate part of the assessment that the period between the close of the old accounting period and the close of the new accounting period bears to the entire twelve (12) month period~~].

(3) In any case where two (2) or more ***business entities***[~~corporations~~] merge, consolidate, or otherwise combine into a single ***business entity***[~~corporation~~] after the close of the taxable year, but before the beginning of the succeeding taxable year, ***capital, taxable capital, and the property, payroll, and sales factors of the single business entity***[~~all factors used to determine the corporation license tax assessment~~] shall be computed on the basis of the consolidated accounting records of ***the business entities***[~~such corporations~~].

A lien for delinquent ad valorem taxes shall not attach to any motor vehicle transferred while the taxes are due on that vehicle. (8) The lien required by subsection (7) of this section shall be filed and released by the automatic entry of appropriate information in the AVIS database. For the filing and release of each lien or set of liens arising from motor vehicle ad valorem property tax delinquency, a fee of one dollar ($1) shall be added to the delinquent tax account. The fee shall be collected and retained by the county clerk who collects the delinquent tax.

In making a determination of tax liability, the cabinet may offset overpayments for a period or periods, together with interest on the overpayments, against underpayments for another period or periods, against penalties, and against the interest on the underpayments.

SECTION 70. A NEW SECTION OF KRS CHAPTER 138 IS CREATED TO READ AS FOLLOWS:

(1) Every provider and purchaser shall keep records, receipts, invoices, and other pertinent papers in such form as the cabinet may require.

(2) Every provider and purchaser who files the returns required under Section 65 of this Part shall keep records for not less than four (4) years from the making of the records unless the cabinet in writing authorizes their destruction at an earlier date.

SECTION 71. A NEW SECTION OF KRS CHAPTER 138 IS CREATED TO READ AS FOLLOWS:

In every case, any tax not paid on or before the due date shall bear interest at the tax interest rate as defined in KRS 131.010(6) from the date due until the date of payment.

SECTION 72. A NEW SECTION OF KRS CHAPTER 138 IS CREATED TO READ AS FOLLOWS:

(1) The taxes paid under this chapter shall be refunded or credited in the manner provided in KRS 134.580.

(2) A claim for refund or credit shall be made on a form prescribed by the cabinet and shall contain all information as the cabinet may require.

(3) No provider shall be entitled to a refund or credit of the taxes paid under this chapter where the taxes have been collected from a purchaser unless the amount of taxes collected from the purchaser are refunded to him by the provider who paid the taxes to the State Treasury.

SECTION 73. A NEW SECTION OF KRS CHAPTER 138 IS CREATED TO READ AS FOLLOWS:

The cabinet shall administer the provisions of Sections 56 to 83 of this Part and shall have all of the powers, rights, duties, and authority with respect to the assessment, collection, refunding, and administration of the taxes levied by this chapter, conferred generally upon the cabinet by the Kentucky Revised Statutes including KRS Chapters 131, 134, and 135.

SECTION 74. A NEW SECTION OF KRS CHAPTER 138 IS CREATED TO READ AS FOLLOWS:

(1) Whenever it is deemed necessary to insure compliance with this chapter, the cabinet may require any person required to collect the taxes imposed by Section 57 of this Part to place security with it. The amount of the security shall be fixed by the cabinet but shall not be greater than three (3) times the estimated average monthly liability of the provider. This limitation shall apply regardless of the type of security placed with the cabinet.

(2) The amount of the security may be increased or decreased by the cabinet subject to the limitations provided in subsection (1) of this section.

(3) If necessary, the cabinet may sell the security at public auction to recover any tax, interest, or penalty due. However, security in the form of a bearer bond issued by the United States or any state or local governmental unit which has a prevailing market price may be sold by the cabinet at a private sale at a price not lower than the prevailing market price.

(4) The cabinet shall provide notice by certified mail, sent to the last known address as reflected in the records of the cabinet, or by delivery, to the person who placed the security with the cabinet of the date, time, and place of the sale.

(5) Delivery means mailing the notice to the person to whom it is addressed, leaving it at his place of business with the person in charge of the place of business; or, if there is no one in charge, leaving it in a conspicuous place at the place of business. If the place of business is closed or the person to be served has no place of business, delivery includes:

(a) Leaving it at his or her home with some person of suitable age and discretion residing in the home;

(b) Serving it upon the agent for service process; or

(c) Any other method permitted by the Kentucky Revised Statutes.

(6) Notice by certified mail shall be postmarked no later than ten (10) days prior to the sale.

(7) Any surplus above the amounts due to the cabinet after the sale shall be returned to the person who placed the security.

(1) (a) Notwithstanding any other provisions of this chapter, the president, vice president, secretary, treasurer, or any other person holding any equivalent corporate office of any corporation subject to the provisions of this chapter shall be personally and individually liable, both jointly and severally, for the taxes imposed under this chapter. Neither the corporate dissolution nor withdrawal of the corporation from the state nor the cessation of holding any corporate office shall discharge the foregoing liability of any person. The personal and individual liability shall apply to each and every person holding the corporate office at the time the taxes become or became due. No person will be personally and individually liable under this subsection if that person did not have authority in the management of the business or financial affairs of the corporation at the time that the taxes imposed by this chapter become or became due.

(b) Taxes as used in this subsection shall include interest accrued at the rate provided by KRS 131.010(6) and all applicable penalties and fees imposed under this chapter and under KRS 131.180, 131.410 to 131.445 and 131.990.

(2) (a) Notwithstanding any other provision of KRS 275.150 or 362.220(2) to the contrary, the managers of a limited liability company and the partners of a registered limited liability partnership or any other person holding any equivalent office of a limited liability company or a registered limited liability partnership subject to the provisions of this chapter shall be personally and individually liable, both jointly and severally, for the taxes imposed under this chapter, and neither the dissolution nor withdrawal of the limited liability company or registered limited liability partnership from the state nor the cessation of holding any office shall discharge the foregoing liability of any person. The personal and individual liability shall apply to each and every manager of a limited liability company and partner of a registered limited liability partnership at the time the taxes become or became due. No person will be personally and individually liable under this subsection that had no authority in the management of the business or financial affairs of the limited liability company or a registered limited liability partnership at the time that the taxes imposed by this chapter become or became due.

(b) Taxes as used in this subsection shall include interest accrued at the rate provided by KRS 131.183 and all applicable penalties imposed under this chapter and all applicable penalties and fees imposed under KRS 131.180, 131.410 to 131.445 and 131.990

SECTION 76. A NEW SECTION OF KRS CHAPTER 138 IS CREATED TO READ AS FOLLOWS:

No suit shall be maintained in any court to restrain or delay the collection or payment of the tax levied by Section 57 of this Part.

SECTION 77. A NEW SECTION OF KRS CHAPTER 138 IS CREATED TO READ AS FOLLOWS:

Any provider subject to the communications excise tax imposed by Section 57 of this Part that fails to file a return as required by Section 65 of this Part or fails to pay the tax as listed on the return shall not maintain an action, suit, or proceeding in any court or before any agency in this state or enforce in any way any obligation of any debts until the return is filed and the tax listed on the return is paid. This provision does not prohibit a provider from the rights afforded by KRS Chapter 131.

SECTION 78. A NEW SECTION OF KRS CHAPTER 138 IS CREATED TO READ AS FOLLOWS:

Penalties shall be imposed and assessed in accordance with the provisions of KRS 131.180.

SECTION 79. A NEW SECTION OF KRS CHAPTER 138 IS CREATED TO READ AS FOLLOWS:

There is hereby established a fund to be known as the "Communications Excise Tax Fund" to be held and administered by *the Finance and Administration Cabinet. The moneys in the communications excise tax fund shall be invested by the Finance and Administration Cabinet in the same manner as moneys in the state general fund.*

SECTION 80. A NEW SECTION OF KRS CHAPTER 138 IS CREATED TO READ AS FOLLOWS:

(1) The communications excise tax imposed by Section 57 of this Part, including any penalties or interest attributable to the nonpayment of such tax or for noncompliance with the provisions of Sections 56 to 83 of this Part, shall be collected by the cabinet and deposited in the communications excise tax fund.

(2) All amounts derived from the levy and collection of the tax imposed by Section 57 of this Part shall be appropriated and credited as follows:

(a) An amount equal to one-sixth (1/6) of the total amount collected shall be appropriated to the general fund of the state.

(b) Of the remaining five-sixths (5/6) of the total amount collected, an amount equal to the total collections of the communications excise tax multiplied by the state's historical percentage shall be appropriated to the general fund of the state and the remaining amounts shall be appropriated to the communications excise tax local distribution fund as created by Section 81 of this Part. The state's historical percentage shall equal the ratio of the state's portion of all taxes collected under KRS 139.100(2), plus the intangible portion of KRS 136.120 collected from providers and their customers for the period of July 1, 1998 through June 30, 1999, over all the taxes and fees under collected under KRS 139.100(2), 160.613, or 160.614, or the intangible portion of KRS 136.120, plus any local franchise fees collected statewide from providers and their customers for the same period. The actual communications excise tax collections from each county appropriated to the communications excise tax local distribution fund shall be credited to an account labeled for the county in which collected, to be distributed to the political subdivisions located within that county under Section 81 of this Part.

SECTION 81. A NEW SECTION OF KRS CHAPTER 138 IS CREATED TO READ AS FOLLOWS:

(1) There is hereby established a fund to be known as the "Communications Excise Tax Local Distribution Fund" to be held and administered by the Finance and Administration Cabinet. The moneys in the communications excise tax local distribution fund shall be invested by the Finance and Administration Cabinet in the same manner as moneys in the state general fund.

(2) By or before January 1, 2001, each political subdivision shall certify on a form prescribed by the cabinet that it will participate in the communications excise tax local distribution fund. As part of the certification, the political subdivision shall certify to the cabinet the amount of collections the political subdivision received from the taxes authorized under KRS 160.613, 160.614, the intangible portion of KRS 136.120, and local franchise fees from providers and their customers for the period of July 1, 1998, through June 30, 1999. This amount shall be the base amount of each political subdivision's portion of the account labeled under its county's name within the communications excise tax local distribution fund. By certifying, each political subdivision consents to the hearing process as provided under Section 82 of this Part.

(3) The cabinet shall pay out of the fund and distribute monthly to the various political subdivisions of the state the respective amounts to which each political subdivision is entitled under this section. Any overpayment to a political subdivision or any payment to a political subdivision in error may be adjusted by the cabinet on any subsequent payment to the political subdivision.

(4) All amounts distributed to political subdivisions from the communications excise tax local distribution fund under this section shall be used solely and exclusively for the provision of services to the general public, including, but not limited to, public protection, health services, education, libraries, transportation services, recreation facilities and services, and economic development.

(5) In no event shall any amount distributed to a political subdivision from the communications excise tax local distribution fund be used for any purely local purpose affecting only the inhabitants of the particular political subdivision, including the administration of local government.

(6) The amounts of the communications excise tax local distribution fund shall be distributed to each political subdivision in the following manner:

(a) Each political subdivision will be assigned a percentage based on its base amount divided by the total base amounts of all political subdivisions participating in the communications excise tax local distribution fund in the county of the political subdivision. For the purpose of this subsection, "political subdivision historical percentage" means this assigned percentage.

(b) Each political subdivision's share for any period equals its political subdivision historical percentage, as determined in this section, multiplied by the amount credited in the communications excise tax local distribution fund account labeled for the county in which the political subdivision is located for the period.

(c) For tax collections by providers for January 2001, and February 2001, the cabinet shall distribute to each

political subdivision its share of the communications excise tax local distribution fund on or before April 25, 2001.

(d) For all other periods, the cabinet shall distribute to each political subdivision its share of the communications excise tax local distribution fund by the twenty-fifth day of the next calendar month following collection by the cabinet from the providers.

(e) Upon a political subdivision's change in tax base affecting providers, including, but not limited to, annexations and originally nonparticipating political subdivisions, the historical percentages of all political subdivisions within that county will be reviewed and determined by agreement of all political subdivisions within the county, according to a fair division based on:

1. Where the tax revenues are generated within the county;

2. Relative population, including student population;

3. Property values; or

4. Any other relevant factors.

Any redetermination shall be subject to approval by the oversight committee. These redetermined percentages will become the new political subdivision historical percentages for the political subdivisions in that county. If all political subdivisions cannot come to an agreement on a determination, then the political subdivisions shall submit the determination to a factual hearing pursuant to Section 82 of this Part

(f) If a political subdivision believes its historical data used to determine its base amount is inaccurate, the political subdivision may request a redetermination of its political subdivision historical percentage by the oversight committee. The political subdivision historical percentages of all political subdivisions within the political subdivision's county will be redetermined effective prospectively beginning with the next distribution cycle occurring ninety (90) days after the matter is finally settled.

1. If in the period after June 30, 1999, and before December 31, 1999, any political subdivision had a substantial change in its tax base by enacting a tax or modifying the rate under KRS 160.613, KRS 160.614, and local franchise fees, the political subdivision may request a determination of its political subdivision historical percentage by the cabinet. If the cabinet determines that a redetermination is appropriate, it shall make the redetermination using the amounts of collections those political subdivisions received from taxes under KRS 160.613, KRS 160.614, and local franchise fees from providers and their customers during the period from July 1, 1999, to June 30, 2000, and annualizing part-year payments. These percentages will become the new political subdivision historical percentages for the political subdivisions within that county.

2. A substantial change in its tax base for the purposes of this paragraph is enactment of a new tax previously not collected or a change in the rate of a tax already applied, as long as the new enactment of the tax or change in rate was enacted by the political subdivision on or before December 31, 1999.

(g) As of January 1, 2002, any political subdivision that is a school district and that:

1. As of January 1 2000, did not levy a utility gross receipts tax under KRS 160.613 and 160.614 on providers;

2. Is not at or above maximum Tier 1 of the Support Education Excellence in Kentucky ("SEEK") formula under KRS 157.310 to 157.440 and the administrative regulations thereunder; and

3. Receives an amount in excess of its base amount plus eight percent (8%) per annum from the end of the base amount period shall reduce the rate on another tax or fee levied by the school district in order to eliminate the excess. This reduced rate will be levied prospectively beginning with the next assessment date for the tax or fee after June 30, 2002. This is meant to be a one (1) time rate adjustment and no additional adjustments will be required as a result of this paragraph. The determination as to whether a school district has received an amount in excess of its base amount plus eight percent (8%) per annum will be made by the Department of Education on or before June 30, 2002.

SECTION 82. A NEW SECTION OF KRS CHAPTER 138 IS CREATED TO READ AS FOLLOWS:

(1) The Communications Excise Tax Local Distribution Fund Oversight Committee is hereby created and established within the cabinet. The oversight committee shall consist of nine (9) members appointed by the Governor and shall be representative of local government and state governmental officials. The Governor shall receive recommendations for four (4) members each from the Kentucky Association of Counties and the Kentucky League of Cities from which the Governor shall select two (2) members each. The Governor shall receive recommendations for two (2) members each from the Kentucky School Board Association and the Kentucky School Administrators Association from which the Governor shall select one (1) member each. The remaining three (3) members shall be appointed by the Governor as at large members. The members shall serve for a term of three (3) years. Five (5) members of the oversight committee shall constitute a quorum. A member may be removed for cause in accordance with procedures established by the

oversight committee and shall serve without salary but shall be reimbursed for expenses in the same manner as state employees. Any vacancy occurring on the oversight committee shall be filled by the Governor for the unexpired term.

(2) The duties of the Communications Excise Tax Local Distribution Fund Oversight Committee are:

(a) Monitoring the cabinet's implementation of the communications excise tax local distribution fund and to report their findings to the secretary of the cabinet; and

(b) Acting as a finder of fact for the secretary of the cabinet in disputes in and between political subdivisions and between political subdivisions and the cabinet regarding the implementation of the communications excise tax local distribution fund.

(3) Any political subdivision may file a complaint with the oversight committee on a form prescribed by the committee.

(4) The oversight committee shall give notice to any political subdivision which may be affected by the complaint. Any political subdivision intending to respond to the complaint must do so in writing within thirty (30) days of notice of the complaint.

(a) The oversight committee shall give due notice of the times and places of its hearings.

(b) The parties shall be entitled to be heard, to present evidence, and to examine and cross examine witnesses.

(c) The oversight committee shall act by majority vote.

(d) The oversight committee shall adopt and publish rules of procedure and practice regarding its hearings.

(e) The oversight committee shall make recommendations to the secretary.

(5) The secretary of the cabinet shall review the findings of the oversight committee and issue a final ruling within sixty (60) days of receipt of the recommendations.

(6) The parties in the dispute shall have the rights and duties to appeal any final ruling to the Kentucky Board of Tax Appeals and the courts under KRS 131.340.

(7) Nothing contained in this section shall prevent at any time a written compromise of any matter or matters in dispute, if otherwise lawful, by the parties to the hearing process.

SECTION 83. A NEW SECTION OF KRS CHAPTER 138 IS CREATED TO READ AS FOLLOWS:

(1) Except as provided in paragraph (c) of this subsection, to the extent legally permissible, every political subdivision of this state shall be prohibited from the following:

(a) Levying any tax, charge, or fee, including franchise fees, on communications service, or collecting any such tax, charge, or fee from providers or purchasers;

(b) Requiring any provider, including, but not limited to, cable service providers, to enter into or extend the term of a franchise or other agreement that requires the payment of a tax, charge, or fee; or

(c) Enforcing any provision of any ordinance or agreement to the extent that the provision obligates a provider to pay to the political subdivision a tax, charge, or fee.

(2) For purposes of this section, a tax, charge, or fee includes any tax, charge, fee, or in-kind payment of property or services that is required by ordinance or agreement to be paid or furnished to a political subdivision by or through a provider, in its capacity as a provider, regardless of whether such tax, charge, fee, or in-kind payment of property or services is:

(a) Designated as a franchise fee, sales tax, excise tax, user fee, occupancy fee, subscriber charge, license fee, pole fee, tower fee, base station fee, or otherwise;

(b) Measured by the amounts charged for services, the type or amount of equipment or facilities deployed, or otherwise;

(c) Intended as compensation for the use of public or private rights of way, the right to conduct business, or otherwise; or

(d) Permitted or required to be separately stated on the purchaser's bill.

(3) This section shall not apply to ad valorem taxes levied under KRS 132.020, emergency telephone surcharges, surety bonds or letters of credit designed to protect against damages to public rights of way for violations of regulatory requirements, and permit or inspection fees of general applicability that are:

(a) Not related to construction in the rights of way; and

(b) Levied solely to defray the actual costs of administering the permitting process or inspection program.

(4) Notwithstanding any provision of law to the contrary, if a political subdivision imposes or otherwise attempts to require the payment of a tax, charge, or fee described in subsection (1)(a) and (b) of this section, the political subdivision shall not receive any share of the proceeds of the tax levied by Section 57 of this Part for the period that the imposition or attempt occurs.

(5) To the extent that a provider actually pays a tax, charge, or fee described in subsection (1)(a) and (b) of this section

with respect to communications service that is also subject to the tax imposed by Section 57 of this Part, the provider shall be entitled to a credit against the amount payable to the cabinet under Section 57 of this Part in the amount of such tax, charge, or fee up to the amount of the excise tax billed with respect to the communications service.

(6) Nothing in this section shall be construed to impair or modify the obligation of contracts or agreements in effect at the time of the enactment of this section until such time as the contract or agreement expires by its terms.

Section 84. KRS 132.010 is amended to read as follows:

As used in this chapter, unless the context otherwise requires:

(1) "Cabinet" means the Revenue Cabinet.

(2) "Taxpayer" means any person made liable by law to file a return or pay a tax.

(3) "Real property" includes all lands within this state and improvements thereon. ***With respect to property of companies principally engaged in the provision of communications service as defined in Section 56 of this Part, real property shall mean only land and buildings permanently affixed to land and shall not include portable buildings, towers, pole lines, transmission lines, conduit and cable, whether above or below ground, and all similar property. For purposes of this subsection, "companies principally engaged in the provision of communications services" has the same meaning as that described in subsection (1)(h) of Section 2 of this Part.***

(4) "Personal property" includes every species and character of property, tangible and intangible, other than real property.

(5) "Resident" means any person who has taken up a place of abode within this state with the intention of continuing to abide in this state; any person who has had his actual or habitual place of abode in this state for the larger portion of the twelve (12) months next preceding the date as of which an assessment is due to be made shall be deemed to have intended to become a resident of this state.

(6) "Compensating tax rate" means that rate which, rounded to the next higher one-tenth of one cent ($0.001) per one hundred dollars ($100) of assessed value and applied to the current year's assessment of the property subject to taxation by a taxing district, excluding new property and personal property, produces an amount of revenue approximately equal to that produced in the preceding year from real property. However, in no event shall the compensating tax rate be a rate which, when applied to the total current year assessment of all classes of taxable property, produces an amount of revenue less than was produced in the preceding year from all classes of taxable property. For purposes of this subsection, "property subject to taxation" means the total fair cash value of all property subject to full local rates, less the total valuation exempted from taxation by the homestead exemption provision of the Constitution and the difference between the fair cash value and agricultural or horticultural value of agricultural or horticultural land.

(7) "Net assessment growth" means the difference between:

  (a) The total valuation of property subject to taxation by the county, city, school district, or special district in the preceding year, less the total valuation exempted from taxation by the homestead exemption provision of the Constitution in the current year over that exempted in the preceding year, and

  (b) The total valuation of property subject to taxation by the county, city, school district, or special district for the current year.

(8) "New property" means the net difference in taxable value between real property additions and deletions to the property tax roll for the current year. "Real property additions" shall mean:

  (a) Property annexed or incorporated by a municipal corporation, or any other taxing jurisdiction; however, this definition shall not apply to property acquired through the merger or consolidation of school districts, or the transfer of property from one (1) school district to another;

  (b) Property, the ownership of which has been transferred from a tax-exempt entity to a nontax-exempt entity;

  (c) The value of improvements to existing nonresidential property;

  (d) The value of new residential improvements to property;

  (e) The value of improvements to existing residential property when the improvement increases the assessed value of the property by fifty percent (50%) or more;

  (f) Property created by the subdivision of unimproved property, provided, that when such property is reclassified from farm to subdivision by the property valuation administrator, the value of such property as a farm shall be a deletion from that category;

  (g) Property exempt from taxation, as an inducement for industrial or business use, at the expiration of its tax exempt status;

  (h) Property, the tax rate of which will change, according to the provisions of KRS 82.085, to reflect additional urban services to be provided by the taxing jurisdiction, provided, however, that such property shall be considered "real property additions" only in proportion to the additional urban services to be provided to the property over the urban services previously provided; and

  (i) The value of improvements to real property previously under assessment moratorium.

"Real property deletions" shall be limited to the value of real property removed from, or reduced over the preceding year on, the property tax roll for the current year.

(9) "Agricultural land" means any tract of land, including all income-producing improvements, of at least ten (10) contiguous acres in area used for the production of livestock, livestock products, poultry, poultry products and/or the growing of tobacco and/or other crops including timber, or where devoted to and meeting the requirements and qualifications for payments pursuant to agriculture programs under an agreement with the state or federal government.

(10) "Horticultural land" means any tract of land, including all income-producing improvements, of at least five (5) contiguous acres in area commercially used for the cultivation of a garden, orchard, or the raising of fruits or nuts, vegetables, flowers, or ornamental plants.

(11) "Agricultural or horticultural value" means the use value of "agricultural or horticultural land" based upon income-producing capability and comparable sales of farmland purchased for farm purposes where the price is indicative of farm use value, excluding sales representing purchases for farm expansion, better accessibility, and other factors which inflate the purchase price beyond farm use value, if any, considering the following factors as they affect a taxable unit:

(a) Relative percentages of tillable land, pasture land, and woodland;

(b) Degree of productivity of the soil;

(c) Risk of flooding;

(d) Improvements to and on the land that relate to the production of income;

(e) Row crop capability including allotted crops other than tobacco;

(f) Accessibility to all-weather roads and markets; and

(g) Factors which affect the general agricultural or horticultural economy, such as: interest, price of farm products, cost of farm materials and supplies, labor, or any economic factor which would affect net farm income.

(12) "Deferred tax" means the difference in the tax based on agricultural or horticultural value and the tax based on fair cash value.

(13) "Homestead" means real property maintained as the permanent residence of the owner with all land and improvements adjoining and contiguous thereto including, but not limited to, lawns, drives, flower or vegetable gardens, outbuildings, and all other land connected thereto.

(14) "Residential unit" means all or that part of real property occupied as the permanent residence of the owner.

(15) "Special benefits" are those which are provided by public works not financed through the general tax levy but through special assessments against the benefited property.

(16) "Mobile home" means a structure, transportable in one (1) or more sections, which when erected on site measures eight (8) body feet or more in width and thirty-two (32) body feet or more in length, and which is built on a permanent chassis and designed to be used as a dwelling, with or without a permanent foundation, when connected to the required utilities, and includes the plumbing, heating, air-conditioning, and electrical systems contained therein. It may be used as a place of residence, business, profession, or trade by the owner, lessee, or their assigns and may consist of one (1) or more units that can be attached or joined together to comprise an integral unit or condominium structure.

(17) "Recreational vehicle" means a vehicular type unit primarily designed as temporary living quarters for recreational, camping, or travel use, which either has its own motive power or is mounted on or drawn by another vehicle. The basic entities are: travel trailer, camping trailer, truck camper, and motor home.

(a) Travel trailer: A vehicular unit, mounted on wheels, designed to provide temporary living quarters for recreational, camping, or travel use, and of such size or weight as not to require special highway movement permits when drawn by a motorized vehicle, and with a living area of less than two hundred twenty (220) square feet, excluding built-in equipment (such as wardrobes, closets, cabinets, kitchen units or fixtures) and bath and toilet rooms.

(b) Camping trailer: A vehicular portable unit mounted on wheels and constructed with collapsible partial side walls which fold for towing by another vehicle and unfold at the camp site to provide temporary living quarters for recreational, camping, or travel use.

(c) Truck camper: A portable unit constructed to provide temporary living quarters for recreational, travel, or camping use, consisting of a roof, floor, and sides, designed to be loaded onto and unloaded from the bed of a pick-up truck.

(d) Motor home: A vehicular unit designed to provide temporary living quarters for recreational, camping, or travel use built on or permanently attached to a self-propelled motor vehicle chassis or on a chassis cab or van which is an integral part of the completed vehicle.

SECTION 85. A NEW SECTION OF KRS CHAPTER 132 IS CREATED TO READ AS FOLLOWS:

(1) The cabinet shall have sole power to value and assess all of the tangible personal property of companies principally engaged in the provision of communications services, whether or not the property has previously been assessed by the cabinet and shall allocate the assessment as provided in subsection (2) of this section, and shall certify property liable for local taxation to the counties, cities, and taxing districts as provided in subsection (3) of this section. All of the

property assessed by the cabinet under this section shall be assessed as of January 1 each year, and the lien therefor shall attach as of the assessment date. In the case of companies which are not principally engaged in the provision of communications service, the cabinet shall in the exercise of its judgment and discretion determine, from evidence which it may have or obtain, what portion of the property is devoted to communications service subject to assessment by the cabinet under this section and shall require the remainder of the property to be assessed by the local taxing authorities. For purposes of this paragraph, "companies principally engaged in the provision of communications services" has the same meaning as that described in subsection (1)(h) of Section 2 of this Part.

(2) The cabinet shall allocate the assessed value of communications property in this state among the counties, cities, and taxing districts. The assessed value shall be allocated to the county, city, or taxing district where the property is situated.

(3) The cabinet shall, immediately after fixing the assessed value of the property of a communications service provider for taxation, notify the corporation of the valuation and the amount of assessment for state and local purposes. When the valuation has been finally determined, the cabinet shall immediately certify, unless otherwise specified, to the county clerk of each county in which any of the property assessment of the corporation is liable to local taxation, the amount of property liable for county, city, or district tax.

(4) No appeal shall delay the collection or payment of taxes based upon the assessment in controversy. The taxpayer shall pay all state, county, and district taxes due on the valuation which the taxpayer claims as the true value as stated in the protest filed under KRS 131.110. When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6), from the date the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.

(5) The certification of valuation shall be filed by each county clerk in the clerk's office and shall be certified by the county clerk to the proper collecting officer of the county, city, or taxing district for collection. Any district which has the value

Section 86. KRS 136.120 is amended to read as follows:

The House of Representatives of the Commonwealth of Kentucky hereby adjourns this legislative day in honor and memory of Milton Ogle and expresses deepest sympathy to all who share in the loss of this distinguished gentleman, a leader in programs to help poor and disenfranchised people in Appalachia. A 1955 graduate of Berea College, he was co-founder and director of the Appalachian Volunteers, which was begun prior to the War on Poverty. He was instrumental in the development of the Appalachian Research and Defense Fund, designed to protect people's rights and assist those unable to afford legal representation in Kentucky and West Virginia and served as that organization's executive director in the State of West Virginia. A courageous and hard worker on behalf of the dispossessed citizens of Appalachia, he worked, early in his career, for the Council of the Southern Mountains and helped organize an Appalachian governors' conference, which represented the start of a movement that led to the federal Appalachian Regional Development Act and the establishment of the Appalachian Regional Commission. The members of this most august body do solemnly join Representative Marie L. Rader in paying tribute to this astute and most compassionate gentleman, Milton Ogle, for his vast contributions to his fellow citizens and in extending expressions of deepest sympathy to his beloved wife, Mary Garrett Ogle; his loving children, Angela D. Erwin and Thomas E. Ogle; his devoted brothers and sisters; his cherished grandchildren; and his many friends and colleagues. Done in Frankfort, this tenth day of March, in the year two thousand.

"Section 16. KRS 341.470 is amended to read as follows:

(1) No agreement by a worker to waive, release, or commute his rights to benefits or any other rights under this chapter shall be valid. No agreement by any worker to pay any portion of a subject employer's contributions, required under this chapter from such subject employer, shall be valid. No subject employer shall directly or indirectly make or require or accept any deductions from wages to finance the subject employer's contributions required of him. In cases involving awards to a worker by *a*[~~an arbitrator,~~] court[~~,~~] or other administrative body or mediator, the secretary may require the employer to withhold benefits paid under this chapter from the award and pay the amount withheld into the unemployment insurance trust fund. All subject employers are required to notify the Department for Employment Services, Cabinet for Workforce Development prior to paying any back pay award.

(2) No worker claiming benefits shall be charged fees of any kind in any proceeding under this chapter by the commission, the secretary, or his representatives. Any worker claiming benefits in any proceeding before a referee or the commission may represent himself or may be represented by counsel or other agent duly authorized by such worker and shall be afforded the opportunity to participate in the proceeding without restriction; but no counsel or agent shall either charge or receive for such service more than an amount approved by the commission.

(3) (a) Any employer in any proceeding before a referee or the commission may represent himself or may be represented by counsel or other agent duly authorized by such employer; and

(b) Any person appearing in any proceeding before a referee or the commission who is an officer of, or who regularly performs in a managerial capacity for, a corporation or partnership which is a party to the proceeding in which the appearance is made shall be permitted to represent such corporation or partnership and shall be afforded the opportunity to participate in the proceeding without restriction.

(4) No assignment, pledge, or encumbrance of any right to benefits due or payable under this chapter shall be valid; and such rights to benefits shall be exempt from levy, execution, attachment, or any other remedy for the collection of debt. Benefits received by any worker, as long as they are not mingled with other funds of the recipient, shall be exempt from any remedy for the collection of all debts except debts incurred for necessaries furnished to such worker or his spouse or dependents during the time such worker was unemployed. No waiver of any exemption provided for in this subsection shall be valid.

(5) The provisions of this section shall not be applicable to child support deductions made in accordance with KRS 341.392 and withholding for federal and state income tax in accordance with KRS 341.395.

Section 17. KRS 342.020 is amended to read as follows:

(1) In addition to all other compensation provided in this chapter, the employer shall pay for the cure and relief from the effects of an injury or occupational disease the medical, surgical, and hospital treatment, including nursing, medical, and surgical supplies and appliances, as may reasonably be required at the time of the injury and thereafter during disability, or as may be required for the cure and treatment of an occupational disease. The employer's obligation to pay the benefits specified in this section shall continue for so long as the employee is disabled regardless of the duration of the employee's income benefits. In the absence of designation of a managed health care system by the employer, the employee may select medical providers to treat his injury or occupational disease. Even if the employer has designated a managed health care system, the injured employee may elect to continue treating with a physician who provided emergency medical care or treatment to the employee. The employer, insurer, or payment obligor acting on behalf of the employer, shall make all payments for services rendered to an employee directly to the provider of the services within thirty (30) days of receipt of a statement for services. The commissioner shall promulgate administrative regulations establishing conditions under which the thirty (30) day period for payment may be tolled. The provider of medical services shall submit the statement for services within forty-five (45) days of the day treatment is initiated and every forty-five (45) days thereafter, if appropriate, as long as medical services are rendered. Except as provided in subsection (4) of this section, in no event shall a medical fee exceed the limitations of an adopted medical fee schedule or other limitations contained in KRS 342.035, whichever is lower. The commissioner may promulgate administrative regulations establishing the form and content of a statement for services and procedures by which disputes relative to the necessity, effectiveness, frequency, and cost of services may be resolved.

(2) Notwithstanding any provision of the Kentucky Revised Statutes to the contrary, medical services and treatment provided under this chapter shall not be subject to copayments or deductibles.

(3) Employers may provide medical services through a managed health care system. The managed health care system shall file with the Department of Workers' Claims a plan for the rendition of health care services for work-related injuries and occupational diseases to be approved by the commissioner pursuant to administrative regulations promulgated by the commissioner.

(4) All managed health care systems rendering medical services under this chapter shall include the following features in plans for workers' compensation medical care:

(a) Copayments or deductibles shall not be required for medical services rendered in connection with a work-related injury or occupational disease;

(b) The employee shall be allowed choice of provider within the plan;

(c) The managed health care system shall provide an informal procedure for the expeditious resolution of disputes concerning rendition of medical services;

(d) The employee shall be allowed to obtain a second opinion, at the employer's expense, from an outside physician if a managed health care system physician recommends surgery;

(e) The employee may obtain medical services from providers outside the managed health care system, at the employer's expense, when treatment is unavailable through the managed health care system;

(f) The managed health care system shall establish procedures for utilization review of medical services to assure that a course of treatment is reasonably necessary; diagnostic procedures are not unnecessarily duplicated; the frequency, scope, and duration of treatment is appropriate; pharmaceuticals are not unnecessarily prescribed; and that ongoing and proposed treatment is not experimental, cost ineffective, or harmful to the employee; and

(g) Statements for services shall be audited regularly to assure that charges are not duplicated and do not exceed those authorized in the applicable fee schedules.

(h) A schedule of fees for all medical services to be provided under this chapter which shall not be subject to the limitations on medical fees contained in this chapter.

(i) Restrictions on provider selection imposed by a managed health care system authorized by this chapter shall not apply to emergency medical care.

(5) Except for emergency medical care, medical services rendered pursuant to this chapter shall be under the supervision of a single treating physician or physicians' group having the authority to make referrals, as reasonably necessary, to appropriate facilities and specialists. The employee may change his designated physician one (1) time and thereafter shall show reasonable cause in order to change physicians.

(6) When a compensable injury or occupational disease results in the amputation of an arm, leg, or foot, or the loss of hearing, or the enucleation of an eye or loss of teeth, the employer shall pay for, in addition to the other medical, surgical, and hospital treatment enumerated in subsection (1) and this subsection, a modern artificial member and, where required, proper braces as may reasonably be required at the time of the injury and thereafter during disability.

(7) Upon motion of the employer, with sufficient notice to the employee for a response to be filed, if it is shown to the satisfaction of the administrative law judge [~~or arbitrator~~]by affidavits or testimony that, because of the physician selected by the employee to treat the injury or disease, or because of the hospital selected by the employee in which treatment is being rendered, that the employee is not receiving proper medical treatment and the recovery is being substantially affected or delayed; or that the funds for medical expenses are being spent without reasonable benefit to the employee; or that because of the physician selected by the employee or because of the type of medical treatment being received by the employee that the employer will substantially be prejudiced in any compensation proceedings resulting from the employee's injury or disease; then the administrative law judge [~~or arbitrator~~]may allow the employer to select a physician to treat the employee and the hospital or hospitals in which the employee is treated for the injury or disease. No action shall be brought against any employer subject to this chapter by any person to recover damages for malpractice or improper treatment received by any employee from any physician, hospital, or attendant thereof.

(8) An employee who reports an injury alleged to be work-related or files an application for adjustment of a claim shall execute a waiver and consent of any physician-patient, psychiatrist-patient, or chiropractor-patient privilege with respect to any condition or complaint reasonably related to the condition for which the employee claims compensation. Notwithstanding any other provision in the Kentucky Revised Statutes, any physician, psychiatrist, chiropractor, podiatrist, hospital, or health care provider shall, within a reasonable time after written request by the employee, employer, workers' compensation insurer, special fund, uninsured employers' fund, [~~arbitrator,~~]or the administrative law judge, provide the requesting party with any information or written material reasonably related to any injury or disease for which the employee claims compensation.

(9) When a provider of medical services or treatment, required by this chapter, makes referrals for medical services or treatment by this chapter, to a provider or entity in which the provider making the referral has an investment interest, the referring provider shall disclose that investment interest to the employee, the commissioner, and the employer's insurer or the party responsible for paying for the medical services or treatment, within thirty (30) days from the date the referral was made.

Section 18. KRS 342.033 is amended to read as follows:

In a claim for benefits, no party may introduce direct testimony from more than two (2) physicians without prior consent from the [~~arbitrator or~~]administrative law judge. The motion requesting additional testimony shall clearly demonstrate the need for such additional testimony. A party may introduce direct testimony from a physician through a written medical report. The report shall become a part of the evidentiary record, subject to the right of an adverse party to object to the admissibility of the report and to cross-examine the reporting physician. The commissioner shall promulgate administrative regulations prescribing the format and content of written medical reports.

Section 19. KRS 342.040 is amended to read as follows:

(1) Except as provided in KRS 342.020, no income benefits shall be payable for the first seven (7) days of disability unless disability continues for a period of more than two (2) weeks, in which case income benefits shall be allowed from the first day of disability. In no event shall income benefits be instituted later than the fifteenth day after the employer has knowledge of the disability or death. Income benefits shall be due and payable not less often than semimonthly. If the employer's insurance carrier or other party responsible for the payment of workers' compensation benefits should terminate or fail to make payments when due, that party shall notify the commissioner of the termination or failure to make payments and the commissioner shall, in writing, advise the employee or known dependent of right to prosecute a claim under this chapter.

The annual report shall not exceed ten thousand (10,000) copies. All printing of the department shall be done by the contractor or contractors for public printing, subject to the provisions of the general laws governing public printing applicable thereto.

Section 35. KRS 342.700 is amended to read as follows:

(1) Whenever an injury for which compensation is payable under this chapter has been sustained under circumstances creating in some other person than the employer a legal liability to pay damages, the injured employee may either claim compensation or proceed at law by civil action against the other person to recover damages, or proceed both against the employer for compensation and the other person to recover damages, but he shall not collect from both. If the injured employee elects to proceed at law by civil action against the other person to recover damages, he shall give due and timely notice to the employer and the special fund of the filing of the action. If compensation is awarded under this chapter, the employer, his insurance carrier, the special fund, and the uninsured employer's fund, or any of them, having paid the compensation or having become liable therefor, may recover in his or its own name or that of the injured employee from the other person in whom legal liability for damages exists, not to exceed the indemnity paid and payable to the injured employee, less the employee's legal fees and expense. The notice of civil action shall conform in all respects to the requirements of KRS 411.188(2).

(2) A principal contractor, intermediate, or subcontractor shall be liable for compensation to any employee injured while in the employ of any one (1) of his intermediate or subcontractors and engaged upon the subject matter of the contract, to the same extent as the immediate employer. Any principal, intermediate, or subcontractor who pays the compensation may recover the amount paid from any subordinate contractor through whom he has been rendered liable under this section. Every claim to compensation under this subsection shall in the first instance be presented to and instituted against the immediate employer, but the proceedings shall not constitute a waiver of the employee's rights to recover compensation under this chapter from the principal or intermediate contractor nor shall the claim be barred by limitations, if the claim is filed against the principal or intermediate contractor within one (1) year after a final unappealed order has been rendered by an ~~[arbitrator or]~~administrative law judge determining that immediate employer has insufficient security to pay the full and maximum benefits that could be determined to be due him under this chapter. The collection of full compensation from one employer shall bar recovery by the employee against any other. But he shall not collect from all a total compensation in excess of the amount for which his immediate employer is liable. This subsection shall apply only in cases where the injury occurred on, in, or about the premises on which the principal contractor has undertaken to execute work or which are under his control otherwise or management.

(3) It shall be considered to be contrary to public policy and unlawful for any owner or employer to require another employer to waive its remedies granted by this section as a condition of receiving a contract or purchase order. This provision shall apply to all pending claims upon which a final order has not been entered.

(5) In furtherance of this purpose, the Attorney General shall appoint a member or members of his staff or special counsel to represent the fund in all proceedings brought to enforce claims against or on behalf of the fund. In that action, it shall be sufficient for plaintiff to set forth a copy of the award of the ~~[arbitrator or]~~administrative law judge relative to the claim as certified by the commissioner and to state that there is due to plaintiff on account of the opinion, order, or award of the ~~[arbitrator or]~~administrative law judge a specified sum which plaintiff claims with interest. HB 446, AN ACT relating to property affected by actions of state agencies.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

(1) The intent of Sections 1 to 7 of this Act is to require state agencies to evaluate proposed government actions regulating

the use of private property that may result in a constitutional taking of private property, in order to protect the rights of private property owners and to avoid unnecessary burdens on public treasuries and unwanted interference with private property rights.

(2) As used in Sections 1 to 7 of this Act:

(a) "State agency" means any officer, agency, board, commission, department, or similar body of the executive branch of state government;

(b) "Constitutional taking" or "taking" means the taking of private property by government action in a manner or for a purpose requiring compensation to the owner of that property because of the requirements of either:

1. The fifth or fourteenth amendment to the Constitution of the United States; or

2. Section 13 or 242 of the Constitution of Kentucky;

(c) "Diminution in value" means a reduction in fair market value of real property due to government action;

(d) "Fair market value" means the fair market value on the effective date of the government action:

1. Equal to the full extent of a property owner's loss, including business losses arising from a taking whether the taking is by physical occupation or through regulations, exaction, or other means; and

2. Including compounded interest calculated from the date of the taking until the date the agency renders payment;

(e) "Government action" means:

1. A proposed rule, policy, or administrative regulation that, if adopted or enforced, impedes the use of property or the exercise of property interests or significantly interferes with investment-backed expectations;

2. Proposed licensing or permitting conditions, requirements, or limitations on the use of private property; and

3. Required dedications or executions of private property;

(f) "Government action" does not include:

1. The formal exercise of the power of eminent domain pursuant to KRS Chapter 416 or the purchase of real property by state agencies;

2. The forfeiture or seizure of private property by a law enforcement agency as evidence of crime or of a criminal conviction of a violation of the law;

3. An order issued by a state agency or a court because of a violation of a law;

4. The discontinuance of a government program; or

5. Regulation of hunting and fishing seasons by the Department of Fish and Wildlife Resources under KRS Chapter 150;

(g) "Owner" means the owner of the real property or the possessor of the property or rights in the property that is directly and primarily subject to the government action, guidelines, policy, statute, regulation, rule, order, or ordinance at the time the permit, license, authorization, or governmental permission is denied or suspended;

(h) "Private property" means real property, or improvements to real property, not owned by the federal government, the Commonwealth of Kentucky, or a state agency, and includes:

1. Real property, whether vested or unvested, including:

a. Estates in fee, life estates, estates for years, or otherwise;

b. Inchoate interests in real property, such as remainders and future investments;

c. Personalty that is affixed to or appurtenant to real property;

d. Easements;

e. Leaseholds;

f. Recorded liens; and

g. Contracts or other security interests in, or related to, real property;

2. The right to use water or the right to receive water;

3. Rents, issues, profits of land, including minerals, timber, fodder, crops, oil, and gas, coal, or geothermal energy;

4. Property rights provided by, or memorialized in, a contract, except that these rights shall not be construed to prevent the state from prohibiting the formation of contracts deemed to harm the public welfare or to prevent the execution of contracts for exigencies that present immediate or reasonably foreseeable threats or injuries to life or property;

5. Any interest understood to be property based on custom, usage, common law, or mutually reinforcing understanding sufficiently well-grounded in law to back a claim of interest; and

(i) "Inverse condemnation" means the process by which property owners pursue their rights to just compensation in a situation in which the government has not formally condemned the property of the owners.

SECTION 2. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

(1) Before a state agency takes any government action specified under subsection (2)(e) of Section 1 of this Act, the agency shall prepare a written assessment and analysis of the constitutional taking implications of the action. The written assessment and analysis shall be completed no later than ninety (90) days following the proposed government action, or after the state agency has actual knowledge that an event constituting a government action has occurred. The agency shall deliver copies of the assessment to the secretary of the Finance and Administration Cabinet, the Legislative Research Commission, and the affected property owners.

(2) The state agency's assessment shall:

(a) Assess the likelihood that the government action may result in a constitutional taking;

(b) Clearly and specifically identify the purpose for the government action;

(c) Explain the reasons the government action is necessary to advance that purpose, and the benefits of the action to society;

(d) Explain the reasons no alternative action is available that would achieve the agency's goal while reducing the impact upon the private property owner;

(e) Estimate the potential cost to the government if a court were to determine that the action constitutes a constitutional taking;

(f) Identify the source of payment within the agency's budget for any compensation that may be ordered as a result of the taking; and

(g) Certify that the benefits of the government action exceed the cost estimated under paragraph (e) of this subsection.

(3) The state agency's assessment shall not be required for any proposed licensing or permitting action unless requested by a permittee or licensee or holder of a property interest to the private property which is the direct subject of the government action.

(4) The state agency's written assessment and analysis shall be limited only to the private property which is the direct subject of the government action. Adjacent private property shall not be subject to the state agency's written assessment and analysis.

(5) Owners of private property shall not be required to provide or pay for any studies, maps, plans, or reports that may be necessary for the agency's use in preparing the assessment and analysis as required by this section.

(6) A state agency that proposes a government action that may result in a taking, as indicated by the written assessment, shall update the assessment if the government action is not adopted before the ninetieth day after the date copies of the assessment are delivered as required by subsection (1) of this section.

(7) If there is an immediate threat to public health and safety that is an emergency and requires an immediate response by the state agency, the assessment required by subsections (1) and (2) of this section may be made after the emergency ceases to exist. The state agency shall set forth in the assessment the basis for its determination that an emergency existed.

SECTION 3. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

(1) No agency shall take private property except for public purpose and with just compensation to the property owner. A property owner shall receive just compensation if:

(a) As a consequence of a decision by any agency, private property, whether all or in part, has been physically invaded or taken for public use without the consent of the owner; and

(b) 1. This action does not substantially advance the stated governmental interest to be achieved by the legislation on which the action is based;

2. This action diminishes the owner's right to use any portion of the property as a condition for the granting of a permit, license, variance, or any other agency action;

3. This action results in the property owner being deprived, either temporarily or permanently, of all or substantially all economically beneficial or productive use of the property affected by the agency action without a showing that the deprivation inheres in the title itself; or

4. Under any other circumstances where a taking has occurred within the meaning of the fifth amendment of the United States Constitution.

(2) All awards or judgments for a plaintiff, including the recovery for court costs, attorney's fees, and reasonable expenses,

shall be paid out of funds of the agency responsible for the agency action. Any awards resulting from this section shall be made within thirty (30) days if no further review or appeal of the award is pending. When more than one (1) agency is involved, the court shall determine the proportion each agency shall be required to contribute to the compensation.

SECTION 4. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

An owner of private property who asserts that a state agency has failed to comply with Section 2 of this Act may initiate a proceeding in Circuit Court in the county where the real property is located to seek a determination as to the agency's compliance with Section 2 of this Act.

SECTION 5. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

(1) A Circuit Court in a county where the real property is located shall have exclusive jurisdiction of any constitutional taking claim, and the owner shall be entitled to trial by jury. Except as provided in subsection (2) of this section, an owner who prevails shall receive court costs and attorney's fees in addition to:

(a) The diminution in value of the property, in which case the owner shall retain title; or

(b) The fair market value of the property, in which case the owner shall transfer title of the property to the government unit, upon payment of the fair market value.

(2) The cause of action for a constitutional taking shall be ripe for adjudication when the action is potentially applicable to the private property. If the action provides an opportunity to obtain a variance, special exception, or waiver, the owner need only submit and have rejected one (1) reasonable application before the constitutional taking is deemed ripe for adjudication. An owner need not appeal an order or determination of a state agency nor shall multiple applications need to be filed before the cause of action for a constitutional taking is deemed ripe for adjudication. An application shall be deemed rejected if the state agency unreasonably delays review of the application or imposes burdensome conditions on approval of the application. If the owner claims that multiple actions are cumulatively causing the constitutional taking, the owner need only pursue one (1) application, variance, special exception, or waiver of one (1) action for the cause of action to be deemed ripe for adjudication.

(3) If, prior to final judgment, the agency reverses its government action, the owner shall be awarded reasonable costs, including attorney's fees, incurred in connection with the legal action, together with any economic losses sustained by reason of the government action that gave rise to the legal action.

(4) (a) The owner shall receive no damages if the use or proposed use of real property is a public nuisance.

(b) The government unit shall bear the burden of proof with respect to this affirmative defense.

SECTION 6. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

After a government action is determined to be a constitutional taking, the effect of the action on the fair market value of private property shall be reflected in the assessed valuation of the property for purposes of taxation, levies, and similar purposes.

SECTION 7. A NEW SECTION OF KRS CHAPTER 381 IS CREATED TO READ AS FOLLOWS:

This Act shall be called "The Kentucky Private Property Protection Act."

The order shall remain in force until rescinded by the District Court~~].

(7) The Department of Corrections shall, at the request of the District Judge, investigate and report on the amount necessary for the support of the prisoner's dependents, and periodically review the prisoner's progress while on leave from the jail and report its findings to the District Judge.

(8) The jailer may refuse to permit the prisoner to exercise his privilege to leave the jail as provided in subsection (1) for any breach of discipline or other violation of jail regulations for a period not to exceed five (5) days.

(9) In counties containing an urban-county form of government, the duties, responsibilities, and obligations vested herein in the Department of Corrections shall be performed by the adult misdemeanant probation and work release agency of the urban-county government.

Section 14. KRS 439.315 is amended to read as follows:

(1) A person placed by a releasing authority on probation, parole, or other form of release subject to supervision by the Department of Corrections and all persons supervised pursuant to KRS 439.560 shall pay a fee to offset the costs of supervising the probation, parole, or other supervised release.

(2) The fees shall be as follows:

(a) For a felony, not less than ten dollars ($10) per month while on active supervision nor more than two thousand five hundred dollars ($2,500) per year.

(b) For a misdemeanor, not less than ten dollars ($10) per month while on active supervision nor more than five hundred dollars ($500) per year, except as provided in subsection (13) of this section.

(3) The releasing authority shall order the fee paid in a lump sum or installments. If the fee is to be paid in a lump sum, the person shall not be released from custody until the fee is paid in full.

(4) Upon the failure of a person to pay an installment on a fee set forth in a release agreement, the releasing authority shall hold a hearing to determine why the installment has not been paid. Failure without good cause to pay an installment pursuant to a release agreement shall be grounds for the revocation of probation, parole, conditional release, or other form of release upon which the person has been released as provided in KRS 533.050.

(5) The releasing authority shall hold a hearing to determine the ability of the defendant to make the payments; and in making this determination, the releasing authority shall take into account the amount of any fine imposed upon the defendant and any amount the defendant has been ordered to pay in restitution. In counties containing a city of the first class or an urban-county form of government, the releasing authority may waive the payment of the fee in whole or in part for defendants placed under the supervision of the adult misdemeanant probation and work release program, if it finds that any of the factors in subsection (6) of this section exist.

(6) The releasing authority shall not waive any fee unless the commissioner of the Department of Corrections or his designee petitions the releasing authority in written form for the waiver. The Department of Corrections shall not petition unless:

(a) The offender is a student in a school, college, university, or course of vocational or technical training designed to fit the student for gainful employment. Certification of student status shall be supplied to the releasing authority by the educational institution in which the offender is enrolled. In such case, the fee may be postponed until completion of education but shall be paid thereafter.

(b) The offender has an employment disability, as determined by a physical, psychological, or psychiatric examination acceptable to, or ordered by, the releasing authority.

(7) At any time during the pendency of the judgment or order rendered according to the terms of this section, a defendant may petition the releasing authority to modify or vacate its previous judgment or order on the grounds of change of circumstances with regard to the defendant's ability to pay the fee. The releasing authority shall advise the defendant of this right at the time of the rendering of the judgment or order placing the defendant on probation, parole, or other supervised release.

(8) All sums paid by the defendant pursuant to this section shall be paid into the general fund, except as provided in subsection (13) of this section.

(9) When granting a release of any defendant by way of probation, parole, or otherwise, the releasing authority shall make the payment of this fee a condition of release, unless the fee has been waived, reduced, or delayed as provided in this section. Nonpayment shall be grounds for revocation of the release as provided in KRS 533.050.

(10) The releasing authority, if the Department of Corrections petitions the releasing authority to modify the fee, shall consider the petition and may waive the payment of the fee in whole or in part, delay payment of the fee, increase the fee, or deny the petition.

(11) All fees fixed under the provisions of this section shall be ***paid directly by the defendant to the person or agency specified by written order of the court. The court shall not direct that any fee fixed under this section be paid through the circuit clerk***~~[collected by the circuit clerk of the county where the defendant is supervised, except as provided in subsection (13) of this section]~~.

(12) The Department of Corrections and the Division of Probation and Parole shall, for each person released under its supervision, keep an account of all payments made and report delinquencies to the releasing authority.

(13) In a city, county, charter county, or an urban-county government, persons placed by a releasing authority on probation, parole, or other release subject to supervision by the adult misdemeanant probation and work release program of the county, city, charter county, or urban-county government shall pay a fee to offset the costs of supervising the probation, parole, or other supervised release. The fees shall be assessed by the releasing authority in accordance with the provisions of this section. The fee for a misdemeanant defendant placed under the supervision of an adult misdemeanant probation

and work release program of a county, city, charter county, or an urban-county government shall be not less than one hundred dollars ($100) nor more than five hundred dollars ($500) per year. All sums paid by the defendant under this subsection shall be paid into the general fund of the county, city, charter county, or urban-county government in lieu of the payment specified in subsection (8) of this section. All fees fixed under this ***section shall be paid directly by the defendant to the Division of Probation and Parole or to the unit of local government directed by the court by written order. The court shall not order the payments to be made through the Circuit Clerk***[~~subsection shall be collected by the circuit clerk of the county or urban-county involved~~]. The adult misdemeanant probation and work release program of the county, city, charter county, or urban-county government shall, for each person released under its supervision, keep an account of all payments made, maintain copies of all receipts issued by ***it***[~~the circuit clerk~~], and report delinquencies to the court.

For purposes of implementing KRS 439.315, the Division of Probation and Parole shall be the releasing authority.

(3) Fees and costs specified to be paid in this section shall be paid directly to the Division of Probation and Parole or to the person or agency directed in writing by the Division of Probation and Parole. Costs for probation supervision shall be paid by the defendant directly to the Division of Probation and Parole or other agency approved by the court by written order. The Department of Corrections, the Division of Probation and Parole, or the court shall not order any payments to be made through the circuit clerk.***

(5) An inmate placed on prerelease probation shall no longer be considered as an inmate of the Department of Corrections but shall be considered as a defendant placed on probation, subject to supervision by the Division of Probation and Parole, or other agency approved by the court, and the orders of the court.

(6) A person placed on prerelease probation by the court who violates the conditions of his or her probation may be dealt with by the court in the same manner as any other person who violates the conditions of probation.

(7) The period of probation under this section shall not exceed the maximum expiration date of the inmate applying for the probation.

Section 17. KRS 532.032 is amended to read as follows:

The provisions of this section shall not be subject to suspension or nonimposition.

(2) If pretrial diversion is granted, restitution shall be a part of the diversion agreement.

(3) If probation, shock probation, conditional discharge, or other alternative sentence is granted, restitution shall be a condition of the sentence.

(4) If a person is sentenced to incarceration and paroled, restitution shall be made a condition of parole.

(2) The sentencing court shall determine the amount of incarceration costs to be paid based on the following factors:

(a) The actual per diem, per person, cost of incarceration;

(b) The cost of medical services provided to a prisoner less any copayment paid by the prisoner; and

(c) The prisoner's ability to pay all or part of his incarceration costs.

(3) Reimbursement of incarceration costs shall be paid by the defendant directly to the jailer or to the Department of Corrections in the amount specified by written order of the court. The court shall not order reimbursement of incarceration costs to be paid through the circuit clerk.

Section 22. KRS 533.010 is amended to read as follows:

(1) Any person who has been convicted of a crime and who has not been sentenced to death may be sentenced to probation, probation with an alternative sentencing plan, or conditional discharge as provided in this chapter.

(2) Before imposition of a sentence of imprisonment, the court shall consider probation, probation with an alternative sentencing plan, or conditional discharge. Unless the defendant is a violent felon as defined in KRS 439.3401 or a statute prohibits probation, shock probation, or conditional discharge, after due consideration of the nature and circumstances of the crime and the history, character, and condition of the defendant, probation or conditional discharge shall be granted, unless the court is of the opinion that imprisonment is necessary for protection of the public because:

(a) There is substantial risk that during a period of probation or conditional discharge the defendant will commit another crime;

(b) The defendant is in need of correctional treatment that can be provided most effectively by his commitment to a correctional institution; or

(c) A disposition under this chapter will unduly depreciate the seriousness of the defendant's crime.

(3) In the event the court determines that probation is not appropriate after due consideration of the nature and circumstances of the crime, and the history, character, and condition of the defendant, probation with an alternative sentencing plan shall be granted unless the court is of the opinion that imprisonment is necessary for the protection of the public because:

(a) There is a likelihood that during a period of probation with an alternative sentencing plan or conditional discharge the defendant will commit a Class D or Class C felony or a substantial risk that the defendant will commit a Class B or Class A felony;

(b) The defendant is in need of correctional treatment that can be provided most effectively by commitment to a correctional institution; or

(c) A disposition under this chapter will unduly depreciate the seriousness of the defendant's crime.

(4) The court shall not determine that there is a likelihood that the defendant will commit a Class C or Class D felony based upon the fact that:

(a) The defendant has never been convicted of, pled guilty to, or entered an Alford plea to a felony offense;

(b) If convicted of, having pled guilty to, or entered an Alford plea to a felony offense, the defendant successfully completed probation more than ten (10) years immediately prior to the date of the commission of the felony for which the defendant is now being sentenced and has had no intervening convictions, pleas of guilty, or Alford pleas to any criminal offense during that period; or

(c) The defendant has been released from incarceration for the commission of a felony offense more than ten (10) years immediately prior to the date of the commission of the felony for which the defendant is now being sentenced and has had no intervening convictions, pleas of guilty, or Alford pleas to any criminal offense during that period.

(5) In making a determination under subsection (4) of this section, the court may determine that the greater weight of the evidence indicates that there is a likelihood that the defendant will commit a Class C or Class D felony.

(6) Upon initial sentencing of a defendant or upon modification or revocation of probation, when the court deems it in the best interest of the public and the defendant, the court may order probation with the defendant to serve one (1) of the following alternative sentences:

(a) To a halfway house for no more than twelve (12) months;

(b) To home incarceration with or without work release for no more than twelve (12) months;

(c) To jail for a period not to exceed twelve (12) months with or without work release, community service and other programs as required by the court;

(d) To a residential treatment program for the abuse of alcohol or controlled substances; or

(e) To any other specified counseling program, rehabilitation or treatment program, or facility.

(7) If during the term of the alternative sentence the defendant fails to adhere to and complete the conditions of the alternative sentence, the court may modify the terms of the alternative sentence or may modify or revoke probation and alternative sentence and commit the defendant to an institution.

(8) In addition to those conditions that the court may impose, the conditions of alternative sentence shall include the following and, if the court determines that the defendant cannot comply with them, then they shall not be made available:

(a) A defendant sentenced to a halfway house shall:

1. Be working or pursuing his or her education or be enrolled in a full-time treatment program;

2. Pay restitution during the term of probation; and

3. Have no contact with the victim of the defendant's crime;

(b) A defendant sentenced to home incarceration shall:

1. Be employed by another person or self-employed at the time of sentencing to home incarceration and continue the employment throughout the period of home incarceration, unless the court determines that there is a compelling reason to allow home incarceration while the defendant is unemployed;

2. Pay restitution during the term of home incarceration;

3. Enter a treatment program, if appropriate;

4. Pay all or some portion of the cost of home incarceration as determined by the court;

5. Comply with other conditions as specified; and

6. Have no contact with the victim of the defendant's crime;

(c) A defendant sentenced to jail with community service shall:

1. Pay restitution during all or some part of the defendant's term of probation; and

2. Have no contact with the victim of the defendant's crime; or

(d) A defendant sentenced to a residential treatment program for drug and alcohol abuse shall:

1. Undergo mandatory drug screening during term of probation;

2. Be subject to active, supervised probation for a term of five (5) years;

3. Undergo aftercare as required by the treatment program;

4. Pay restitution during the term of probation; and

5. Have no contact with the victim of the defendant's crime.

(9) When the court deems it in the best interest of the defendant and the public, the court may order the person to work at community service related projects under the terms and conditions specified in KRS 533.070. Work at community service related projects shall be considered as a form of conditional discharge.

(10) Probation with alternative sentence shall not be available as set out in KRS 532.045 and 533.060, except as provided in KRS 533.030*(5)*~~[(6)]~~.

(11) The court may utilize a community corrections program authorized or funded under KRS Chapter 196 to provide services to any person released under this section.

(12) When the court deems it in the best interest of the defendant and the public, the court may order the defendant to placement for probation monitoring by a private agency. The private agency shall report to the court on the defendant's

compliance with his terms of probation or conditional discharge. The defendant shall be responsible for any reasonable charges which the private agency charges.

(13) The jailer in each county incarcerating Class D felons may deny work release privileges to any defendant for violating standards of discipline or other jail regulations. The jailer shall report the action taken and the details of the violation on which the action was based to the court of jurisdiction within five (5) days of the violation.

(14) The Department of Corrections shall, by administrative regulation, develop written criteria for work release privileges granted under this section.

(15) ***Reimbursement of incarceration costs shall be paid by the defendant directly to the jailer or to the Department of Corrections in the amount specified by written order of the court. Restitution and other payments ordered to be made by the defendant shall be paid in the amount specified by the court by the defendant directly to the person or organization specified in a written order of the court. The court shall not order any payment of incarceration costs, restitution, or other cost to be paid by the defendant, to be paid through the circuit clerk.***

(16) The court shall enter into the record written findings of fact and conclusions of law when considering implementation of any sentence under this section.

Section 23. KRS 533.020 is amended to read as follows:

(1) When a person who has been convicted of an offense or who has entered a plea of guilty to an offense is not sentenced to imprisonment, the court shall place him on probation if he is in need of the supervision, guidance, assistance, or direction that the probation service can provide. Conditions of probation shall be imposed as provided in KRS 533.030, but the court may modify or enlarge the conditions or, if the defendant commits an additional offense or violates a condition, revoke the sentence at any time prior to the expiration or termination of the period of probation. ***When setting conditions under this subsection the court shall not order any defendant to pay incarceration costs, restitution, or any other cost permitted to be ordered under Section 22 of this Act, or other statute to be paid by the defendant, to be paid through the circuit clerk.***

(2) When a person who has been convicted of an offense or who has entered a plea of guilty to an offense is not sentenced to imprisonment, the court may sentence him to probation with an alternative sentence if it is of the opinion that the defendant should conduct himself according to conditions determined by the court and that probationary supervision alone is insufficient. The court may modify or enlarge the conditions or, if the defendant commits an additional offense or violates a condition, revoke the sentence at any time prior to the expiration or termination of the alternative sentence.

(3) When a person who has been convicted of an offense or who has entered a plea of guilty to an offense is not sentenced to imprisonment, the court may sentence him to conditional discharge if it is of the opinion that the defendant should conduct himself according to conditions determined by the court but that probationary supervision is inappropriate. Conditions of conditional discharge shall be imposed as provided in KRS 533.030, but the court may modify or enlarge the conditions or, if the defendant commits an additional offense or violates a condition, revoke the sentence at any time prior to the expiration or termination of the period of conditional discharge.

(4) The period of probation, probation with an alternative sentence, or conditional discharge shall be fixed by the court and at any time may be extended or shortened by duly entered court order. Such period, with extensions thereof, shall not exceed five (5) years, or the time necessary to complete restitution, whichever is longer, upon conviction of a felony nor two (2) years, or the time necessary to complete restitution, whichever is longer, upon conviction of a misdemeanor. Upon completion of the probationary period, probation with an alternative sentence, or the period of conditional discharge, the defendant shall be deemed finally discharged, provided no warrant issued by the court is pending against him, and probation, probation with an alternative sentence, or conditional discharge has not been revoked.

(5) Notwithstanding the fact that a sentence to probation, probation with an alternative sentence, or conditional discharge can subsequently be modified or revoked, a judgment which includes such a sentence shall constitute a final judgment for purposes of appeal.

Section 24. KRS 533.030 is amended to read as follows:

(1) The conditions of probation and conditional discharge shall be such as the court, in its discretion, deems reasonably necessary to insure that the defendant will lead a law-abiding life or to assist him to do so. The court shall provide as an explicit condition of every sentence to probation or conditional discharge that the defendant not commit another offense during the period for which the sentence remains subject to revocation.

(2) When imposing a sentence of probation or conditional discharge, the court may, in addition to any other reasonable condition, require that the defendant:

(a) Avoid injurious or vicious habits;

(b) Avoid persons or places of disreputable or harmful character;

(c) Work faithfully at suitable employment as far as possible;

(d) Undergo available medical or psychiatric treatment and remain in a specific institution as required for that purpose;

(e) Post a bond, without surety, conditioned on performance of any of the prescribed conditions;

(f) Support his dependents and meet other family responsibilities;

(g) Pay the cost of the proceeding as set by the court;

(h) Remain within a specified area;

(i) Report to the probation officer as directed;

(j) Permit the probation officer to visit him at his home or elsewhere;

(k) Answer all reasonable inquiries by the probation officer and promptly notify the probation officer of any change in address or employment; and

(l) If the defendant's record indicates a controlled substance or alcohol problem, submit to periodic testing for use of controlled substances or alcohol and pay a reasonable fee, not to exceed the actual cost of the test and analysis, as determined by the court, said fee to be ***paid***~~[collected by the circuit clerk, held in an agency account, and disbursed,]~~ on court order, solely to the agency or agencies responsible for testing and analysis as compensation for the cost of the testing and analysis performed under this subsection. For good cause shown, the testing fee may be waived by the court.

(3) When imposing a sentence of probation or conditional discharge in a case where a victim of a crime has suffered monetary damage as a result of the crime due to his property having been converted, stolen, or unlawfully obtained, or its value substantially decreased as a result of the crime, or where the victim suffered actual medical expenses, direct out-of-pocket losses, or loss of earning as a direct result of the crime, or if as a direct result of the crime the victim incurred medical expenses that were paid by the Cabinet for Health Services, the Crime Victims Compensation Board, or any other governmental entity, the court shall order the defendant to make restitution in addition to any other penalty provided for the commission of the offense. Payment of restitution to the victim shall have priority over payment of restitution to any government agency. Restitution shall be ordered in the full amount of the damages, unless the damages exceed one hundred thousand dollars ($100,000) or twice the amount of the gain from the commission of the offense, whichever is greater, in which case the higher of these two (2) amounts shall be awarded. The court may, in lieu of ordering monetary restitution, order the defendant to make restitution by working for or on behalf of the victim. The court shall determine the number of hours of work necessary by applying the then-prevailing federal minimum wage to the total amount of monetary damage caused by or incidental to the commission of the crime. The court may, with the consent of the agency, order the defendant to work as specified in KRS 533.070. Any work ordered pursuant to this section shall not be deemed employment for any purpose, nor shall the person performing the work be deemed an employee for any purpose. Where there is more than one (1) defendant or more than one (1) victim, restitution may be apportioned. Restitution shall be subject to the following additional terms and conditions:

(a) Where property which is unlawfully in the possession of the defendant is in substantially undamaged condition from its condition at the time of the taking, return of the property shall be ordered in lieu of monetary restitution;

(b)~~[The circuit clerk shall assess an additional fee of five percent (5%) to defray the administrative costs of collection of payments or property. This fee shall be paid by the defendant and shall inure to a trust and agency account which shall not lapse and which shall be used to hire additional deputy clerks and office personnel or increase deputy clerk or office personnel salaries, or combination thereof;~~

~~(c)]~~ When a defendant fails to make restitution ordered to be paid~~[through the circuit clerk]~~, the ***person or organization to which the restitution was ordered paid***~~[circuit clerk]~~ shall notify the court; and

(c)~~[(d)]~~An order of restitution shall not preclude the owner of property or the victim who suffered personal physical or mental injury or out-of-pocket loss of earnings or support or other damages from proceeding in a civil action to recover damages from the defendant. A civil verdict shall be reduced by the amount paid under the criminal restitution order.

(4) ***When imposing testing for controlled substances or alcohol, restitution, or other fees and payments authorized by this section or other statute to be paid by the defendant, the court shall not order the payments to be paid through the circuit clerk***~~[In addition to any other terms and conditions imposed under this section, the court may require the probationer, as a condition of his probation, to make one (1) payment to a crime stoppers organization in an amount not to exceed the amount of the reward paid by a crime stoppers organization, as defined by KRS 431.570, relative to the probationer.~~

~~(5) In addition to any other terms and conditions imposed under this section, the court may require the probationer, as a condition of probation or conditional discharge of a sentence of detention or imprisonment for a drug or alcohol related offense, to make one (1) payment either to Drug Abuse Resistance Education (D.A.R.E.) or to any treatment or prevention program for drug or alcohol abuse that a local government administers, refers individuals to, or contracts to administer, in an amount not to exceed the amount of any fine which also could have been imposed for the offense]~~.

(5)~~[(6)]~~When a defendant is sentenced to probation or conditional discharge, he shall be given a written statement explicitly setting forth the conditions under which he is being released.

(6)~~[(7)]~~When imposing a sentence of probation or conditional discharge, the court, in addition to conditions imposed under this

section, may require as a condition of the sentence that the defendant submit to a period of imprisonment in the county jail or to a period of home incarceration at whatever time or intervals, consecutive or nonconsecutive, the court shall determine. Unless the defendant is a violent felon as defined in KRS 439.3401 or a statute prohibits probation, shock probation, or conditional discharge, after due consideration of the nature and circumstances of the crime and the history, character, and condition of the defendant, probation or conditional discharge shall be granted, unless the court is of the opinion that imprisonment is necessary for protection of the public because:

(c) A disposition under this chapter will unduly depreciate the seriousness of the defendant's crime.

(3) In the event the court determines that probation is not appropriate after due consideration of the nature and circumstances of the crime, and the history, character, and condition of the defendant, probation with an alternative sentencing plan shall be granted unless the court is of the opinion that imprisonment is necessary for the protection of the public because:

(c) A disposition under this chapter will unduly depreciate the seriousness of the defendant's crime.

(a) The defendant has never been convicted of, pled guilty to, or entered an Alford plea to a felony offense;

(b) If convicted of, having pled guilty to, or entered an Alford plea to a felony offense, the defendant successfully completed probation more than ten (10) years immediately prior to the date of the commission of the felony for which the defendant is now being sentenced and has had no intervening convictions, pleas of guilty, or Alford pleas to any criminal offense during that period; or

(c) The defendant has been released from incarceration for the commission of a felony offense more than ten (10) years immediately prior to the date of the commission of the felony for which the defendant is now being sentenced and has had no intervening convictions, pleas of guilty, or Alford pleas to any criminal offense during that period.

(5) In making a determination under subsection (4) of this section, the court may determine that the greater weight of the evidence indicates that there is a likelihood that the defendant will commit a Class C or Class D felony.

(6) Upon initial sentencing of a defendant or upon modification or revocation of probation, when the court deems it in the best interest of the public and the defendant, the court may order probation with the defendant to serve one (1) of the

(b) To home incarceration with or without work release for no more than twelve (12) months;

(c) To jail for a period not to exceed twelve (12) months with or without work release, community service and other programs as required by the court;

(d) To a residential treatment program for the abuse of alcohol or controlled substances; or

(e) To any other specified counseling program, rehabilitation or treatment program, or facility.

(7) If during the term of the alternative sentence the defendant fails to adhere to and complete the conditions of the alternative sentence, the court may modify the terms of the alternative sentence or may modify or revoke probation and alternative sentence and commit the defendant to an institution.

(8) In addition to those conditions that the court may impose, the conditions of alternative sentence shall include the following and, if the court determines that the defendant cannot comply with them, then they shall not be made available:

3. Have no contact with the victim of the defendant's crime;

(b) A defendant sentenced to home incarceration shall:

1. Be employed by another person or self-employed at the time of sentencing to home incarceration and continue the employment throughout the period of home incarceration, unless the court determines that there is a compelling reason to allow home incarceration while the defendant is unemployed;
2. Pay restitution during the term of home incarceration;
3. Enter a treatment program, if appropriate;
4. Pay all or some portion of the cost of home incarceration as determined by the court;
5. Comply with other conditions as specified; and
6. Have no contact with the victim of the defendant's crime;

(c) A defendant sentenced to jail with community service shall:

1. Pay restitution during all or some part of the defendant's term of probation; and
2. Have no contact with the victim of the defendant's crime; or

(d) A defendant sentenced to a residential treatment program for drug and alcohol abuse shall:

1. Undergo mandatory drug screening during term of probation;
2. Be subject to active, supervised probation for a term of five (5) years;
3. Undergo aftercare as required by the treatment program;
4. Pay restitution during the term of probation; and
5. Have no contact with the victim of the defendant's crime.

(9) When the court deems it in the best interest of the defendant and the public, the court may order the person to work at community service related projects under the terms and conditions specified in KRS 533.070. Work at community service related projects shall be considered as a form of conditional discharge.

(10) Probation with alternative sentence shall not be available as set out in KRS 532.045 and 533.060, except as provided in KRS 533.030*(5)*[~~(6)~~].

(11) The court may utilize a community corrections program authorized or funded under KRS Chapter 196 to provide services to any person released under this section.

(12) When the court deems it in the best interest of the defendant and the public, the court may order the defendant to placement for probation monitoring by a private agency. The private agency shall report to the court on the defendant's compliance with his terms of probation or conditional discharge. The defendant shall be responsible for any reasonable charges which the private agency charges.

(13) The jailer in each county incarcerating Class D felons may deny work release privileges to any defendant for violating standards of discipline or other jail regulations. The jailer shall report the action taken and the details of the violation on which the action was based to the court of jurisdiction within five (5) days of the violation.

(14) The Department of Corrections shall, by administrative regulation, develop written criteria for work release privileges granted under this section.

(15) ***Reimbursement of incarceration costs shall be paid by the defendant directly to the jailer or to the Department of***

Corrections in the amount specified by written order of the court. The court shall not order any payment of incarceration costs or other cost to be paid by the defendant, except restitution, to be paid through the circuit clerk.

(16) The court shall enter into the record written findings of fact and conclusions of law when considering implementation of any sentence under this section.

Section 23. KRS 533.020 is amended to read as follows:

(1) When a person who has been convicted of an offense or who has entered a plea of guilty to an offense is not sentenced to imprisonment, the court shall place him on probation if he is in need of the supervision, guidance, assistance, or direction that the probation service can provide. Conditions of probation shall be imposed as provided in KRS 533.030, but the court may modify or enlarge the conditions or, if the defendant commits an additional offense or violates a condition, revoke the sentence at any time prior to the expiration or termination of the period of probation. ***When setting conditions under this subsection the court shall not order any defendant to pay incarceration costs or any other cost permitted to be ordered under Section 22 of this Act, or other statute, except restitution, to be paid by the defendant, to be paid through the circuit clerk.***

(2) When a person who has been convicted of an offense or who has entered a plea of guilty to an offense is not sentenced to imprisonment, the court may sentence him to probation with an alternative sentence if it is of the opinion that the defendant should conduct himself according to conditions determined by the court and that probationary supervision alone is insufficient. The court may modify or enlarge the conditions or, if the defendant commits an additional offense or violates a condition, revoke the sentence at any time prior to the expiration or termination of the alternative sentence.

(3) When a person who has been convicted of an offense or who has entered a plea of guilty to an offense is not sentenced to imprisonment, the court may sentence him to conditional discharge if it is of the opinion that the defendant should conduct himself according to conditions determined by the court but that probationary supervision is inappropriate. Conditions of conditional discharge shall be imposed as provided in KRS 533.030, but the court may modify or enlarge the conditions or, if the defendant commits an additional offense or violates a condition, revoke the sentence at any time prior to the expiration or termination of the period of conditional discharge.

(4) The period of probation, probation with an alternative sentence, or conditional discharge shall be fixed by the court and at any time may be extended or shortened by duly entered court order. Such period, with extensions thereof, shall not exceed five (5) years, or the time necessary to complete restitution, whichever is longer, upon conviction of a felony nor two (2) years, or the time necessary to complete restitution, whichever is longer, upon conviction of a misdemeanor. Upon completion of the probationary period, probation with an alternative sentence, or the period of conditional discharge, the defendant shall be deemed finally discharged, provided no warrant issued by the court is pending against him, and probation, probation with an alternative sentence, or conditional discharge has not been revoked.

(5) Notwithstanding the fact that a sentence to probation, probation with an alternative sentence, or conditional discharge can subsequently be modified or revoked, a judgment which includes such a sentence shall constitute a final judgment for purposes of appeal.

Section 24. KRS 533.030 is amended to read as follows:

(1) The conditions of probation and conditional discharge shall be such as the court, in its discretion, deems reasonably necessary to insure that the defendant will lead a law-abiding life or to assist him to do so. The court shall provide as an explicit condition of every sentence to probation or conditional discharge that the defendant not commit another offense during the period for which the sentence remains subject to revocation.

(2) When imposing a sentence of probation or conditional discharge, the court may, in addition to any other reasonable condition, require that the defendant:

(a) Avoid injurious or vicious habits;

(b) Avoid persons or places of disreputable or harmful character;

(c) Work faithfully at suitable employment as far as possible;

(d) Undergo available medical or psychiatric treatment and remain in a specific institution as required for that purpose;

(e) Post a bond, without surety, conditioned on performance of any of the prescribed conditions;

(f) Support his dependents and meet other family responsibilities;

(g) Pay the cost of the proceeding as set by the court;

(h) Remain within a specified area;

(i) Report to the probation officer as directed;

(j) Permit the probation officer to visit him at his home or elsewhere;

(k) Answer all reasonable inquiries by the probation officer and promptly notify the probation officer of any change in address or employment; and

(l) If the defendant's record indicates a controlled substance or alcohol problem, submit to periodic testing for use of controlled substances or alcohol and pay a reasonable fee, not to exceed the actual cost of the test and analysis, as determined by the court, said fee to be ***paid***[~~collected by the circuit clerk, held in an agency account, and disbursed,~~] on court order, solely to the agency or agencies responsible for testing and analysis as compensation for the cost of the testing and analysis performed under this subsection. For good cause shown, the testing fee may be waived by the court.

(3) When imposing a sentence of probation or conditional discharge in a case where a victim of a crime has suffered monetary damage as a result of the crime due to his property having been converted, stolen, or unlawfully obtained, or its value substantially decreased as a result of the crime, or where the victim suffered actual medical expenses, direct out-of-pocket losses, or loss of earning as a direct result of the crime, or if as a direct result of the crime the victim incurred medical expenses that were paid by the Cabinet for Health Services, the Crime Victims Compensation Board, or any other governmental entity, the court shall order the defendant to make restitution in addition to any other penalty provided for the commission of the offense. Payment of restitution to the victim shall have priority over payment of restitution to any government agency. Restitution shall be ordered in the full amount of the damages, unless the damages exceed one hundred thousand dollars ($100,000) or twice the amount of the gain from the commission of the offense, whichever is greater, in which case the higher of these two (2) amounts shall be awarded. The court may, in lieu of ordering monetary restitution, order the defendant to make restitution by working for or on behalf of the victim. The court shall determine the number of hours of work necessary by applying the then-prevailing federal minimum wage to the total amount of monetary damage caused by or incidental to the commission of the crime. The court may, with the consent of the agency, order the defendant to work as specified in KRS 533.070. Any work ordered pursuant to this section shall not be deemed employment for any purpose, nor shall the person performing the work be deemed an employee for any purpose. Where there is more than one (1) defendant or more than one (1) victim, restitution may be apportioned. Restitution shall be subject to the following additional terms and conditions:

(a) Where property which is unlawfully in the possession of the defendant is in substantially undamaged condition from its condition at the time of the taking, return of the property shall be ordered in lieu of monetary restitution;

(b) The circuit clerk shall assess an additional fee of five percent (5%) to defray the administrative costs of collection of payments or property. This fee shall be paid by the defendant and shall inure to a trust and agency account which shall not lapse and which shall be used to hire additional deputy clerks and office personnel or increase deputy clerk or office personnel salaries, or combination thereof;

(c) When a defendant fails to make restitution ordered to be paid through the circuit clerk ***or a court-authorized program run by the county attorney or the Commonwealth's attorney***, the circuit clerk ***or court-authorized program*** shall notify the court; and

(d) An order of restitution shall not preclude the owner of property or the victim who suffered personal physical or mental injury or out-of-pocket loss of earnings or support or other damages from proceeding in a civil action to recover damages from the defendant. A civil verdict shall be reduced by the amount paid under the criminal restitution order.

(4) ***When imposing testing for controlled substances or alcohol or other fees and payments authorized by this section or other statute, except restitution, to be paid by the defendant, the court shall not order the payments to be paid through the circuit clerk***[~~In addition to any other terms and conditions imposed under this section, the court may require the probationer, as a condition of his probation, to make one (1) payment to a crime stoppers organization in an amount not to exceed the amount of the reward paid by a crime stoppers organization, as defined by KRS 431.570, relative to the probationer.~~

~~(5) In addition to any other terms and conditions imposed under this section, the court may require the probationer, as a condition of probation or conditional discharge of a sentence of detention or imprisonment for a drug or alcohol related offense, to make one (1) payment either to Drug Abuse Resistance Education (D.A.R.E.) or to any treatment or prevention program for drug or alcohol abuse that a local government administers, refers individuals to, or contracts to administer, in an amount not to exceed the amount of any fine which also could have been imposed for the offense~~].

(5)[~~(6)~~]When a defendant is sentenced to probation or conditional discharge, he shall be given a written statement explicitly setting forth the conditions under which he is being released.

(6)[~~(7)~~]When imposing a sentence of probation or conditional discharge, the court, in addition to conditions imposed under this section, may require as a condition of the sentence that the defendant submit to a period of imprisonment in the county jail or to a period of home incarceration at whatever time or intervals, consecutive or nonconsecutive, the court shall determine. The time actually spent in confinement or home incarceration pursuant to this provision shall not exceed twelve (12) months or the maximum term of imprisonment assessed pursuant to KRS Chapter 532, whichever is the shorter. Time spent in confinement or home incarceration under this subsection shall be credited against the maximum term of imprisonment assessed for the defendant pursuant to KRS Chapter 532, if probation or conditional discharge is revoked and the defendant is sentenced to imprisonment. Any prohibitions against probation, shock probation, or conditional discharge under KRS 533.060(2) or 532.045 shall not apply to persons convicted of a misdemeanor or Class D felony and sentenced to a period of confinement or home incarceration under this section.

Section 25. KRS 534.045 is amended to read as follows:

(1) Pursuant to a conviction of a misdemeanor, including traffic offenses, where a person is sentenced to incarceration in the county jail, the District Court may assess a reimbursement fee to help defray the expenses of the prisoner's room and board. The reimbursement fee shall not exceed twenty-five percent (25%) of the prisoner's gross daily wages or forty dollars ($40) per day, whichever is less. All moneys shall be ***paid directly to the jailer***~~[collected by the District Court]~~ and paid to the county, urban-county, or charter county treasury for use on the jail as provided in KRS 441.206.

(2) In determining whether a reimbursement fee as described in subsection (1) of this section is to be assessed, and in establishing the amount of the fee, the court shall consider evidence relevant to the prisoner's ability to pay the fee but shall not consider as evidence the following:

- (a) Joint ownership, if any, that the prisoner may have in real property;
- (b) Joint ownership, if any, that the prisoner may have in any assets, earnings, or other sources of income; and
- (c) The income, assets, earnings, or other property, both real and personal, that might be owned by the prisoner's spouse or family.

(3) After considering all relevant evidence to the issue of the prisoner's ability to pay, the court shall enter as part of its judgment the amount of the reimbursement fee, if any, that shall be paid by the prisoner during his period of incarceration in the county jail. The fee shall bear a reasonable relationship to the person's income. Upon petition by the prisoner affected by the order, the amount may be modified to reflect any changes in the financial status of the prisoner. In any appeal that might be taken from the conviction, the amount of the reimbursement fee may be challenged.

(4) If the person sentenced to jail is released in accordance with the provisions of KRS 439.179 and is subject to the provisions of KRS 439.179(4), the payment of the reimbursement fee shall be suspended so long as the person is gainfully employed.

(5) The court, when imposing any payment authorized by this section, shall order the defendant to make the payment to the named officer, person, or organization. The court shall not order any payment authorized by this section to be made through the circuit clerk.

If such provision is not made a part of the court's disposition, the fine shall be payable immediately. Nothing contained herein shall be construed as limiting the court's inherent contempt powers.

(3) Any public offender detained for failure to comply with the court order shall not be scheduled for a time that would interfere with the educational, occupational, or religious obligations of the child, and shall be in a secure juvenile detention facility or juvenile holding facility. Any portion of a day a child is detained pursuant to the court's exercising its contempt powers shall be deemed as one (1) day for purposes of serving a detention term.

(a) If there was an alcohol concentration of less than 0.05 based upon the definition of alcohol concentration in KRS 189A.005, it shall be presumed that the defendant was not under the influence of alcohol; and

(b) If there was an alcohol concentration of 0.05 or greater but less than 0.10 based upon the definition of alcohol concentration in KRS 189A.005, that fact shall not constitute a presumption that the defendant either was or was not under the influence of alcohol, but that fact may be considered, together with other competent evidence, in determining the guilt or innocence of the defendant.

The provisions of this subsection shall not be construed as limiting the introduction of any other competent evidence bearing upon the questions of whether the defendant was under the influence of alcohol or other substances, in any prosecution for a violation of subsection (1)(b) or (d) of this section.

The total and aggregate of the surety and insurer for all claims shall be limited to the face of the bond or liability insurance policy. The department may accept a liability insurance policy or surety bond in the proper sum which has a deductible clause in an amount not exceeding one thousand dollars ($1,000) for all applicators for the total amount of liability insurance or surety bond required~~[herein]~~. If the applicant has not satisfied the requirements of the deductible amount in any prior legal claim, ***the***~~[such]~~ deductible clause shall not be accepted by the department unless ***the***~~[such]~~ applicant furnishes the department with a security bond or liability insurance which shall satisfy the amount of the deductible as to all claims that may arise in his application of pesticides.

(3) Should the surety furnished become unsatisfactory, ***the***~~[said]~~ applicant shall upon notice execute a new bond or insurance and shall he fail to do so, the department shall cancel ***the registration***~~[his license]~~ and it shall be unlawful~~[thereafter]~~ for ***the***~~[such]~~ person to engage in ***the***~~[said]~~ business of applying pesticides until the bond or insurance is brought into compliance with the requirements of subsection (2) of this section and ***the registration***~~[his license]~~ is reinstated by the department.

If the average number of hours of work is less than eighty (80) per month, the noncertified employee of a school board shall be allowed credit only for those months he receives creditable compensation for eighty (80) hours of work. The cost will be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 78.610(4).

(13) A retired member, who is contributing to one (1) of the state-administered retirement programs and purchases service credit under this section in the system or systems from which he is retired, shall have his retirement allowance recomputed:

(a) Upon termination from employment, if the member is contributing to the same system or systems from which he was retired; or

(b) Upon completion of six (6) months' service credit as required under subsection (6) of this section, if the member is contributing to a system other than the system or systems from which he is retired.

(14) Any employee participating in one (1) of the state-administered retirement systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) may obtain credit for prior or current service for any period of approved educational leave, or for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, by paying to the respective retirement system a delayed contribution payment. The employee may also obtain credit for agency-approved leave to work for a work-related labor organization if the agency subsequently participated in the County Employees Retirement System, but only if the Kentucky Retirement Systems receives a favorable private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(15) Any employee participating in one (1) of the state-administered retirement systems may obtain credit for prior or current service for any period of approved maternity leave granted prior to January 1, 1972, or for any period of approved sick leave without pay, by paying to the respective retirement system a delayed contribution payment. The delayed contribution payment shall not be picked up, as described in KRS 61.560(4), by the employer, and shall be deposited to the individual member's account.

(16) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, KRS 61.515 to 61.705, or KRS 78.520 to 78.852 by making installment payments in lieu of a lump-sum payment.

(a) The cost of the service shall be computed in the same manner as for a lump-sum payment which shall be the principal; and interest, at the actuarial rate in effect at the time the member elects to make the purchase compounded annually, shall be added for the period that the installments are to be made. Multiple service purchases may be combined under a single installment purchase; however, no employee may make more than one (1) installment purchase at the same time. The employee may elect to stop the installment payments by notifying the retirement system; may have the installment purchase recalculated to add one (1) or more additional service purchases; or may pay by lump sum the remaining principal.

(b) Twelve (12) consecutive monthly installment payments shall be made for each one thousand dollars ($1,000) or any part thereof of the total cost, except that the total number of installments shall not be less than twelve (12) and shall not exceed sixty (60).

(c) The employee shall pay the installments by payroll deduction each pay period. Upon notification by the retirement system, the employer shall report the installment payments separate from regular employee contributions on the forms or by the computer format specified by the board. The payments made under this subsection shall be considered accumulated contributions of the member and shall not be picked up by the employer pursuant to KRS 61.560(4) and no employer contributions shall be paid on the installments.

(d) The retirement system shall determine how much of the total cost represents payment for one (1) month of the service to be purchased and shall credit one (1) month of service to the member's account each time this amount has been paid. The first service credited shall represent the first calendar month of the service to be purchased and each succeeding month of service credit shall represent the succeeding months of that service.

(e) If the employee dies, retires, or does not continue employment in a position required to participate in the retirement system, the member, or in the case of death, the beneficiary, shall have sixty (60) days to pay the remaining principal of the purchase by lump sum. If the member or beneficiary does not pay the remaining cost, the retirement system shall refund to the member or the beneficiary the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(f) If the employer does not report installment payments on an employee for sixty (60) days, the installment purchase shall cease and the retirement system shall refund to the employee the payment, payments, or portion of a payment that does not represent a full month of service purchased.

(g) If payments have ceased under paragraph(e) or (f) of this subsection and the member later becomes a participating employee in one (1) of the three (3) systems administered by Kentucky Retirement Systems, the employee may complete the adjusted original installment purchase by lump sum or installment payments. If the employee elects to renew the installment purchase, the cost of the remaining service shall be recalculated in accordance with paragraph (a) of this subsection. If the original installment purchase was for multiple service purchases, the employee may not separate those purchases under a new installment purchase.

(h) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems may purchase service credit under any of the provisions of KRS 16.510 to 16.652, KRS 61.515 to 61.705, or KRS 78.520 to 78.852 by transferring funds directly from a retirement plan maintained by his employer which is a qualified plan pursuant to Section 401(a) of the Internal Revenue Code or by a rollover of funds from the plan pursuant to the rules specified in Section 402(c) of the Internal Revenue Code and the Kentucky Retirement Systems shall accept the transfer or rollover to the extent permitted under the rules specified in Section 402 (c) and Section 401(a)(31) of the Internal Revenue Code. The amount shall be credited to the individual member's contribution account in the appropriate retirement system and shall be considered accumulated contributions of the member.

(17) After August 1, 1998, any employee participating in one (1) of the state-administered retirement systems who is age sixty-five (65) or older and has forty-eight (48) months' service credit in the Kentucky Employees Retirement System or the County Employees Retirement System or, if younger, who has sixty (60) months' service credit in the Kentucky Employees Retirement System or the County Employees Retirement System may purchase credit in the system in which the employee has the service credit for up to ten (10) years service in a regular full-time position that was credited to a state or local government-administered public defined benefit plan in another state other than a defined benefit plan for teachers. The employee shall pay the full cost of the service as determined by the system. Payment may be by lump sum, or the employee may pay by increments. The employee may transfer funds directly from the other state's plan if eligible to the extent permitted under subsection (16)(h) of this section and to the extent permitted by the other state's laws and shall provide proof that he is not eligible for a retirement benefit for the period of service from the other state's plan.

(18) After August 1, 1998, any employee participating in one (1) of the state-administered retirement systems, who has sixty (60) or more months of service in the State Police Retirement System or in a hazardous position in the Kentucky Employees Retirement System or the County Employees Retirement System, may purchase credit in the system in which the employee has the sixty (60) months of service credit for up to ten (10) years of service in a regular full-time position that was credited to a defined benefit retirement plan administered by a state or local government in another state, if the service could be certified as hazardous pursuant to KRS 61.592. The employee shall pay the full cost of the service credit

as determined by the system. Payment may be by lump sum or by increments. The employee may transfer funds directly from the other unit of government's plan if eligible to the extent permitted under subsection (16)(h) of this section and to the extent permitted by the other state's laws, and the employee shall provide proof that he is not eligible for a retirement benefit for the period of service from the other unit of government's plan.

(19) Any employee participating in one (1) of the state-administered retirement systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) who has completed service as a volunteer in the Kentucky Peace Corps, created by KRS 154.01-720, may purchase service credit for the time served in the corps by making delayed contribution payments.

(20) An employee participating in any state-administered retirement system who has at least forty-eight (48) months' service if age sixty-five (65), or at least sixty (60) months' service if under age sixty-five (65), and who was formerly employed in a regional community mental health and mental retardation services program, organized and operated under the provisions of KRS 210.370 to 210.480, which does not participate in a state-administered retirement system may obtain credit for the period of his service in the regional community mental health and mental retardation program, by paying to the state retirement system in which he participates the full cost of the service credit purchased, as determined by the system. Payment to one (1) of the retirement systems administered by the Kentucky Retirement Systems may be made by lump sum or in increments.

(21) An employee participating in any state-administered retirement system who has at least forty-eight (48) months' service if age sixty-five (65) or at least sixty (60) months' service if under age sixty-five (65), who was employed by a vocational technical school in a noncertified part-time position averaging eighty (80) or more hours per month, determined by using the number of months actually worked within a calendar or fiscal year, may purchase service credit in the Kentucky Employees Retirement System. The cost of the service shall be determined by computing the member and employer contributions for the period of time involved plus interest compounded annually at the current actuarial rate, which shall not be picked up by the employer as described in KRS 61.560(4).

(22) Any employee participating in one (1) of the state-administered retirement systems on June 30, 2000, may obtain credit for subsequent service with a parted employer from the Commonwealth operating for the purposes of KRS 163.475, by paying to the respective retirement system a delayed contribution payment if the respective retirement system receives a favorable private letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor. The delayed contribution payment shall be deposited to the individual member's account. The delayed contribution payment shall not be picked up by the employer as described in KRS 61.560(4).

(23) Any employee participating in the County Employees Retirement System who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) may purchase service credit for service with a city, county, or joint city-county planning commission, if that service was not covered by a state-administered retirement system. Notwithstanding any statute to the contrary, the employee shall be entitled to a full month of service for each month or portion of month that the employee occupied the position whether or not the employee would have qualified, at the time of planning commission service, for the service under KRS 6.525. The employee shall pay to the retirement system the full cost of the service credit purchased, as determined by the board's actuary. The payment shall not be picked up, as described in KRS 78.610(4), by the employer and shall be deposited to the member's account. Payment may be by lump sum or in increments. The employee may obtain credit for service with a city, county, or joint city-county planning commission only if the Kentucky Retirement Systems receives a favorable letter ruling from the United States Internal Revenue Service or a favorable opinion letter from the United States Department of Labor.

(24) (a) Any member or retired member of one (1) of the retirement systems administered by the Kentucky Retirement Systems who is entitled to service credit for employment which was not reported in accordance with KRS 16.543, 61.543, or KRS 78.615 may obtain credit for the service by paying the employee contributions due within six (6) months of notification by the system. No interest shall be added to the contributions. The service credit shall not be credited to the member's account until the employer contributions are received. If a retired member makes the payment within six (6) months, the retired member's retirement allowance shall be adjusted to reflect the added service after the employer contributions are received by the retirement system.

(b) Any employee participating in one (1) of the retirement systems administered by Kentucky Retirement Systems who is entitled to service credit under paragraph (a) of this subsection and who has not repaid the employee contributions due within six (6) months of notification by the system may regain the credit after the six (6) months by paying to the system the employee contributions plus interest at the actuarially assumed rate from the date of initial notification under paragraph (a) of this subsection. Service credit shall not be credited to the member's account until the employer contributions are received by the retirement system. The payments shall not be picked up, as described in KRS 61.560(4), by the employer.

(25) Any employee participating in one (1) of the state-administered retirement systems may purchase service credit for employment with a public agency that would have been eligible to participate under KRS 61.520 but which did not participate in the Kentucky Employees Retirement System or a political subdivision that would have been eligible to participate under KRS 78.530 but which did not participate in the County Employees Retirement System if the former

public agency or political subdivision has merged with or been taken over by a participating department or county. The cost of the service shall be determined as a delayed contribution payment for the respective retirement system. Payment may be made by lump sum or in increments. The payment shall not be picked up, as described in KRS 61.560(4) or KRS 78.610(4), by the employer.

(26) Any employee participating in one (1) of the retirement systems administered by the Kentucky Retirement Systems on or after August 1, 1998, who has at least two hundred forty (240) months of service credit may purchase a combined maximum total of five (5) years of retirement service credit which is not otherwise purchasable under any of the provisions of KRS 16.510 to 16.652, KRS 61.510 to 61.705, and KRS 78.510 to 78.852. The purchase price for the retirement service credit shall be calculated and paid for based on the full actuarial cost as determined by the system. The payment shall not be picked up, as described in KRS 16.545(4), KRS 61.560(4), KRS 78.610(4), by the employer, and the employee's payment shall be paid into the individual member's contribution account in the appropriate retirement system and shall be considered accumulated contributions of the member. Payment by the member may be by lump sum or by increments.

(27) Any employee participating in one (1) of the retirement systems administered by the Kentucky Retirement Systems who has at least forty-eight (48) months of service if age sixty-five (65) or at least sixty (60) months of service if under age sixty-five (65) may purchase service credit for service on a school board, if that service was not covered by a state-administered retirement system. Notwithstanding any statute to the contrary, the employee shall be entitled to a full month of service for each month or portion of a month that the employee occupied the position on the school board. The employee shall pay to the retirement system the full cost of the service purchased, as determined by the board's actuary. The payment shall not be picked up, as described in KRS 16.545(4), 61.560(4), or 78.610(4), by the employer. The payment by the member may be by lump sum or by increments and shall be paid into the individual member's contribution account in the appropriate retirement system. An employee interested in purchasing service on a school board must contract to do so with the systems prior to December 31, 2000.

HB 1032, AN ACT relating to access to information technology.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 61 IS CREATED TO READ AS FOLLOWS:

(1) The General Assembly finds that:

(a) The advent of the information age throughout the United States and around the world has resulted in lasting changes in information access and technology;

(b) Use of interactive video display terminals and other forms of electronic information access (audio, graphic, and text) by state and state assisted organizations is becoming a widespread means of access for employees and the public to obtain information available electronically, but the use of assistive technology for alternative access, especially that of nonvisual access whether by speech, Braille, or other appropriate means have been overlooked in purchasing and deploying the latest information technology;

(c) Presentation of electronic data solely in a visual format or without an alternative means of access is a barrier to access by individuals who are disabled, including those who are blind or visually impaired, or who are deaf and hard of hearing, preventing them from participating on equal terms in major life activities, such as education and employment;

(d) Assistive technology including both software and hardware adaptations, has been created so that interactive control of computers and use of information presented is possible by both visual and nonvisual means; and

(e) The goals of the Commonwealth in obtaining and deploying the most advanced forms of information technology properly include universal access so that segments of society with special needs, including individuals unable to use visual displays, will not be excluded from the information age.

(2) All programs and activities that are supported in whole or in part by public funds shall be conducted in accordance with the following principles:

(a) Individuals with disabilities, including those who are blind or visually impaired, deaf, hard of hearing, or otherwise disabled shall have the right to full participation in life in the Commonwealth, including the use of advanced technology that is provided by the state or state-assisted organizations for use by employees, program participants, and members of the general public; and

HB 1032, AN ACT relating to access to information technology.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 61 IS CREATED TO READ AS FOLLOWS:

(1) The General Assembly finds that:

(a) The advent of the information age throughout the United States and around the world has resulted in lasting changes in information access and technology;

(b) Use of interactive video display terminals and other forms of electronic information access (audio, graphic, and text) by state and state assisted organizations is becoming a widespread means of access for employees and the public to obtain information available electronically, but the use of assistive technology for alternative access, especially that of nonvisual access whether by speech, Braille, or other appropriate means have been overlooked in purchasing and deploying the latest information technology;

(c) Presentation of electronic data solely in a visual format or without an alternative means of access is a barrier to access by individuals who are disabled, including those who are blind or visually impaired, or who are deaf and hard of hearing, preventing them from participating on equal terms in major life activities, such as education and employment;

(d) Assistive technology including both software and hardware adaptations, has been created so that interactive control of computers and use of information presented is possible by both visual and nonvisual means; and

(e) The goals of the Commonwealth in obtaining and deploying the most advanced forms of information technology properly include universal access so that segments of society with special needs, including individuals unable to use visual displays, will not be excluded from the information age.

(2) All programs and activities that are supported in whole or in part by public funds shall be conducted in accordance with the following principles:

(a) Individuals with disabilities, including those who are blind or visually impaired, deaf, hard of hearing, or otherwise disabled shall have the right to full participation in life in the Commonwealth, including the use of advanced technology that is provided by the state or state-assisted organizations for use by employees, program participants, and members of the general public; and

(b) Technology purchased in whole or part with funds provided by the Commonwealth to be used to create, store, retrieve, or disseminate information and intended for use by employees, program participants, and members of the general public shall be accessible to and usable by individuals with disabilities, including those who are blind or visually impaired, deaf or hard of hearing, or otherwise disabled.

(c) Has a medically diagnosed limitation in visual functioning that restricts the individual's ability to read and write standard print at levels expected of individuals of comparable ability;

(4) "Covered entity" means the state or any state-assisted organization;

(5) "Deaf" or "hard of hearing" means persons who have hearing disorders and includes people who cannot hear and understand speech clearly through the ear alone, with or without hearing aids;

HB 939, AN ACT relating to campaign finance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 121 IS CREATED TO READ AS FOLLOWS:

(1) The General Assembly finds and declares that:

  (a) The intent of disclosure of campaign finance information is to make that information about the role of money in politics accessible to the public;

  (b) The volume of campaign finance reports submitted each year to the state renders it virtually impossible, without the help of computer technology, to derive meaningful conclusions from the records;

  (c) Computer automation is a necessary and effective means of transmitting, organizing, storing, and retrieving vast amounts of data submitted by candidates in election campaigns;

  (d) Many candidates already rely upon computer technology for accounting and fundraising purposes and requiring that these candidates and committees submit their campaign finance data electronically would pose no undue hardship to them; and

  (e) Although candidates are currently permitted to file campaign finance reports electronically if they so choose, very few candidates have chosen to do so, and therefore access to campaign finance data through electronic or on-line technology is limited.

(2) The General Assembly enacts this legislation to accomplish the following:

  (a) To improve the existing system of electronic reporting and extend its usage to more candidates;

  (b) To allow concerned persons easy, convenient, and timely access to campaign finance reports submitted to the state;

  (c) To ease the burden on candidates and committees of tabulating, filing, and maintaining public records of financial activity;

  (d) To strengthen both the disclosure and enforcement capabilities of the Registry of Election Finance;

  (e) To cooperate in the standardization of reporting formats among states so that interstate as well as intrastate sources of political money can be known;

  (f) To provide for a fully informed electorate; and

  (g) To help restore public trust in the governmental and electoral institutions of this state.

Section 2. KRS 121.015 is amended to read as follows:

As used in this chapter:

(1) "Registry" means the Kentucky Registry of Election Finance;

(2) "Election" means any primary, runoff primary, regular, or special election to fill vacancies regardless of whether a candidate or slate of candidates is opposed or unopposed in an election. Each primary, runoff primary, regular, or special election shall be considered a separate election;

(3) "Committee" includes the following:

  (a) "Campaign committee," which means one (1) or more persons who receive contributions and make expenditures to support or oppose one (1) or more specific candidates or slates of candidates for nomination or election to any state, county, city, or district office, but does not include an entity established solely by a candidate which is managed solely by a candidate and a campaign treasurer and whose name is generic in nature, such as "Friends of (the candidate)," and does not reflect that other persons have structured themselves as a committee, designated officers of the committee, and assigned responsibilities and duties to each officer with the purpose of managing a campaign to support or oppose a candidate in an election;

  (b) "Political issues committee," which means three (3) or more persons joining together to advocate or oppose a constitutional amendment or public question which appears on the ballot if that committee receives or expends money in excess of one thousand dollars ($1,000);

  (c) "Permanent committee," which means a group of individuals, including an association, committee or organization, other than a campaign committee, political issues committee, inaugural committee, or party executive committee, which is established as, or intended to be, a permanent organization having as a primary purpose expressly advocating the election or defeat of one (1) or more clearly identified candidates, slates of candidates, or political parties, which functions on a regular basis throughout the year;

  (d) An executive committee of a political party; and

  (e) "Inaugural committee," which means one (1) or more persons who receive contributions and make expenditures in support of inauguration activities for any candidate or slate of candidates elected to any state, county, city, or district office;

(4) "Contributing organization" means a group which merely contributes to candidates, campaign committees, or executive committees from time to time from funds derived solely from within the group, and which does not solicit or receive funds from sources outside the group itself. However, any contributions made by the groups in excess of one hundred dollars ($100) shall be reported to the registry;

(5) "Testimonial affair" means an affair held in honor of a person who holds or who is or was a candidate for nomination or election to a political office in this state designed to raise funds for any purpose not charitable, religious, or educational;

(6) "Contribution" means any:

(a) Payment, distribution, loan, deposit, or gift of money or other thing of value, to a candidate, his agent, a slate of candidates, its authorized agent, a committee, or contributing organization. As used in this subsection, "loan" shall include a guarantee, endorsement, or other form of security where the risk of nonpayment rests with the surety, guarantor, or endorser, as well as with a committee, contributing organization, candidate, slate of candidates, or other primary obligor. No person shall become liable as surety, endorser, or guarantor for any sum in any one (1) election which, when combined with all other contributions the individual makes to a candidate, his agent, a slate of candidates, its agent, a committee, or a contributing organization, exceeds the contribution limits provided in KRS 121A.050 or KRS 121.150;

(b) Payment by any person other than the candidate, his authorized treasurer, a slate of candidates, its authorized treasurer, a committee, or a contributing organization, of compensation for the personal services of another person which are rendered to a candidate, slate of candidates, committee, or contributing organization, or for inauguration activities;

(c) Goods, advertising, or services with a value of more than one hundred dollars ($100) in the aggregate in any one (1) election which are furnished to a candidate, slate of candidates, committee, or contributing organization or for inauguration activities without charge, or at a rate which is less than the rate normally charged for the goods or services; or

(d) Payment by any person other than a candidate, his authorized treasurer, a slate of candidates, its authorized treasurer, a committee, or contributing organization for any goods or services with a value of more than one hundred dollars ($100) in the aggregate in any one (1) election which are utilized by a candidate, slate of candidates, committee, or contributing organization, or for inauguration activities;

(7) Notwithstanding the foregoing meanings of "contribution," the word shall not be construed to include:

(a) Services provided without compensation by individuals volunteering a portion or all of their time on behalf of a candidate, committee, or contributing organization;

(b) A loan of money by any financial institution doing business in Kentucky made in accordance with applicable banking laws and regulations and in the ordinary course of business; or

(c) An independent expenditure by any individual or permanent committee;

(8) "Candidate" means any person who has received contributions or made expenditures, has appointed a campaign treasurer, or has given his consent for any other person to receive contributions or make expenditures with a view to bringing about his nomination or election to public office, except federal office;

(9) "Slate of candidates" means any two (2) persons who have filed a joint notification and declaration pursuant to KRS 118.127, received contributions or made expenditures, appointed a campaign treasurer, designated a campaign depository, or given their consent for any other person to receive contributions or make expenditures with a view to bringing about their nomination for election to the offices of Governor and Lieutenant Governor. Unless the context requires otherwise, any provision of law that applies to a candidate shall also apply to a slate of candidates;

(10) "Knowingly" means, with respect to conduct or to a circumstance described by a statute defining an offense, that a person is aware or should have been aware that his conduct is of that nature or that the circumstance exists;

(11) "Fundraiser" means an individual who directly solicits and secures contributions on behalf of a candidate or slate of candidates for a statewide-elected state office or an office in a jurisdiction with a population in excess of two hundred thousand (200,000) residents;~~[and]~~

(12) "Independent expenditure" means the expenditure of money or other things of value for a communication which expressly advocates the election or defeat of a clearly identified candidate or slate of candidates, and which is made without any coordination, consultation, or cooperation with any candidate, slate of candidates, campaign committee, or any authorized person acting on behalf of any of them, and which is not made in concert with, or at the request or suggestion of any candidate, slate of candidates, campaign committee, or any authorized person acting on behalf of any of them;

(13) "Electronic reporting" means the use of technology, having electrical, digital, magnetic, wireless, optical, electromagnetic, or similar capabilities, by which an individual or other entity submits, compiles, or transmits campaign finance reports to the registry, or by which the registry receives, stores, analyzes, or discloses the reports;

(14) "Security procedure" means a procedure employed for the purpose of verifying that an electronic signature, record, or performance is that of a specific person or for detecting changes or errors in the information in an electronic record. The term includes a procedure that requires the use of algorithms or other codes, identifying words or numbers, encryption, or callback or other acknowledgment procedures;

(15) "Electronic signature" means an electronic sound, symbol, or process attached to or logically associated with a record and executed or adopted by a person with the intent to sign the record;

(16) "Filer" means any candidate, committee, or other individual or entity required to submit financial disclosure reports to the registry; and

(17) "Filer-side software" means software provided to or used by the filer that enables transmittal of financial reports to the registry.

All requests for personnel appointments shall be forwarded by the registry directly to the secretary of the Personnel Cabinet and shall be subject to his review and certification only.

(4) The registry shall adopt official forms and perform other duties necessary to implement the provisions of this chapter and KRS Chapter 121A. The registry shall not require the listing of a person's Social Security number on any form developed by the registry. Without limiting the generality of the foregoing, the registry shall:

(a) Develop prescribed forms for the making of the required reports;

(b) Prepare and publish a manual for all candidates, slates of candidates, and committees, describing the requirements of the law, including uniform methods of bookkeeping and reporting, requirements as to reporting dates, and the length of time that candidates, slates of candidates, and committees are required to keep any records pursuant to the provisions of this chapter and KRS Chapter 121A;

2. For each contribution in excess of one hundred dollars ($100) made to a candidate or slate of candidates for a statewide-elected state office, to a campaign committee for a candidate or slate of candidates for a statewide-elected state office, or to an exploratory committee, the date, name, address, occupation, and

(o) Direct and administer the provisions of KRS Chapter 121A.

(5) All policy and enforcement decisions concerning the regulation of campaign finance shall be the ultimate responsibility of the registry. No appointed or elected state officeholder or any other person shall, directly or indirectly, attempt to secure or create privileges, exemptions, or advantages for himself or others in derogation of the public interest at large in a manner that seeks to leave any registry member or employee charged with the enforcement of the campaign finance laws no alternative but to comply with the wishes of the officeholder or person. Registry members and employees shall be free of obligation or the appearance of obligation to any interest other than the fair and efficient enforcement of the campaign finance laws and administrative regulations. It shall not be considered a violation of this subsection for an officeholder or other person to seek remedies in a court of law to any policy or enforcement decision he considers to be an abridgement of his legal rights.

(6) The registry shall:

(a) Develop or acquire a system for electronic reporting for use by individuals and entities required to file campaign finance reports with the registry under this chapter or KRS Chapter 121A. 7. The amount of each contribution.

(d) Make all data specified in paragraph (c) of this subsection available on the Internet no later than ten (10) business days after its receipt by the registry. Any person making an independent expenditure, shall report these expenditures when the expenditures by that person exceed five hundred dollars ($500) in the aggregate in any one (1) election, on a form provided ***or using a format approved*** by the registry and shall sign a statement on the form, under penalty of perjury, that the expenditure was an actual independent expenditure and that there was no prior communication with the campaign on whose behalf it was made.

(2) Except as provided in KRS 121.180(10), the solicitation from and contributions by campaign committees, political issues committees, permanent committees, and party executive committees to any religious, charitable, civic, eleemosynary, or other causes or organizations established primarily for the public good is expressly prohibited; except that it shall not be construed as a violation of this section for a candidate to contribute to religious, civic, or charitable groups.

A contribution made by cashier's check or money order which identifies both the payor and payee shall be treated as a contribution made by check for purposes of the contribution limits contained in this section. No person shall make a cash contribution in excess of fifty dollars ($50) in the aggregate in any one (1) election to a candidate, committee, or contributing organization, nor anyone on their behalf.

(5) No candidate, slate of candidates, committee, contributing organization, nor anyone on their behalf, shall accept any contribution in excess of one hundred dollars ($100) from any person who shall not become eighteen (18) years of age on or before the day of the next general election.

Limits on contributions for slates of candidates for Governor and Lieutenant Governor which may be made or received in any one (1) election shall be governed by the provisions of KRS 121A.050.

(7) Permanent committees or contributing organizations affiliated by bylaw structure or by registration, as determined by the Registry of Election Finance, shall be considered as one (1) committee for purposes of applying the contribution limits of subsection (6) of this section.

(8) No permanent committee shall contribute funds to another permanent committee for the purpose of circumventing contribution limits of subsection (6) of this section.

(9) No person shall contribute funds to a permanent committee, political issues committee, or contributing organization for the purpose of circumventing the contribution limits of subsection (6) of this section.

(10) No person shall contribute more than one thousand five hundred dollars ($1,500) to all permanent committees and contributing organizations in any one (1) year.

(11) No person shall contribute more than two thousand five hundred dollars ($2,500) to the state executive committee of a political party and its subdivisions and affiliates in any one (1) year. Contributions a person makes to a political party in excess of one thousand dollars ($1,000) in any one (1) year shall be deposited in a separate account which the state executive committee maintains for the exclusive purpose of paying administrative costs incurred by the political party.

(12) No person shall make a payment, distribution, loan, advance, deposit, or gift of money to another person to contribute to a candidate, committee, contributing organization, or anyone on their behalf. No candidate, committee, contributing organization, nor anyone on their behalf shall accept a contribution made by one (1) person who has received a payment, distribution, loan, advance, deposit, or gift of money from another person to contribute to a candidate, committee, contributing organization, or anyone on their behalf.

No candidate for any other statewide elected state office shall lend to his committee any amount in excess of twenty-five thousand dollars ($25,000) in any one (1) election. In campaigning for all other offices, no candidate shall lend to his committee more than ten thousand dollars ($10,000) in any one (1) election.

(14) Subject to the provisions of subsection (20) of this section, no candidate or slate of candidates for nomination to any state, county, city, or district office, nor their campaign committees, nor anyone on their behalf, shall solicit or accept contributions for primary election expenses after the date of the primary. No person other than the candidate or slate of candidates shall contribute for primary election expenses after the date of the primary.

(15) Subject to the provisions of subsection (20) of this section, no slate of candidates for nomination for election to the offices of Governor and Lieutenant Governor, nor its campaign committees, nor anyone on their behalf, shall solicit or accept contributions for runoff primary election expenses after the date of the runoff primary. No person other than the slated candidates shall contribute for runoff primary election expenses after the date of the runoff primary.

(16) Subject to the provisions of subsection (20) of this section, no candidate or slate of candidates for any state, county, city, or district office at a regular election, nor their campaign committees, nor anyone on their behalf, shall solicit or accept contributions for regular election expenses after the date of the regular election. No person other than the candidate or slate of candidates shall contribute for regular election expenses after the date of the regular election.

(17) Subject to the provisions of subsection (20) of this section, no candidate or slate of candidates for nomination or election to any state, county, city, or district office, nor their campaign committees, nor anyone on their behalf, shall solicit or accept contributions for special election expenses after the date of the special election. No person other than the candidate or slate of candidates shall contribute for special election expenses after the date of the special election.

(18) Nothing in subsections (14) to (17) of this section shall be deemed to prohibit a slate of candidates from receiving transfers from the election campaign fund established by KRS 121A.020 for which it is eligible for matches of qualifying contributions received prior to the date of the election but for which no transfer from the fund had been made prior to the date of the election.

(19) The provisions of subsections (14) and (16) of this section shall apply only to those candidates in a primary or regular election which shall be conducted subsequent to January 1, 1989. The provisions of subsections (15) and (17) of this section shall apply only to those candidates or slates of candidates in a runoff primary or special election which shall be conducted subsequent to January 1, 1993.

(20) A candidate, slate of candidates, or a campaign committee may solicit and accept contributions after the date of a primary election, runoff primary election, regular election, or special election to defray necessary expenses that arise after the date of the election associated with election contests, recounts, and recanvasses of a specific election, complaints regarding alleged campaign finance violations that are filed with the registry pertaining to a specific election, or other legal actions pertaining to a specific election to which a candidate, slate of candidates, or campaign committee is a party. Reports of contributions received and expenditures made after the date of the specific election shall be made in accordance with KRS

121.180.

(21) No slate of candidates for Governor and Lieutenant Governor or their immediate families shall loan any money, service, or other thing of value to their campaign, and all moneys, services, or other things of value which are loaned shall be deemed a contribution, which may not be recovered by the slate of candidates, except to the extent of a combined total of fifty thousand dollars ($50,000).

(22) No candidate, slate of candidates, committee, except a political issues committee, or contributing organization, nor anyone on their behalf, shall knowingly accept a contribution from a corporation, directly or indirectly.

(23) Nothing in this section shall be construed to restrict the ability of a corporation to administer its permanent committee insofar as its actions can be deemed not to influence an election as prohibited by KRS 121.025.

(24) In addition to the prohibitions set forth in this section, no slate of candidates shall accept any contribution during the twenty-eight (28) days immediately preceding a primary or regular election except as provided in KRS 121A.030(5).

(25) No candidate, slate of candidates, or committee, nor anyone on their behalf, shall solicit a contribution of money or services from a state employee, whether or not the employee is covered by the classified service provisions of KRS Chapter 18A. However, it shall not be a violation of this subsection for a state employee to receive a solicitation directed to him as a registered voter in an identified precinct as part of an overall plan to contact voters not identified as state employees.

(26) (a) A candidate for elective public office, except slates of candidates for Governor and Lieutenant Governor, shall not accept contributions from permanent committees which, in the aggregate, exceed fifty percent (50%) of the total contributions accepted by the candidate in any one (1) election or ten thousand dollars ($10,000) in any one (1) election, whichever is the greater amount. The percentage of the total contributions or dollar amounts of contributions accepted by a candidate in an election that is accepted from permanent committees shall be calculated as of the day of each election. Funds in a candidate's campaign account which are carried forward from one (1) election to another shall not be considered in calculating the acceptable percentage or dollar amount of contributions which may be accepted from permanent committees for the election for which the funds are carried forward. A candidate may, without penalty, contribute funds to his campaign account not later than sixty (60) days following the election so as not to exceed the permitted percentage or dollar amount of contributions which may be accepted from permanent committees or the candidate may, not later than sixty (60) days after the end of the election, refund any excess permanent committee contributions on a pro rata basis to the permanent committees whose contributions are accepted after the aggregate limit has been reached.

(b) The provisions of paragraph (a) of this subsection regarding the receipt of aggregate contributions from permanent committees in any one (1) election shall also apply separately to the receipt of aggregate contributions from executive committees of any county, district, state, or federal political party in any one (1) election.

(27) No candidate or slate of candidates for any office in this state shall accept a contribution, including an in-kind contribution, which is made from funds in a federal campaign account. No person shall make a contribution, including an in-kind contribution, from funds in a federal campaign account to any candidate or slate of candidates for any office in this state.

Section 5. KRS 121.180 is amended to read as follows:

(1) (a) Any candidate, slate of candidates, or political issues committee shall be exempt from filing any preelection finance reports required by subsection (3) of this section or KRS 121A.020(5), whichever is applicable, if the candidate, slate of candidates, or political issues committee chairman files a form prescribed and furnished by the registry stating that contributions will not be accepted or expended in excess of three thousand dollars ($3,000) in any one (1) election to further the candidacy or to support or oppose a constitutional amendment or public question which will appear on the ballot. For a candidate for judicial office who desires to be exempt from filing preelection campaign finance reports as provided in this paragraph, the request for exemption shall be filed by the campaign treasurer of the candidate's campaign committee, but the candidate shall be personally liable for any violation if the campaign treasurer accepts contributions or makes expenditures in excess of the limit and shall be subject to the same penalties as a candidate as provided in subparagraph (l)1. or 2. of this subsection. A separate form shall be required for each primary, runoff primary, regular, or special election in which the candidate or slate of candidates participates or in which the public question appears on the ballot, unless the candidate, slate of candidates, or political issues committee chairman indicates on a request for exemption that the request will be applicable to more than one (1) election. The form shall be filed with the same office with which a candidate or slate of candidates files nomination papers or, in the case of a political issues committee, with the registry.

(b) Any candidate, slate of candidates, or political issues committee shall be exempt from filing any campaign finance reports required by subsections (3) and (4) of this section or KRS 121A.020(5), whichever is applicable, if the candidate, slate of candidates, or political issues committee chairman files a form prescribed and furnished by the registry stating that currently no contributions have been received and that contributions will not be accepted or expended in excess of one thousand dollars ($1,000) in any one (1) election. For a candidate for judicial office who desires to be exempt from filing any campaign finance reports as provided in this paragraph, the request for exemption shall be filed by the campaign treasurer of the candidate's campaign committee, but the candidate shall be personally liable for any violation if the campaign treasurer accepts contributions or makes expenditures in excess of the limit and shall be subject to the same penalties as a candidate as provided in subparagraph (l)1. or 2. of this subsection. A separate form shall be required for each primary, runoff primary, regular, or special election in which the candidate or slate of candidates participates or in which the public question appears on the ballot, unless the candidate, slate of candidates, or political issues committee chairman indicates on a request for exemption that the request will be applicable to more than one (1) election. The form shall be filed with the same office with which a candidate or slate of candidates files nomination papers or, in the case of a political issues committee, with the registry.

(c) For a primary election, a candidate or slate of candidates shall file a request for exemption not later than the deadline for filing nomination papers and, except as provided in subparagraph 2. of paragraph (d) of this subsection, shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline. For a runoff primary election, a slate of candidates shall file its request for exemption not later than five (5) days after the date of the preceding primary election and shall be bound by its terms unless rescinded in writing not later than ten (10) days after the date of the preceding primary election. For a regular election, a candidate or slate of candidates shall file or rescind in writing a request for exemption not later than twenty-five (25) days after the date of the preceding primary election, or runoff primary, if one is held, except as provided in subparagraph 2. of paragraph (d) of this subsection. For a special election, a candidate or slate of candidates shall file a request for exemption not later than ten (10) days after the candidate or slate of candidates is nominated for a special election and shall be bound by its terms unless it is rescinded in writing not later than twenty-five (25) days after the date on which the nomination for a special election is made. A political issues committee chairman shall file a request for exemption not later than ten (10) days after the date on which the committee registers with the registry and shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the date on which the request for exemption is filed.

(d) 1. A candidate or slate of candidates that revokes a request for exemption in a timely manner may exercise the remaining option or may file all reports required of a candidate intending to raise or spend in excess of three thousand dollars ($3,000) in an election. If a candidate or slate of candidates elects to exercise a different option, the candidate or slate of candidates shall file the appropriate form with the officer who received the filing papers of the candidate or slate of candidates not later than the deadline for filing a revocation.

2. A candidate for any city or county office or for any school board office, who is exempted from some or all campaign finance reporting requirements pursuant to paragraph (a) or (b) of this subsection but who accepts contributions or makes expenditures in excess of the exempted amount in an election, shall file all applicable reports required for the remainder of that election, based upon the amount of contributions or expenditures the candidate accepts or receives in that election. The filing of applicable required reports by a candidate after the exempted amount is exceeded shall serve as notice to the registry that the initial exemption has been rescinded. No further notice to the registry shall be required and no penalty for exceeding the initial exempted amount shall be imposed against the candidate, except for failure to file applicable reports required after the exempted amount is exceeded.

(e) Any candidate or slate of candidates that is subject to an August filing deadline and that intends to execute a request for exemption shall file the appropriate request for exemption not later than the filing deadline and, except as provided in subparagraph 2. of paragraph (d) of this subsection, shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline. A candidate or slate of candidates that is covered by this paragraph shall have the same reversion rights as those provided in subparagraph 1. of paragraph (d) of this subsection.

(f) Any candidate or slate of candidates that will appear on the ballot in a regular election that has signed either request for exemption for that election may exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection if a candidate or slate of candidates that is subject to an August filing deadline subsequently files in opposition to the candidate or slate of candidates. Except as provided in subparagraph 2. of paragraph (d) of this subsection, a candidate or slate of candidates covered by this paragraph shall comply with the deadline for rescission provided in subparagraph 1. of paragraph (d) of this subsection.

(g) Except as provided in subparagraph 2. of paragraph (d) of this subsection, any candidate or slate of candidates that has filed a request for exemption for a regular election that later is opposed by a person who has filed a declaration of intent to receive write-in votes may rescind the request for exemption and exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection.

(h) Any candidate or slate of candidates that has filed a request for exemption may petition the registry to determine whether another person is campaigning as a write-in candidate prior to having filed a declaration of intent to receive write-in votes, and, if the registry determines upon a preponderance of the evidence that a person who may later be a write-in candidate is conducting a campaign, the candidate or slate of candidates, except as provided in subparagraph 2. of paragraph (d) of this subsection, may petition the registry to permit the candidate or slate of candidates to exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection.

(i) If the opponent of a candidate or slate of candidates is replaced due to his withdrawal because of death, disability, or disqualification, the candidate or slate of candidates, except as provided in subparagraph 2. of paragraph (d) of this subsection, may exercise the reversion rights provided in subparagraph 1. of paragraph (d) of this subsection not later than fifteen (15) days after the party executive committee nominates a replacement for the withdrawn candidate or slate of candidates.

(j) A person intending to be a write-in candidate for any office in a regular or special election may execute a request for exemption under paragraph (a) or (b) of this subsection and shall be bound by its terms unless it is rescinded in writing not later than fifteen (15) days after the filing deadline for the regular or special election. A person intending to be a write-in candidate who revokes a request for exemption in a timely manner may exercise the remaining exemption option or may file all reports required of a candidate intending to raise or spend in excess of three thousand dollars ($3,000) in an election. Except as provided in subparagraph 2. of paragraph (d) of this subsection, a person intending to be a write-in candidate who elects to exercise a different exemption option shall file the appropriate form with the officer who received the initial request for exemption not later than fifteen (15) days after the filing deadline for the regular or special election.

(k) Except as provided in subparagraph 2. of paragraph (d) of this subsection, the campaign committee of any candidate or slate of candidates that has filed a request for exemption or a political issues committee whose chairman has filed a request for exemption shall be bound by its terms unless it is rescinded in a timely manner and no new request for exemption has been executed.

(l) 1. Except as provided in subparagraph 2. of paragraph (d) of this subsection, any candidate, slate of candidates, or political issues committee that is exempt from filing campaign finance reports pursuant to paragraph (a), (b), (e), or (j) of this subsection that accepts contributions or makes expenditures, or whose campaign treasurer accepts contributions or makes expenditures, in excess of the applicable limit in any one (1) election without rescinding the request for exemption in a timely manner shall comply with all applicable reporting requirements and, in lieu of other penalties prescribed by law, pay a fine of not more than five hundred dollars ($500) plus the amount by which the spending limit was exceeded.

2. Except as provided in subparagraph 2. of paragraph (d) of this subsection, a candidate, slate of candidates, campaign committee, or political issues committee that is exempt from filing campaign finance reports pursuant to paragraph (a), (b), (e), or (j) of this subsection that knowingly accepts contributions or makes expenditures in excess of the applicable spending limit in any one (1) election without rescinding the request for exemption in a timely manner shall comply with all applicable reporting requirements and shall be guilty of a Class D felony.

(2) (a) State and county executive committees shall make a full report, upon a prescribed form, to the registry, of all money, loans, or other things of value, received from any source, and expenditures authorized, incurred, or made, since the date of the last report, including:

1. For each contribution of any amount made by a permanent committee, the name and business address of the permanent committee, the date of the contribution, the amount contributed, and a description of the major business, social, or political interest represented by the permanent committee;

2. For other contributions in excess of one hundred dollars ($100), the full name, address, age if less than the legal voting age, the date of the contribution, the amount of the contribution, and the employer and occupation of each contributor. If the contributor is self-employed, the name under which he is doing business shall be listed;

3. The total amount of cash contributions received during the reporting period; and

4. A complete statement of expenditures authorized, incurred, or made. The complete statement of expenditures shall include the name and address of each person to whom an expenditure is made in excess of twenty-five dollars ($25), and the amount, date, and purpose of each expenditure.

(b) This report shall be in the hands of the registry or postmarked within five (5) days after the thirtieth day following the primary, runoff primary if slates of candidates of that party participate, and regular elections. If an individual gives a reportable contribution to a state or county executive committee with the intention that the contribution or a portion of the contribution go to a candidate or slate of candidates, the name of the contributor and the sum shall be indicated on the committee report. The receipts and expenditures of funds remitted to each political party under KRS 141.071 to 141.073 shall be separately accounted for and reported to the registry in the manner required by KRS 121.230. The separate report may be made a separate section within the report required, by this subsection, to be in the hands of the registry or postmarked within five (5) days after the thirtieth day following each regular election.

(3) (a) Except for candidates or slates of candidates, campaign committees, or political issues committees exempted from

reporting requirements pursuant to subsection (1) of this section, each campaign treasurer of a candidate, slate of candidates, campaign committee, or political issues committee who accepts contributions or expends, expects to accept contributions or expend, or contracts to expend more than three thousand dollars ($3,000) in any one (1) election, and each fundraiser who secures contributions in excess of three thousand dollars ($3,000) in any one (1) election, shall make a full report[~~, upon a prescribed form,~~] to the registry, ***on a form provided or using a format approved by the registry,*** of all money, loans, or other things of value, received from any source, and expenditures authorized, incurred, and made, since the date of the last report, including:

(13) Notwithstanding the provisions of this section, upon the filing of a sworn statement by a filer which states that the filer does not have access to the technology needed to comply with the electronic filing requirements of this section and that filing the statement without that technology would constitute a substantial hardship for the filer, the registry may issue a one-time exemption from the electronic filing requirement of this section.

(14) Filers specified in subsection (12) of this section shall also continue to file required campaign finance reports in paper format until the registry deems it is no longer necessary. The paper copy shall continue to be the official version for audit and other legal purposes.

In the case of County Employees Retirement System membership, the pension contribution on the supplement shall be paid whether the officer enters the system under hazardous duty coverage or nonhazardous coverage. The local unit of government shall pay the amount received for retirement coverage to the appropriate retirement system to cover the required employer contribution on the pay supplement. Should the foundation program funds be insufficient to pay employer contributions to the system, then the total amount available for pension payments shall be prorated to each eligible government so that each receives the same percentage of required pension costs attributable to the cash salary supplement.

(2) Each qualified police officer, whose local government receives a supplement pursuant to subsection (1) of this section, shall be paid by the local government the supplement which his qualifications brought to the local government. The supplement paid each police officer shall be in addition to his regular salary.

(3) (a) Each qualified sheriff who receives the maximum salary allowed by Section 246 of the Kentucky Constitution and KRS 64.527 shall not receive a supplement.

(b) Each qualified sheriff who does not receive the maximum salary allowed by Section 246 of the Kentucky Constitution and KRS 64.527, excluding the expense allowance provided by KRS 70.170, shall upon final settlement with the fiscal court under KRS 134.310, receive that portion of the supplement that will not cause his compensation to exceed the maximum salary.

(c) Each qualified sheriff who seeks to participate in the fund shall forward a copy of the final settlement prepared under KRS 134.310 to the fund. The sheriff shall reimburse the fund if an audit of the final settlement conducted pursuant to KRS 134.310 reflects that the sheriff received all or a portion of the supplement in violation of this section. A sheriff who fails to provide a copy of the final settlement to the fund or to reimburse the fund after correction by audit, if required, shall not be qualified to participate in the fund for a period of two (2) years.

(d) Each qualified deputy sheriff shall receive the supplement from the sheriff if the sheriff administers his own budget or from the county treasurer if the sheriff pools his fees. Section 4. KRS 42.190 is amended to read as follows:

(1) On June 1, 1982, and then on or before the first day of each December, March, June, and September thereafter, the cabinet shall request in writing of the administrator of the Firefighters Foundation Program fund, which is established by KRS 95A.220, and of the administrator of the Law Enforcement Foundation Program fund, which is established by KRS 15.430, cost projections of their respective funds for the next quarter. Based on these projections, the cabinet shall determine the proportionate share of total insurance premium surcharge proceeds, prescribed in KRS 136.392, to accrue to each fund. ***The cabinet shall not consider the Kentucky State Police participation as a factor in determining the proportionate share of total insurance premium surcharge proceeds for each fund.***

CAPITAL PROJECTS BUDGET PROVISIONS FOR PART II, CAPITAL PROJECTS

1. All appropriations to existing line-item capital construction projects expire on June 30, 2000, unless reauthorized in this Act with the following exceptions: (1) a construction contract for the project shall have been awarded by June 30, 2000; (2) permanent financing or a short-term line of credit sufficient to cover the total authorized project scope shall have been obtained in the case of projects authorized for bonds; (3) grant or loan agreements, if applicable, shall have been finalized and properly signed by all necessary parties. Notwithstanding the criteria set forth in this section, the disposition of 1998-2000 appropriated maintenance pools shall remain subject to the provisions of KRS 45.770(4)(c) and (d). Purchases of major items of equipment require reauthorization if a purchase order has not been executed by June 30, 2000.

2. Bond projects authorized for the first time in this section which have debt service supported by state General Fund appropriations are authorized in the first year of the biennium and a partial amount of the annual debt service required has been provided so that preliminary work on the projects may proceed. The full amount of annualized debt service has been included at the beginning of fiscal year 2001-2002. Therefore, the sale of any permanent bonds to finance these projects shall occur after January 1, 2001.

3. If any authorized capital construction or major equipment projects are canceled, any General Fund appropriated

debt service for those same projects shall lapse to the credit of the General Fund.

4. Notwithstanding the provisions of KRS 45.750 to 45.782, the General Assembly has determined that certain individual capital projects identified in this Act as eligible for funding from the Emergency Repair, Maintenance and Replacement Fund or the Deferred Maintenance Fund require a direct appropriation from the Emergency Repair, Maintenance and Replacement Fund and that certain projects require a direct appropriation from the Deferred Maintenance Fund in this Act. KRS 45.782 notwithstanding, certain of the Deferred Maintenance projects identified in Part II of this Act exceed $400,000 each.

5. Investment income earned from bond proceeds beyond that which is required to satisfy Internal Revenue Service arbitrage rebates and penalties and excess bond proceeds upon the completion of a bond financed capital project may be used to pay debt service according to the Internal Revenue Service Code and accompanying regulations. Notwithstanding the provisions of KRS 48.720, KRS 48.010, or any section of this Act, any funds appropriated but not required to pay debt service because of this fund source substitution shall be credited to the Deferred Maintenance Pool Account each year. Unneeded debt service resulting due to any other circumstance shall lapse in accordance with KRS 48.720, KRS 48.010, and other provisions of this Act except for the following: if the fund balance in the Emergency Repair, Maintenance and Replacement Fund falls below $5,000,000 in fiscal year 2000-2001, any debt service lapse necessary to bring the fund balance to $5,000,000 shall be credited to the Emergency Repair, Maintenance and Replacement Fund. If the Emergency Repair, Maintenance and Replacement Fund remains at $5,000,000 or above, the first $2,000,000 in fiscal year 2000-2001 in debt service lapse shall be deposited to the statutory Deferred Maintenance Pool Account. No transfer to the Emergency Repair, Maintenance and Replacement Fund or the Deferred Maintenance Pool shall be made based on the above provisions if the lapse from other General Fund accounts is insufficient to meet appropriations approved in other parts of this Act.

6. Investment income earned from funds credited to the Technology Trust Fund account in the Finance and Administration Cabinet shall accrue to the Capital Construction and Equipment Purchase Contingency Account established in KRS 45.770.

7. The Council on Postsecondary Education subheading in this Part includes a project entitled "Agency Bond Pool." For the Agency Bond Pool, $35,000,000 in projects are authorized to be funded from Restricted Funds-supported bonds. This pool provides funding for individual projects to be recommended by the Council on Postsecondary Education to the Secretary of the Finance and Administration Cabinet from the project listings previously identified and recommended by the Council for funding in the 2000-2002 biennium.

The provisions of KRS 45.750 to 45.816 notwithstanding, capital construction projects at institutions of higher education involving no state or federal funds may be authorized between regular sessions of the General Assembly if the projects receive prior approval from both the Council on Postsecondary Education and the Secretary of the Finance and Administration Cabinet, and the Capital Projects and Bond Oversight Committee receives prior notification.

8. Before any economic development bonds are issued, the proposed bond issue shall be approved by the Secretary of the Finance and Administration Cabinet and the State Property and Buildings Commission under the provisions of KRS 56.440 to 56.590. In addition to the terms and conditions of KRS 154.12-100, administration of the Economic Development Bond program by the Secretary of the Cabinet for Economic Development is subject to the following guideline: project selection shall be documented when presented to the Secretary of the Finance and Administration Cabinet. Included in the documentation shall be the rationale for selection and expected economic development impact.

9. Inasmuch as the identification of specific projects in a variety of areas of the state government cannot be ascertained with absolute certainty at this time, amounts are appropriated for specific purposes to projects which are not individually identified in this Act in the following areas: Repair of State-Owned Dams, Land Acquisition, Property Demolition, Guaranteed Energy Savings projects, Purchase of Agricultural Conservation Easements (PACE), Phase I Tobacco Settlement Agricultural Development Initiative, Economic Development projects, Infrastructure projects, Employment Services Facilities projects authorized in Part IX of this Act, Asbestos Abatement projects, Technology Trust Fund projects, systems, and initiatives authorized in Part III of this Act, and the Council on Postsecondary Education Agency Bond Pool and Capital Renewal and Maintenance Pool. Any projects estimated to cost over $400,000 and equipment estimated to cost over $100,000 shall be reported to the Capital Projects and Bond Oversight Committee. All moneys transferred to the Finance and Administration Cabinet for capital construction from any appropriations, including income from investments, shall be expended, accounted for, and otherwise treated in the same manner as funds appropriated directly to the Finance and Administration Cabinet for capital construction.

10. The Council on Postsecondary Education subheading in this Part includes a project entitled “Capital Renewal and Maintenance Pool.” For the Capital Renewal and Maintenance Pool, $60,000,000 in projects are authorized to be funded from $30,000,000 in General Fund supported bonds and matched with $30,000,000 in Restricted Funds. This pool provides funding for individual projects to be recommended by the Council on Postsecondary Education to the Secretary of the Finance and Administration Cabinet from the project listings previously identified and recommended by the Council for funding in the 2000-2002 biennium. Council recommendations may include groupings of projects such as “Life Safety Projects in E&G Buildings.” However, if such groupings do not constitute a single construction project, any individual subproject exceeding $400,000 must be separately identified.

The Council on Postsecondary Education subheading in this Part includes a project entitled “Equipment Replacement Pool.” For the Equipment Replacement Pool $20,000,000 in projects are authorized to be funded from General Fund supported bonds. Allocations from the pool will be determined by the Council, based on the proportional institutional expenditures for instruction and research. Institutions will be required to match research, but not instructional, equipment on a dollar-for-dollar basis. Council recommendations for funding from the pool will be made to the Secretary of the Finance and Administration Cabinet.

11. The General Fund amount of $75,000 authorized in 1998 Kentucky Acts, Chapter 615, Part II (House Bill 321) for the Estill County Board of Education Swimming Pool renovation is reauthorized in fiscal year 2000-2001 and shall be redirected to finance other initiatives.

All receipts of Restricted Funds shall be deposited in the State Treasury and credited to the proper account as provided in KRS Chapters 12, 42, 45, and 48.

The sources of Federal Funds appropriations in this Act shall include federal subventions, grants, contracts, or other Federal Funds received, income from investments, and other miscellaneous federal receipts received by a budget unit, except as otherwise provided, for the purposes, use, and benefit of the budget unit as authorized by law. All Federal Funds receipts shall be deposited in the State Treasury and credited to the proper account as provided in KRS Chapters 12, 42, 45, and 48.

2. If receipts received or credited to the Restricted Funds accounts or Federal Funds accounts of a budget unit during fiscal year 2000-2001 or fiscal year 2001-2002, and any balance forwarded to the credit of these same accounts from the previous fiscal year, exceed the appropriation made by specific sum for these accounts of the budget unit as provided in Part I, Operating Budget, of this Act for the fiscal year in which the excess occurs, the excess funds in the accounts of the budget unit shall become available for expenditure for the purpose of the account during the fiscal year only upon compliance with the conditions and procedures specified in KRS 48.400 to 48.800 and this Act, and with the authorization of the State Budget Director of the Office of State Budget Director and approval of the Secretary of the Finance and Administration Cabinet.

3. Except as otherwise provided in KRS 48.630(9) and (10) and in this Act, a budget unit may requisition for expenditure from its Restricted Funds accounts or Federal Funds accounts, through the Finance and Administration Cabinet, during the fiscal year ending June 30, 2001, and during the fiscal year ending June 30, 2002, all receipts placed to the credit of its funds accounts in each respective year, in addition to any balance which the budget unit may have had forwarded from the preceding year on or before August 31, of the then current fiscal year, by the Finance and Administration Cabinet.

On or before the beginning of each fiscal year, and, if applicable, during each fiscal year, each budget unit shall document and submit to the Finance and Administration Cabinet, the Governor's Office for Policy and Management, and the Legislative Research Commission a record of Restricted Funds and Federal Funds for each budget unit showing the most current estimates of receipts by sources and expenditures by uses, a comparative statement of any revised estimated receipts and proposed expenditures with appropriation sums specified in the enacted Budget of the Commonwealth, and statements which explain the cause, source, and use for a variance which may exist.

Each budget unit shall submit its reports in print and electronic format consistent with the Restricted Funds and Federal

4. Funds appropriated in this Act shall not be expended for any purpose not specifically authorized by the General Assembly in this Act nor shall funds appropriated in this Act be transferred to or between any cabinet, department, board, commission, institution, agency, or budget unit of state government unless specifically authorized by the General Assembly in this Act and the provisions of KRS 48.400 to 48.800. Compliance with the provisions of this subsection shall be reviewed and determined by the Interim Joint Committee on Appropriations and Revenue.

5. No state agency, cabinet, department, office, or program shall incur any obligation against the General Fund or Road Fund appropriations contained in this Act unless the obligation may be reasonably determined to have been contemplated in the enacted budget and is based upon supporting documentation considered by the General Assembly, legislative and executive records, and the statutory budget memorandum.

6. Any General Fund or Road Fund appropriation made in anticipation of a lack, loss, or reduction of Federal Funds shall lapse to the General Fund or Road Fund Surplus Account respectively to the extent the Federal Funds otherwise become available.

Proposed revisions to an appropriation contained in the enacted State/Executive Budget or allotment of an unbudgeted appropriation shall conform to the conditions and procedures of KRS 48.630 and this Act.

Notwithstanding KRS 48.630(3), (4), and (5), any proposed and recommended actions to increase appropriations for funds specified in Section 3 of this Part shall be scheduled consistent with the timetable contained in that section in order to provide continuous and timely budget information.

10. Allotments within appropriated sums for the activities and purposes contained in the enacted State/Executive Budget shall conform to KRS 48.610 and may be revised pursuant to KRS 48.605 and this Act.

11. All statutory continuing appropriations in existence at the time this Act takes effect are discontinued and suspended by this Act except as provided by Chapters 42, 96A, 164, 183, 278, and 441 of the Kentucky Revised Statutes. All statutes and portions of statutes in conflict with any of the provisions of this Section, to the extent of the conflict, are suspended, unless otherwise provided by this Act.

12. Except as otherwise explicitly authorized by this Act, nothing in this Act shall be construed to repeal any appropriation made herebefore or hereafter for the fiscal year ending June 30, 2000, and nothing in this Act is to be construed as amending or altering the provisions of Chapters 42, 45, and 48 of the Kentucky Revised Statutes pertaining to the duties and powers of the Secretary of the Finance and Administration Cabinet except as otherwise provided in this Act.

13. All questions that arise in interpreting any appropriation in this Act as to the purpose or manner for which the appropriation may be expended shall be decided by the Secretary of the Finance and Administration Cabinet pursuant to KRS 48.500, and the decision of the Secretary of the Finance and Administration Cabinet shall be final and conclusive.

14. The State Budget Director shall cause the Governor's Office for Policy and Management, within sixty (60) days upon adjournment of the 2000 Regular Session of the General Assembly, to publish a final enacted budget document, styled the Budget of the Commonwealth, based upon the recommended State/Executive Budget, Judicial Budget, and Legislative Budget as enacted by the 2000 Regular Session of the General Assembly as well as other Acts which contain appropriation provisions for the 2000-2002 biennium, and based upon supporting documentation and legislative records as considered by the 2000 Regular Session of the General Assembly and the statutory budget memorandum. This document shall include for each agency and budget unit a consolidated budget summary statement of available regular and continuing appropriated revenue by fund source, corresponding appropriation allocations by program or subprogram as appropriate, budget expenditures by principal budget class and for the State/Executive Budget, any other fiscal data and commentary considered necessary for budget execution by the Governor's Office for Policy and Management and oversight by the Interim Joint Committee on Appropriations and Revenue. The enacted State/Executive Budget shall be revised or adjusted only upon approval by the Governor's Office for Policy and Management as provided in each part of this Act and by KRS 48.400 to 48.800, and upon review and action by the Interim Joint Committee on Appropriations and Revenue.

15. Pursuant to KRS 48.400, the Secretary of the Finance and Administration Cabinet shall monitor and report on the financial condition of the Commonwealth.

16. The Secretary of the Finance and Administration Cabinet is authorized to establish a system or formula or a combination of both for prorating the administrative costs of the Finance and Administration Cabinet, the Department of

Treasury, and the Office of the Attorney General relative to the administration of programs in which there is joint participation by the state and federal governments for the purpose of receiving the maximum amount of participation permitted under the appropriate federal laws and regulations governing the programs. The receipts and allotments under this section shall be reported to the Interim Joint Committee on Appropriations and Revenue prior to any transfer of funds.

17. The Secretary of the Transportation Cabinet shall use Road Fund resources to meet the lease rental payments to the Kentucky Turnpike Authority for Resource Recovery Road projects in the amount certified by the Secretary of the Transportation Cabinet. However, if Road Fund resources are not sufficient to meet lease rental payments, the additional amount required for meeting lease rental payments as certified by the Secretary of the Transportation Cabinet under KRS 143.090 shall be transferred from coal severance tax receipts to meet the obligation.

18. Nothing in this Act shall be construed to confirm or ratify, under KRS 12.027 or 12.028, any executive reorganization order unless the executive order was confirmed or ratified by appropriate amendment to the Kentucky Revised Statutes in another Act of the 2000 Regular Session of the General Assembly. If any executive reorganization order issued from sine die adjournment of the 1998 Regular Session to sine die adjournment of the 2000 Regular Session is not confirmed by the 2000 Regular Session of the General Assembly, the Secretary of the Finance and Administration Cabinet shall, in consultation with agency heads and with notification to the Legislative Research Commission, transfer the balance of funds for any affected program or function for fiscal year 1999-2000 and any related appropriations and funds for each of the next two fiscal years from the budget unit in which the program or function was placed by the executive reorganization order to the budget unit in which the program or function resided prior to the reorganization action or in which it was placed by action of the 2000 Regular Session of the General Assembly. The Legislative Research Commission shall forward the documentation to the appropriate committees.

19. Notwithstanding KRS 48.705(2), there shall be no General Fund surplus revenue receipts or unexpended balances of appropriations deposited in the Budget Reserve Trust Fund Account for fiscal year 2000-2001 or fiscal year 2001-2002 except as otherwise provided in this Act. Existing funds in the account in an amount specified in this Act may be used as provided otherwise in this Act or as designated in Part VI, General Fund Budget Reduction Plan, if General Fund receipts during fiscal year 2000-2001 or fiscal year 2001-2002 are not sufficient to meet the level of General Fund appropriations included in biennial budget bills or any enactment by the 2000 General Assembly which contains an appropriation provision.

20. Notwithstanding KRS 61.565, the employer contribution rate for the Kentucky Employees Retirement System from July 1, 2000, through June 30, 2002, shall be no more than 5.89 percent for nonhazardous duty employees and 18.84 percent for hazardous duty employees; for the same period, the employer contribution for employees of the State Police Retirement System shall be no more than 21.58 percent.

22. By October 15, 2001, the Finance and Administration Cabinet shall provide to each branch of government detailed estimates for the General Fund and Road Fund for the current and next two fiscal years of the revenue loss effected by tax expenditures. The Revenue Cabinet shall provide assistance and furnish data which is not restricted by KRS 131.190. "Tax expenditure" means an exemption, exclusion, or deduction from the base of a tax, a credit against the tax, a deferral of a tax, or a preferential tax rate. The estimates shall include for each tax expenditure the amount of revenue loss, a citation of the legal authority for the tax expenditure, the year in which it was enacted, and the tax year in which it became effective.

23. Any appropriation item and sum in Part I to Part XI of this Act and in an appropriation provision in another Act of the 2000 Regular Session which constitute a duplicate appropriation shall be governed by KRS 48.312.

24. KRS 48.313 shall control when a total or subtotal figure in this Act conflicts with the sum of the appropriations of which it consists.

25. Appropriation items and sums in Part I to Part XI of this Act shall conform to KRS 48.311. If any section, any subsection, or any provision is found by a court of competent jurisdiction in a final, unappealable order to be invalid or unconstitutional, the decision of the courts shall not affect or impair any of the remaining sections, subsections, or provisions.

26. It is the intent of the General Assembly that the Executive Branch implement actions necessary to achieve cost savings as intended, authorized, and directed by 1998 Kentucky Acts, and 1998 House Bill 321 (1998 Ky. Acts ch. 615, Part X), by authorizing the Executive Branch, within the limitations provided for in this Act, to transfer General Fund appropriation amounts related to Technology Trust Fund savings from one budget unit to another budget unit solely within the Cabinets for Families and Children, Finance and Administration, Health Services, Justice, Natural Resources and Environmental Protection, and Workforce Development, and the Department of Education. Any transfer of General Fund appropriation amounts related to Technology Trust Fund savings from one budget unit to another budget unit shall be made only within each specified Cabinet and the Department of Education and shall be limited to the General Fund cost savings amounts identified in the 2000-2002 agency budget request and executive records. The Secretary of any of the specified cabinets and the Commissioner of the Department of Education may submit requests to the State Budget Director of the Governor's Office for Policy and Management for the transfer of General Fund appropriation authority. Such requests shall specify the need for the transfer of General Fund appropriation authority and the manner in which such a transfer would better achieve the General Fund cost savings. Any transfers made under this provision for any of the cabinets identified above or the Department of Education shall result in no change to the total value of the General Fund cost savings amounts as identified in the agency budget request records recommendation and executive

records for the individual cabinets specified above or the Department of Education. Any transfer made under this provision shall be made pursuant to KRS 48.500 and shall be reported, in writing, to the Interim Joint Committee on Appropriations and Revenue.

27. For fiscal year 2000-2001 and fiscal year 2001-2002, the first $6,000,000 of any unclaimed prize money held in the corporate operating account of the Kentucky Lottery Corporation shall be added to the pool from which future prizes are to be awarded or used for special prize promotions, and any amount in excess of $6,000,000 shall be transferred to the Affordable Housing Trust Fund established by KRS 198A.710.

28. Notwithstanding the provisions in Parts I, II, IX, or X of this Act, the amount from the undesignated fiscal year 2000-2001 General Fund balance (General Fund Surplus Account, KRS 48.700) that is carried forward to fiscal year 2001-2002 for budgeted purposes shall be specified in the statutory budget memorandum. This amount may be adjusted in accordance with KRS 48.120(3).

29. Notwithstanding KRS 142.311(2), the dispensing or delivering of outpatient prescription drugs in this state shall be taxed at the rate of fifteen cents ($0.15) per prescription for which any initial payment is received after June 30, 1999, through June 30, 2000. There shall be no tax on outpatient prescriptions after June 30, 2000.

30. Notwithstanding any provision of the Kentucky Revised Statutes to the contrary, to the extent that any governmental agency purchases motor vehicle liability insurance, sovereign immunity shall be waived to the extent of the insurance coverage.

31. (a) The Technology Trust Fund is the Technology Trust Fund established by the 1996 Ky. Acts ch. 380, Part X, to empower Kentucky state government through technology and redesigned business systems. The provisions of this Section apply to that Technology Trust Fund and any additional amounts made available and appropriated to it by the 1998 Regular Session in House Bill 321 (1998 Ky. Acts ch. 615, Part X). The General Assembly has determined that the provisions of this Section shall apply to all General Fund appropriations to the Technology Trust Fund originally authorized and appropriated by the 1996 Ky. Acts ch. 380, Part X and renewed and expanded by the 1998 Kentucky Acts and House Bill 321 (1998 Ky. Acts ch. 615, Part X).

(b) Appropriations allotted from the Technology Trust Fund for each project, initiative, or system, as well as all other associated resources made available from regular appropriations for the same purpose from a budget unit shall be transferred and credited to, and accounted for and expended from a discrete account established for the individual project, initiative, or system item.

(c) In addition to the General Fund appropriations for the Technology Trust Fund, Restricted Funds, Federal Funds, the Road Fund, private funds, and any matching fund appropriations required are appropriated in support of the projects and priorities identified by the Redesign Steering Committee. However, KRS 45.760(14), 45.770, 45.780, and 45.800 notwithstanding, no funds from the Emergency Repair, Maintenance and Replacement Account shall be used for Technology Trust Fund projects, systems, or initiatives. Allocations from the Capital Construction and Equipment Purchase Contingency Account may be used for Technology Trust Fund projects and systems, but notwithstanding KRS 45.770 and 45.800, the total amount of allocations from the Account for Technology Trust Fund projects and systems shall not exceed $2,500,000.

32. The fund sources and appropriation amounts relating to the Transportation Cabinet contained in House Bill 502, as introduced and adjusted by the House Appropriations and Revenue Committee action, are reserved in reports and measures pertaining to the House Committee Substitute for House Bill 502, pending further action on the State/Executive Branch Budget Bill by the Committee and the House of Representatives.

33. The Kentucky Revenue Cabinet may enter into discussions with states regarding development of a multi-state, voluntary, streamlined system for sales and use tax which would have the capability to determine the taxability of a transaction and provide a method for collecting and remitting the taxes to the state. The system may provide compensation for the costs of collecting and remitting sales and use taxes. Following these discussions, the Cabinet may proceed to issue a Joint Request for Information.

The Cabinet may participate in a sales tax pilot project with other states and selected businesses to test means for simplifying sales and use tax administration and may enter into joint agreements for this purpose, subject to the following conditions.

(a) Agreements to participate in the test shall establish provisions for the administration, imposition and collection of sales and use taxes resulting in revenues paid that are the same as would be paid under KRS Chapter 139.

(b) Parties to the agreements are excused from complying with the provisions of KRS Chapter 45A to the extent a different procedure is required by the agreements.

(c) Agreements authorized under this Section, if any, shall terminate no later than December 31, 2001.

Return information submitted to any party or parties acting for and on behalf of the state shall be treated as confidential taxpayer information. Disclosure of confidential information necessary under any agreement shall be pursuant to a written agreement between the Cabinet and other party or parties. Other party or parties shall be bound by the same requirements of confidentiality as the Cabinet under KRS 131.190.

By March 1, 2001, the Cabinet shall report to the Governor and the Legislative Research Commission on the status of multi-state discussions and, if a proposed system is agreed upon by participating states, shall also recommend whether the state should participate in the system.

PART IV

A copy of records, certifications, and actions authorized in this section shall be provided to the Interim Joint Committee on Appropriations and Revenue on a monthly basis.

3. Pursuant to KRS 18A.355, an increment of five percent (5%) is provided in both fiscal year 2000-2001 and fiscal year 2001-2002 on the base salary or wages of each eligible state employee on their anniversary date.

4. Effective July 1 of each year of the 2000-2002 biennium, the base salary or wage of each state employee that is not in initial probationary status shall be no less than 105 percent of the entry level salary or wage for the grade assigned to each employee's job classification.

The individual appropriation units defined in Part I of this Act include funds to implement the above provisions of the Wage Equity Plan.

On July 1, 2000, classifications that have been determined by the Personnel Cabinet to be five pay grades too low will be raised three pay grades, classifications that are four pay grades too low will be raised two pay grades, and classifications that are three grades too low will be raised one pay grade. Employees that are paid less than 105 percent of the entry level salary or wage shall receive a pay raise to bring their salary or wage to 105 percent of the entry level salary or wage.

3. The Secretary of the Finance and Administration Cabinet shall determine, within thirty (30) days after the close of fiscal year 1999-2000, and the close of fiscal year 2000-2001, based on the official financial records of the Commonwealth, the amount of actual General Fund undesignated fund balance for the General Fund Surplus Account that may be available for expenditure pursuant to the Plan respectively in fiscal year 2000-2001 and fiscal year 2001-2002.

The Secretary of the Finance and Administration Cabinet shall certify the amount of actual General Fund undesignated fund balance available for expenditure to the Legislative Research Commission.

4. To the extent that projects are enumerated in the priority ranking and sufficient General Fund moneys are not certified to be available for expenditure and appropriation in fiscal year 2000-2001, the remaining projects in the same priority order set forth in this Part are appropriated from the actual General Fund undesignated fund balance for the General Fund Surplus Account effective July 1, 2001, for fiscal year 2001-2002.

5. Individual project priority rankings have been established as follows:

PART XI

PHASE I TOBACCO SETTLEMENT

This section of the Act prescribes the policy implementing aspects of the national settlement agreement between the tobacco industry and the collective states as anticipated by the 1998 Regular Session of the General Assembly in House Bill 321, Part III, item 29. In furtherance of that agreement, the General Assembly recognizes that the Commonwealth of Kentucky is a party to the Phase I Master Settlement Agreement (MSA) between the Participating Tobacco Manufacturers and 40 Settling States which provides reimbursement to states for smoking related expenditures made over time.

1. The Commonwealth's share of the MSA is equal to 1.7611586% of the total settlement amount. Payments under the MSA are to be made to the states in January and April of each year. The Commonwealth has already received the first such payment from which no funds have been expended pursuant to the policy set forth by the 1998 General Assembly.

2. The total settlement amount to be distributed each payment date is subject to change pursuant to several variables provided in the MSA, including inflation adjustments, volume adjustments, and previously settled states adjustments.

3. The General Assembly has determined that it shall be the policy of the Commonwealth that all Phase I Tobacco Settlement funds shall be deposited to the credit of the General Fund and shall maintain a distinct identity as Phase I Tobacco Settlement funds that shall not lapse to the credit of the General Fund surplus, but shall continue forward from each fiscal year to the next fiscal year to the extent that any balance is unexpended.

4. Based on the current estimates as reviewed by the Consensus Revenue Forecasting Group, the amount of MSA payments expected to be received in fiscal year 1999-2000 is $137,800,000. It is recognized that payments to be received by the Commonwealth are estimated and are subject to change. Any appropriations made from the estimated receipts are subject to adjustments based on actual receipts as received and certified by the Secretary of the Finance and Administration Cabinet.

5. From the estimated $137,800,000 in fiscal year 1999-2000 the General Assembly directs the following:

a. Fifty percent (50%) of the MSA payments received in fiscal year 1999-2000, which is estimated to be $68,900,000, is credited in fiscal year 1999-2000 to the General Fund Surplus Account.

(1) Eighty-three and thirty-three hundredths percent (83.33%) of this amount shall be dedicated to the Endowment Program of the Research Challenge Trust Fund of the Council on Postsecondary Education as specified in Part IX of this Act.

(2) Sixteen and sixty-seven hundredths percent (16.67%) of this amount shall be dedicated to the Endowment Program of the Regional University Excellence Trust Fund of the Council on Postsecondary Education as specified in Part X of this Act.

b. Fifty percent (50%) of the MSA payments received in fiscal year 1999-2000, which is estimated to be $68,900,000, is appropriated in fiscal year 2000-2001 to the Rural Development Fund attached to the Governor's Office for Agriculture Policy to be used for agricultural development initiatives pursuant to enabling legislation to be considered by the 2000 General Assembly.

(1) Of this amount, $40,000,000 shall be designated and reserved to ensure that recipients of payments from the National Tobacco Grower Settlement Trust (Phase II Settlement) in calendar years 2000 and 2001 are compensated at a level

not less than the compensation received from the Phase II Settlement in calendar year 1999.

6. It is estimated that MSA Phase I Tobacco Settlement Funds amounting to $101,100,000 in fiscal year 2000-2001 and $121,600,000 in fiscal year 2001-2002 will be received and available for appropriation.

a. Twenty-five percent (25%) of the MSA payments received in fiscal year 2000-2001, estimated to be $25,275,000, and in fiscal year 2001-2002, estimated to be $30,400,000, is appropriated to the Early Childhood Development Fund which is proposed to be established by enabling legislation in the Governor's Office for Early Childhood Development to be used for early childhood development initiatives. The Fund will be administered by a board to be established by enabling legislation.

b. Twenty-five percent (25%) of the MSA payments received in fiscal year 2000-2001, estimated to be $25,275,000, and in fiscal year 2001-2002, estimated to be $30,400,000, is appropriated to the Kentucky Health Care Improvement Fund which is proposed to be established by enabling legislation in the Department of Insurance to be used for health care initiatives. The Fund will be administered by a board to be legislatively established.

(1) Of these amounts, twenty percent (20%), estimated to be $5,055,000 in fiscal year 2000-2001 and $6,080,000 in fiscal year 2001-2002, shall be dedicated to a lung cancer research program. The appropriation for this initiative is contained within the appropriation amount for the Council on Postsecondary Education in Part I of the Act and is subject to approval by the board.

(2) Of these amounts, ten percent (10%), estimated to be $2,527,500 in fiscal year 2000-2001 and $3,040,000 in fiscal year 2001-2002, shall be dedicated to a smoking prevention program to be administered by the Department for Public Health in the Cabinet for Health Services. The appropriation for this initiative is contained within the appropriation amount for the Department for Public Health in the Cabinet for Health Services in Part I of the Act and is subject to approval by the board.

(3) Of these amounts, seventy percent (70%), estimated to be $17,692,500 in fiscal year 2000-2001 and $21,280,000 in fiscal year 2001-2002, shall be dedicated to a health insurance program for high cost individuals to be administered by the Department of Insurance in the Public Protection Cabinet. The appropriation for this initiative is contained within the appropriation amount for the Department of Insurance in the Public Protection Cabinet in Part I of the Act and is subject to approval by the board.

c. Fifty Percent (50%) of the MSA payments received in fiscal year 2000-2001, estimated to be $50,550,000, and in fiscal year 2001-2002, estimated to be $60,800,000, is appropriated to the Rural Development Fund which is proposed to be established in enabling legislation in the Governor's Office for Agriculture Policy to be used for agricultural development initiatives. The Fund will be administered by a board to be legislatively established.

d. Notwithstanding any provision in another enactment by the 2000 General Assembly and any other provision in this Act, there is appropriated out of the Kentucky Agricultural Development Fund to the Governor's office for Agricultural Policy the sum of $1,100,000 in fiscal year 2000-2001 and the sum of $1,250,000 in fiscal year 2001-2002 for the Aquaculture Production Ponds Construction Program.

The Aquaculture Production Ponds Construction Matching Program and the Aquaculture Infrastructure Components Program are established in the Governor's Office for Agricultural Policy. The Aquaculture Production Ponds Construction Matching Program shall match private dollars with program funds for the purpose of constructing ponds suitable for aquaculture on public or private lands. The Aquaculture Infrastructure Components Program may match private dollars with program funds or award grants for the purpose of purchasing or developing aquaculture infrastructure components and aquaculture marketing. The Governor's Office for Agricultural Policy shall have the authority to promulgate regulations to administer these programs. (b) Exploring the feasibility, design, cost, and necessary funding for centers of excellence to deliver comprehensive, coordinated medical and related care to all people with HIV or AIDS in the Commonwealth based on national clinical guidelines and practice standards. Coordinated medical care shall include, but not be limited to access to:

1. AIDS primary care;

2. Drug therapy;

SECTION 4. A NEW SECTION OF KRS CHAPTER 214 IS CREATED TO READ AS FOLLOWS:

(1) The Cabinet for Health Services shall establish a system for reporting, by the use of a unique code, of all persons who test positive for the human immunodeficiency virus (HIV) infection. The reporting shall include the data including, but not limited to, CD4 count and viral load, and other information that are necessary to comply with the confidentiality and reporting requirements of the most recent edition of the Centers for Disease Control and Prevention's (CDC) Guidelines for National Human Immunodeficiency Virus Case Surveillance. As recommended by the CDC, anonymous testing shall remain as an alternative. If less restrictive data identifying requirements are identified by the CDC, the cabinet shall evaluate the new requirements for implementation.

(2) The reporting system established under subsection (1) of this section shall:

(a) Use a unique code that consists of any combination of initials, the last four (4) numbers of the Social Security number, birth date, or other information to be determined by the cabinet;

(b) Attempt to identify all modes of HIV transmission, unusual clinical or virologic manifestations, and other cases of public health importance;

(c) Require collection of the unique code and data from all private and public sources of HIV-related testing and care services; and

(d) Use reporting methods that match the CDC's standards for completeness, timeliness, and accuracy, and follow up, as necessary, with the health care provider making the report to verify completeness, timeliness, and accuracy.

(3) Authorized surveillance staff designated by the cabinet shall:

(a) Match the information from the reporting system to other public health databases, wherever possible, to limit duplication and to better quantify the extent of HIV infection in the Commonwealth;

(b) Conduct a biennial assessment of the HIV and AIDS reporting systems, insure that the assessment is available for review by the public and any state or federal agency, and forward a copy of the assessment to the Legislative Research Commission and the Interim Joint Committee on Health and Welfare;

(c) Document the security policies and procedures and insure their availability for review by the public or any state or federal agency;

(d) Minimize storage and retention of unnecessary paper or electronic reports and insure that related policies are consistent with CDC technical guidelines;

(e) Assure that electronic transfer of data is protected by encryption during transfer;

(f) Provide that records be stored in a physically secluded area and protected by coded passwords and computer encryption;

(g) Restrict access to data a minimum number of authorized surveillance staff who are designated by a responsible authorizing official, who have been trained in confidentiality procedures, and who are aware of penalties for unauthorized disclosure of surveillance information;

(h) Require that any other public health program that receives data has appropriate security and confidentiality protections and penalties;

(i) Restrict use of data, from which identifying information has been removed, to cabinet-approved research, and require all persons with this use to sign confidentiality statements;

(j) Prohibit release of any unique codes or any other identifying information that may have been received in a report to any person or organization, whether public or private, except in compliance with federal law or consultations with other state surveillance programs and reporting sources. Under no circumstances shall a unique code or any identifying information be reported to the CDC; and

(k) Immediately investigate any report of breach of reporting, surveillance, or confidentiality policy, report the breach to the CDC, develop recommendations for improvements in security measure, and take appropriate disciplinary action for any documented breach.

(4) The cabinet shall require any physician or medical laboratory that receives a report of a positive test for the human immunodeficiency virus to report that information by reference to the unique code in accordance with the procedure for establishing the unique code established by the cabinet in an administrative regulation. The physician and medical laboratory shall maintain a log with the name of the patient who tested positive and the unique identifier assigned.

SECTION 5. A NEW SECTION OF KRS CHAPTER 214 IS CREATED TO READ AS FOLLOWS:

(1) The cabinet shall:

(a) Conduct a review of any guidelines for HIV or acquired immunodeficiency syndrome (AIDS) care coordination to insure:

1. Consistency;

2. Comprehensive in service; and

3. That access to health care and sustaining individuals infected with HIV/AIDS in primary HIV-related medical care is the top priority for care coordinators;

(b) Conduct objective peer reviews, as necessary, of each care coordination agency to insure that care coordinators are in compliance with the care coordination guidelines;

(c) Conduct outcome evaluations, as necessary and as permitted by funding limitations, to measure the quality and impact of the care coordinator delivery system;

(d) Review the need for additional care coordinators to assure that client caseloads are manageable and, to the extent that funds are available, strive for a maximum client caseload of forty (40) to fifty (50) clients per care coordinator. If, after this review, the cabinet finds the need for additional staff, it may develop a plan and request funding for the hiring of additional care coordinators in the geographic areas of greatest need;

(e) Review eligibility criteria for persons who wish to receive treatment medications through the Kentucky AIDS Drug Assistance Program to insure that these funds are the funds of last resort;

(f) Review the data collected under Section 4 of this Act to determine whether allocated resources are sufficiently distributed to meet the geographic distribution of reported HIV and AIDS cases;

(g) Work with other agencies, departments, and cabinets to advise on their development of educational HIV and AIDS programs that are mandated by law;

(h) Urge access to Spanish-speaking interpreters to provide prevention, treatment, and service efforts where needed in the Commonwealth;

(i) Provide for consistent and comprehensive HIV and AIDS counseling and testing education in all public health departments as needed;

(j) Require collaboration between HIV prevention educators and HIV care coordinators with the goal of reducing the further transmission of HIV by those already infected; and

(k) Encourage community-based organizations to develop an outreach program designed to foster active partnerships with willing faith-based communities. These partnerships may be used to educate community members about illegal drug use, the value of harm reduction programs, and HIV and AIDS prevention and services.

(2) Authorized surveillance staff designated by the cabinet shall review all known cases of newborns with perinatal exposure to HIV infection or with HIV infection.

(3) Any pharmacy or clinic that provides HIV or AIDS-related medications through the Kentucky AIDS Drug Assistance Program or any other state assistance program shall:

(a) Be encouraged to provide pharmacological consultation reimbursement with written documentation. Documentation may include date of interview, assessment of timely drug refills, side effects, problems, remediation, outcomes noted, and the pharmacist's HIV specialized physician; and

(b) Be encouraged to seek HIV pharmacological certification in addition to already recommended continuing education training on HIV and AIDS.

SECTION 6. A NEW SECTION OF KRS CHAPTER 214 IS CREATED TO READ AS FOLLOWS:

The cabinet may make available information about grant opportunities to nonprofit clinics in the Commonwealth that are established to provide treatment in a multidisciplinary team approach for patients with HIV and AIDS.

Section 7. KRS 214.181 is amended to read as follows:

(1) The General Assembly finds that the use of tests designed to reveal a condition indicative of human immunodeficiency virus (HIV) infection can be a valuable tool in protecting the public health. The General Assembly finds that despite current scientific knowledge that zidovudine (AZT) prolongs the lives of acquired immunodeficiency syndrome victims, and may also be effective when introduced in the early stages of human immunodeficiency virus infection, many members of the public are deterred from seeking testing because they misunderstand the nature of the test or fear that test results

will be disclosed without their consent. The General Assembly finds that the public health will be served by facilitating informed, voluntary, and confidential use of tests designed to detect human immunodeficiency virus infection.

(2) A person who has signed a general consent form for the performance of medical procedures and tests is not required to also sign or be presented with a specific consent form relating to medical procedures or tests to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any other causative agent of acquired immunodeficiency syndrome that will be performed on the person during the time in which the general consent form is in effect. However, a general consent form shall instruct the patient that, as part of the medical procedures or tests, the patient may be tested for human immunodeficiency virus infection, hepatitis, or any other blood-borne infectious disease if a doctor orders the test for diagnostic purposes. Except as otherwise provided in subsection (5)(c) of this section, the results of a test or procedure to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any probable causative agent of acquired immunodeficiency syndrome performed under the authorization of a general consent form shall be used only for diagnostic or other purposes directly related to medical treatment.

(3) In any emergency situation where informed consent of the patient cannot reasonably be obtained before providing health-care services, there is no requirement that a health-care provider obtain a previous informed consent.

(4) The physician who orders the test pursuant to subsections (1) and (2) of this section, or the attending physician, shall be responsible for informing the patient of the results of the test if the test results are positive for human immunodeficiency virus infection. If the tests are positive, the physician shall also be responsible for either:

(a) Providing information and counseling to the patient concerning his infection or diagnosis and the known medical implications of such status or condition; or

(b) Referring the patient to another appropriate professional or health-care facility for the information and counseling.

(5) (a) No person in this state shall perform a test designed to identify the human immunodeficiency virus, or its antigen or antibody, without first obtaining the informed consent of the person upon whom the test is being performed, except as specified in subsections (2) and (3) of this section.

(b) No test result shall be determined as positive, and no positive test result shall be revealed to any person, without corroborating or confirmatory tests being conducted.

(c) No person[~~,~~] who has obtained or has knowledge of a test result pursuant to this section[~~,~~] shall disclose or be compelled to disclose the identity of any person upon whom a test is performed, or the results of the test in a manner which permits identification of the subject of the test, except to the following persons:

1. The subject of the test or the subject's legally authorized representative;

2. Any person designated in a legally effective release of the test results executed prior to or after the test by the subject of the test or the subject's legally authorized representative;

3. A physician, nurse, or other health-care personnel who has a legitimate need to know the test result in order to provide for his protection and to provide for the patient's health and welfare;

4. Health-care providers consulting between themselves or with health-care facilities to determine diagnosis and treatment;

5. The cabinet, in accordance with rules for reporting and controlling the spread of disease, as otherwise provided by state law;

6. A health facility or health-care provider which procures, processes, distributes, or uses:

a. A human body part from a deceased person, with respect to medical information regarding that person; or

b. Semen provided prior to the effective date of this section for the purpose of artificial insemination;

7. Health facility staff committees, for the purposes of conducting program monitoring, program evaluation, or service reviews;

8. Authorized medical or epidemiological researchers who shall not further disclose any identifying characteristics or information;

9. A person allowed access by a court order ***that***[~~which~~] is issued in compliance with the following provisions:

a. No court of this state shall issue an order to permit access to a test for human immunodeficiency virus performed in a medical or public health setting to any person not authorized by this section or by KRS 214.420. A court may order an individual to be tested for human immunodeficiency virus only if the person seeking the test results has demonstrated a compelling need for the test results which cannot be accommodated by other means. In assessing compelling need, the court shall weigh the need for testing and disclosure against the privacy interest of the test subject and the public interest which may be disserved by disclosure which deters blood, organ, and semen donation and future human-immunodeficiency-virus-related testing or which may lead to discrimination. This paragraph shall not apply to blood bank donor records;

b. Pleadings pertaining to disclosure of test results shall substitute a pseudonym for the true name of the subject of the test. The disclosure to the parties of the subject's true name shall be communicated confidentially, in documents not filed with the court;

c. Before granting any order, the court shall provide the individual whose test result is in question with notice and a reasonable opportunity to participate in the proceedings if he ***or she*** is not already a party;

d. Court proceedings as to disclosure of test results shall be conducted in camera, unless the subject of the test agrees to a hearing in open court or unless the court determines that a public hearing is necessary to the public interest and the proper administration of justice;

e. Upon the issuance of an order to disclose test results, the court shall impose appropriate safeguards against unauthorized disclosure, which shall specify the persons who may have access to the information, the purposes for which the information shall be used, and appropriate prohibitions on future disclosure.

No person to whom the results of a test have been disclosed shall disclose the test results to another person except as authorized by this subsection. When disclosure is made pursuant to this subsection, it shall be accompanied by a statement in writing ***that***~~[which]~~ includes the following or substantially similar language: "This information has been disclosed to you from records whose confidentiality is protected by state law. State law prohibits you from making any further disclosure of such information without the specific written consent of the person to whom such information pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is NOT sufficient for this purpose." An oral disclosure shall be accompanied by oral notice and followed by a written notice within ten (10) days.

(6) (a) The Cabinet for Health Services shall establish a network of voluntary human immunodeficiency virus testing programs in every county in the state. These programs shall be conducted in each public health department established under the provisions of KRS Chapter 212. Additional programs may be contracted to other private providers to the extent that finances permit and local circumstances dictate;

(b) Each public health department shall have the ability to provide counseling and testing for the human immunodeficiency virus to each patient who receives services and shall offer the testing on a voluntary basis to each patient who requests the test;

(c) Each public health department shall provide a program of counseling and testing for human immunodeficiency virus infection, on an anonymous or confidential basis, dependent on the patient's desire. ***If the testing is performed on an anonymous basis, only the statistical information relating to a positive test for human immunodeficiency virus infection shall be reported to the cabinet. If the testing is performed on a confidential basis, the unique code and other information specified under Section 4 of this Act shall be reported to the cabinet.*** The cabinet shall continue to provide for anonymous testing and counseling;

(d) The result of a serologic test conducted under the auspices of the cabinet shall not be used to determine if a person may be insured for disability, health, or life insurance or to screen or determine suitability for, or to discharge a person from, employment. Any person who violates the provisions of this subsection shall be guilty of a Class A misdemeanor.

(7) No public health department and no other private or public facility established for the primary purpose of conducting a testing program for acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus status without first registering with the cabinet, complying with all other applicable provisions of state law, and meeting the following requirements:

(a) The program shall be directed by a person who has completed an educational course approved by the cabinet in the counseling of persons with acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus infection;

(b) The program shall have all medical care supervised by a physician licensed under the provisions of KRS Chapter 311;

(c) The program shall have all laboratory procedures performed in a laboratory licensed under the provisions of KRS Chapter 333;

(d) Informed consent shall be required prior to testing. Informed consent shall be preceded by an explanation of the test, including its purpose, potential uses, and limitations and the meaning of its results;

(e) The program, unless it is a blood donor center, shall provide pretest counseling on the meaning of a test for human immunodeficiency virus, including medical indications for the test; the possibility of false positive or false negative results; the potential need for confirmatory testing; the potential social, medical, and economic consequences of a positive test result; and the need to eliminate high-risk behavior;

(f) The program shall provide supplemental corroborative testing on all positive test results before the results of any positive test is provided to the patient;

(g) The program shall provide post-test counseling, in person, on the meaning of the test results; the possible need for additional testing; the social, medical, and economic consequences of a positive test result; and the need to eliminate behavior which might spread the disease to others;

(h) Each person providing post-test counseling to a patient with a positive test result shall receive specialized training, to be specified by regulation of the cabinet, about the special needs of persons with positive results, including recognition of possible suicidal behavior, and shall refer the patient for further health and social services as appropriate;

(i) When services are provided for a charge during pretest counseling, testing, supplemental testing, and post-test counseling, the program shall provide a complete list of all charges to the patient and the cabinet;

(j) Nothing in this subsection shall be construed to require a facility licensed under KRS Chapter 333 or a person licensed under the provisions of KRS Chapters 311, 312, or 313 to register with the cabinet if he ***or she*** does not advertise or hold himself out to the public as conducting testing programs for human immunodeficiency virus infection or specializing in such testing.

(8) Any violation of this section by a licensed health-care provider shall be a ground for disciplinary action contained in the professional's respective licensing chapter.

(9) Except as provided in subsection (6)(d) of this section, insurers and others participating in activities related to the insurance application and underwriting process shall be exempt from this section.

(10) The cabinet shall develop program standards consistent with the provisions of this section for counseling and testing persons for the human immunodeficiency virus.

Section 8. KRS 214.625 is amended to read as follows:

(1) The General Assembly finds that the use of tests designed to reveal a condition indicative of human immunodeficiency virus (HIV) infection can be a valuable tool in protecting the public health. The General Assembly finds that despite current scientific knowledge that zidovudine (AZT) prolongs the lives of acquired immunodeficiency syndrome victims, and may also be effective when introduced in the early stages of human immunodeficiency virus infection, many members of the public are deterred from seeking testing because they misunderstand the nature of the test or fear that test results will be disclosed without their consent. (3) In any emergency situation where informed consent of the patient cannot reasonably be obtained before providing health-care services, there is no requirement that a health-care provider obtain a previous informed consent.

(4) The physician who orders the test pursuant to subsections (1) and (2) of this section, or the attending physician, shall be responsible for informing the patient of the results of the test if the test results are positive for human immunodeficiency virus infection. If the tests are positive, the physician shall also be responsible for either:

(a) Providing information and counseling to the patient concerning his infection or diagnosis and the known medical implications of such status or condition; or

    d. Court proceedings as to disclosure of test results shall be conducted in camera, unless the subject of the test agrees to a hearing in open court or unless the court determines that a public hearing is necessary to the public interest and the proper administration of justice;
    e. Upon the issuance of an order to disclose test results, the court shall impose appropriate safeguards against unauthorized disclosure, which shall specify the persons who may have access to the information, the purposes for which the information shall be used, and appropriate prohibitions on future disclosure.

No person to whom the results of a test have been disclosed shall disclose the test results to another person except as authorized by this subsection. When disclosure is made pursuant to this subsection, it shall be accompanied by a statement in writing which includes the following or substantially similar language: "This information has been disclosed to you from records whose confidentiality is protected by state law. (d) The physician reports information about HIV status to the Cabinet for Health Services pursuant to administrative regulations promulgated by the cabinet.

(2) The written results of the testing shall be made available to each public servant, criminal defendant, inmate, parolee, or probationer coming within the purview of subsection (1). However, the results shall not be public records and shall be disclosed to others only on a need-to-know basis.

(3) If a criminal defendant, inmate, parolee, or probationer fails or refuses to be tested as ordered, he may be held in criminal contempt. A Circuit or District Judge shall compel the criminal defendant, inmate, parolee, or probationer to undergo the testing required herein if he fails or refuses to do so. Undergoing compulsory testing after a failure or refusal to be tested shall not relieve the criminal defendant, inmate, parolee, or probationer of the liability imposed by this subsection.

(4) The costs of the testing shall be borne by the criminal defendant, inmate, parolee, or probationer unless he is determined unable to pay for the test by a court of competent jurisdiction for criminal defendants and probationers and by the Department of Corrections pursuant to their indigency standards for inmates and parolees, in which case the Commonwealth shall pay for the testing.

(5) The provisions of subsections (1) to (4) of this section shall apply to juveniles falling within any category specified in subsections (1) to (4) of this section as well as to adults.

The House Committee Substitute No. 1 to **SB 227** is as follows:

SB 227, AN ACT relating to acquired immunodeficiency syndrome.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 199.520 is amended to read as follows:

(1) After hearing the case, the court shall enter a judgment of adoption, if it finds that the facts stated in the petition were established; that all legal requirements, including jurisdiction, relating to the adoption have been complied with; that the petitioners are of good moral character, of reputable standing in the community and of ability to properly maintain and educate the child; and that the best interest of the child will be promoted by the adoption and that the child is suitable for adoption. In the judgment, the name of the child shall be changed to conform with the prayer of the petition. The judgment and all orders required to be entered and recorded in the order book, including the caption, shall contain only the names of the petitioners and the proposed adopted name of the child, without any reference to its former name or the names of its

birth parents.

(2) Upon entry of the judgment of adoption, from and after the date of the filing of the petition, the child shall be deemed the child of petitioners and shall be considered for purposes of inheritance and succession and for all other legal considerations, the natural child of the parents adopting it the same as if born of their bodies. Upon granting an adoption, all legal relationship between the adopted child and the biological parents shall be terminated except the relationship of a biological parent who is the spouse of an adoptive parent.

(3) The clerk of the court shall notify the cabinet of any action of the court with respect to entering a judgment granting an adoption, the amendment of an adoption, or the denial or dismissal of a petition for adoption.

(4) (a) The health history of biological parents and blood relatives of the adopted person, in writing, on a standardized form, provided by the cabinet, if known, shall be given by the cabinet or child-placing agency which has the information to the adoptive parents and to the Circuit Court not later than the date of finalization of the adoption proceedings. ***This information shall include the results of any tests for HIV or hepatitis A, B, and C***; and

(b) The information provided for in paragraph (a) of this subsection, if known, shall, upon the request in person or in writing of the adult adopted person be made available in writing to that person. The information shall not be made available if it is of a nature that would tend to identify the biological parents of the adopted person except as provided in KRS 199.570 and 199.572.

Section 2. KRS 211.180 is amended to read as follows:

(1) The cabinet shall enforce the administrative regulations promulgated by the secretary of the Cabinet for Health Services for the regulation and control of the matters set out below and shall formulate, promote, establish, and execute policies, plans, and programs relating to all matters of public health, including but not limited to the following matters:

(a) Detection, prevention, and control of communicable diseases, chronic and degenerative diseases, dental diseases and abnormalities, occupational diseases and health hazards peculiar to industry, home accidents and health hazards, animal diseases which are transmissible to man, and other diseases and health hazards that may be controlled;

(b) The adoption of regulations specifying the information required in and a minimum time period for reporting a sexually transmitted disease. In adopting the regulations the cabinet shall consider the need for information, protection for the privacy and confidentiality of the patient, and the practical ability of persons and laboratories to report in a reasonable fashion. The cabinet shall require reporting of physician-diagnosed cases of acquired immunodeficiency syndrome based upon diagnostic criteria from the Centers for Disease Control ***and Prevention*** of the United States Public Health Service. ***No later than October 1, 2000,*** the cabinet shall require reporting of cases of human immunodeficiency virus infection by ***reporting of the name and other relevant data as requested by the Centers for Disease Control and Prevention and as further specified in Section 4 of this Act***[~~July 1, 1990, but shall be prohibited from requiring the reporting of or collection of names and addresses. However, a code may be used, so long as in and of itself, it would not identify the patient~~]. Nothing in this section shall be construed to prohibit the cabinet from identifying infected patients when and if an effective cure for human immunodeficiency virus infection or any immunosuppression caused by human immunodeficiency virus is found or a treatment which would render a person noninfectious is found, for the purposes of offering or making the cure or treatment known to the patient.

(c) The control of insects, rodents, and other vectors of disease; the safe handling of food and food products; the safety of cosmetics; the control of narcotics, barbiturates, and other drugs as provided by law; the sanitation of schools, industrial establishments, and other public and semipublic buildings; the sanitation of state and county fairs and other similar public gatherings; the sanitation of public and semipublic recreational areas; the sanitation of public rest rooms, trailer courts, hotels, tourist courts, and other establishments furnishing public sleeping accommodations; the review, approval, or disapproval of plans for construction, modification, or extension of equipment related to food-handling in food-handling establishments; the licensure of hospitals; and the control of such other factors, not assigned by law to another agency, as may be necessary to insure a safe and sanitary environment;

(d) The construction, installation, and alteration of any on-site sewage disposal system, except for a system with a surface discharge;

(e) Protection and improvement of the health of expectant mothers, infants, preschool, and school-age children;

(f) The practice of midwifery, including the issuance of permits to and supervision of women who practice midwifery; and

(g) Protection and improvement of the health of the people through better nutrition.

(2) The secretary shall have authority to establish by regulation a schedule of reasonable fees, not to exceed twenty dollars ($20) per inspector hour plus travel costs pursuant to state regulations for travel reimbursement, to cover the costs of inspections of manufacturers, retailers, and distributors of consumer products as defined in the Federal Consumer Product Safety Act, 15 U.S.C. secs. 2051 et seq.; 86 Stat. 1207 et seq. or amendments thereto, and of youth camps for the purpose

of determining compliance with the provisions of this section and the regulations adopted by the secretary pursuant thereto. Fees collected by the secretary shall be deposited in the State Treasury and credited to a revolving fund account for the purpose of carrying out the provisions of this section. The balance of the account shall lapse to the general fund at the end of each biennium.

(3) Any administrative hearing conducted under authority of this section shall be conducted in accordance with KRS Chapter 13B.

SECTION 3. A NEW SECTION OF KRS CHAPTER 214 IS CREATED TO READ AS FOLLOWS:

SECTION 4. A NEW SECTION OF KRS CHAPTER 214 IS CREATED TO READ AS FOLLOWS:

(1) The Cabinet for Health Services shall establish a system for reporting, by the use of the person's name, of all persons who test positive for the human immunodeficiency virus (HIV) infection. The reporting shall include the data including, but not limited to, CD4 count and viral load, and other information that are necessary to comply with the confidentiality and reporting requirements of the most recent edition of the Centers for Disease Control and

Prevention's (CDC) Guidelines for National Human Immunodeficiency Virus Case Surveillance. As recommended by the CDC, anonymous testing shall remain as an alternative. If less restrictive data identifying requirements are identified by the CDC, the cabinet shall evaluate the new requirements for implementation.

(2) The reporting system established under subsection (1) of this section shall:

(a) Use the same confidential name-based approach for HIV surveillance that is used for AIDS surveillance by the cabinet;

(b) Attempt to identify all modes of HIV transmission, unusual clinical or virologic manifestations, and other cases of public health importance;

(c) Require collection of the names and data from all private and public sources of HIV-related testing and medical services; and

(d) Use reporting methods that match the CDC's standards for completeness, timeliness, and accuracy, and follow up, as necessary, with the health care provider making the report to verify completeness, timeliness, and accuracy.

(3) Authorized surveillance staff designated by the cabinet shall:

(a) Match the information from the reporting system to other public health databases, wherever possible, to limit duplication and to better quantify the extent of HIV infection in the Commonwealth;

(b) Conduct a biennial assessment of the HIV and AIDS reporting systems, insure that the assessment is available for review by the public and any state or federal agency, and forward a copy of the assessment to the Legislative Research Commission and the Interim Joint Committee on Health and Welfare;

(c) Document the security policies and procedures and insure their availability for review by the public or any state or federal agency;

(d) Minimize storage and retention of unnecessary paper or electronic reports and insure that related policies are consistent with CDC technical guidelines;

(e) Assure that electronic transfer of data is protected by encryption during transfer;

(f) Provide that records be stored in a physically secluded area and protected by coded passwords and computer encryption;

(g) Restrict access to data to a minimum number of authorized surveillance staff who are designated by a responsible authorizing official, who have been trained in confidentiality procedures, and who are aware of penalties for unauthorized disclosure of surveillance information;

(h) Require that any other public health program that receives data has appropriate security and confidentiality protections and penalties;

(i) Restrict use of data, from which identifying information has been removed, to cabinet-approved research, and require all persons with this use to sign confidentiality statements;

(j) Prohibit release of any names or other identifying information received in a report to any person or organization, whether public or private, except in compliance with federal law or consultations with other state surveillance programs and reporting sources. Under no circumstances shall a name or any identifying information be reported to the CDC; and

(k) Immediately investigate any report of breach of reporting, surveillance, or confidentiality policy, report the breach to the CDC, develop recommendations for improvements in security measure, and take appropriate disciplinary action for any documented breach.

SECTION 5. A NEW SECTION OF KRS CHAPTER 214 IS CREATED TO READ AS FOLLOWS:

(1) The cabinet shall:

(a) Conduct a review of any guidelines for HIV or acquired immunodeficiency syndrome (AIDS) care coordination to insure:

1. Consistency;

2. Comprehensive in service; and

3. That access to health care and sustaining individuals infected with HIV/AIDS in primary HIV-related medical care is the top priority for care coordinators;

(b) Conduct objective peer reviews, as necessary, of each care coordination agency to insure that care coordinators are in compliance with the care coordination guidelines;

(c) Conduct outcome evaluations, as necessary and as permitted by funding limitations, to measure the quality and impact of the care coordinator delivery system;

(d) Review the need for additional care coordinators to assure that client caseloads are manageable and, to the

extent that funds are available, strive for a maximum client caseload of forty (40) to fifty (50) clients per care coordinator. If, after this review, the cabinet finds the need for additional staff, it may develop a plan and request funding for the hiring of additional care coordinators in the geographic areas of greatest need;

(e) Review eligibility criteria for persons who wish to receive treatment medications through the Kentucky AIDS Drug Assistance Program to insure that these funds are the funds of last resort;

(f) Review the data collected under Section 4 of this Act to determine whether allocated resources are sufficiently distributed to meet the geographic distribution of reported HIV and AIDS cases;

(g) Work with other agencies, departments, and cabinets to advise on their development of educational HIV and AIDS programs that are mandated by law;

(h) Urge access to Spanish-speaking interpreters to provide prevention, treatment, and service efforts where needed in the Commonwealth;

(i) Provide for consistent and comprehensive HIV and AIDS counseling and testing education in all public health departments as needed;

(j) Require collaboration between HIV prevention educators and HIV care coordinators with the goal of reducing the further transmission of HIV by those already infected; and

(k) Encourage community-based organizations to develop an outreach program designed to foster active partnerships with willing faith-based communities. These partnerships may be used to educate community members about illegal drug use, the value of harm reduction programs, and HIV and AIDS prevention and services.

(2) Authorized surveillance staff designated by the cabinet shall review all known cases of newborns with perinatal exposure to HIV infection or with HIV infection.

(3) Any pharmacy or clinic that provides HIV or AIDS-related medications through the Kentucky AIDS Drug Assistance Program or any other state assistance program shall:

(a) Be encouraged to provide pharmacological consultation reimbursement with written documentation. Documentation may include date of interview, assessment of timely drug refills, side effects, problems, remediation, outcomes noted, and the pharmacist's HIV specialized physician; and

(b) Be encouraged to seek HIV pharmacological certification in addition to already recommended continuing education training on HIV and AIDS.

SECTION 6. A NEW SECTION OF KRS CHAPTER 214 IS CREATED TO READ AS FOLLOWS:

The cabinet may make available information about grant opportunities to nonprofit clinics in the Commonwealth that are established to provide treatment in a multidisciplinary team approach for patients with HIV and AIDS.

Section 7. KRS 214.181 is amended to read as follows:

(1) The General Assembly finds that the use of tests designed to reveal a condition indicative of human immunodeficiency virus (HIV) infection can be a valuable tool in protecting the public health. The General Assembly finds that despite current scientific knowledge that zidovudine (AZT) prolongs the lives of acquired immunodeficiency syndrome victims, and may also be effective when introduced in the early stages of human immunodeficiency virus infection, many members of the public are deterred from seeking testing because they misunderstand the nature of the test or fear that test results will be disclosed without their consent. The General Assembly finds that the public health will be served by facilitating informed, voluntary, and confidential use of tests designed to detect human immunodeficiency virus infection.

(2) A person who has signed a general consent form for the performance of medical procedures and tests is not required to also sign or be presented with a specific consent form relating to medical procedures or tests to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any other causative agent of acquired immunodeficiency syndrome that will be performed on the person during the time in which the general consent form is in effect. However, a general consent form shall instruct the patient that, as part of the medical procedures or tests, the patient may be tested for human immunodeficiency virus infection, hepatitis, or any other blood-borne infectious disease if a doctor orders the test for diagnostic purposes. Except as otherwise provided in subsection (5)(c) of this section, the results of a test or procedure to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any probable causative agent of acquired immunodeficiency syndrome performed under the authorization of a general consent form shall be used only for diagnostic or other purposes directly related to medical treatment.

(3) In any emergency situation where informed consent of the patient cannot reasonably be obtained before providing health-care services, there is no requirement that a health-care provider obtain a previous informed consent.

(4) The physician who orders the test pursuant to subsections (1) and (2) of this section, or the attending physician, shall be responsible for informing the patient of the results of the test if the test results are positive for human immunodeficiency virus infection. If the tests are positive, the physician shall also be responsible for either:

(a) Providing information and counseling to the patient concerning his infection or diagnosis and the known medical implications of such status or condition; or

(b) Referring the patient to another appropriate professional or health-care facility for the information and counseling.

(5) (a) No person in this state shall perform a test designed to identify the human immunodeficiency virus, or its antigen or antibody, without first obtaining the informed consent of the person upon whom the test is being performed, except as specified in subsections (2) and (3) of this section.

(b) No test result shall be determined as positive, and no positive test result shall be revealed to any person, without corroborating or confirmatory tests being conducted.

(c) No person~~[,]~~ who has obtained or has knowledge of a test result pursuant to this section~~[,]~~ shall disclose or be compelled to disclose the identity of any person upon whom a test is performed, or the results of the test in a manner which permits identification of the subject of the test, except to the following persons:

1. The subject of the test or the subject's legally authorized representative;
2. Any person designated in a legally effective release of the test results executed prior to or after the test by the subject of the test or the subject's legally authorized representative;
3. A physician, nurse, or other health-care personnel who has a legitimate need to know the test result in order to provide for his protection and to provide for the patient's health and welfare;
4. Health-care providers consulting between themselves or with health-care facilities to determine diagnosis and treatment;
5. The cabinet, in accordance with rules for reporting and controlling the spread of disease, as otherwise provided by state law;
6. A health facility or health-care provider which procures, processes, distributes, or uses:
    a. A human body part from a deceased person, with respect to medical information regarding that person; or
    b. Semen provided prior to the effective date of this section for the purpose of artificial insemination;
7. Health facility staff committees, for the purposes of conducting program monitoring, program evaluation, or service reviews;
8. Authorized medical or epidemiological researchers who shall not further disclose any identifying characteristics or information;
9. A person allowed access by a court order ***that***~~[which]~~ is issued in compliance with the following provisions:
    a. No court of this state shall issue an order to permit access to a test for human immunodeficiency virus performed in a medical or public health setting to any person not authorized by this section or by KRS 214.420. A court may order an individual to be tested for human immunodeficiency virus only if the person seeking the test results has demonstrated a compelling need for the test results which cannot be accommodated by other means. In assessing compelling need, the court shall weigh the need for testing and disclosure against the privacy interest of the test subject and the public interest which may be disserved by disclosure which deters blood, organ, and semen donation and future human-immunodeficiency-virus-related testing or which may lead to discrimination. This paragraph shall not apply to blood bank donor records;
    b. Pleadings pertaining to disclosure of test results shall substitute a pseudonym for the true name of the subject of the test. The disclosure to the parties of the subject's true name shall be communicated confidentially, in documents not filed with the court;
    c. Before granting any order, the court shall provide the individual whose test result is in question with notice and a reasonable opportunity to participate in the proceedings if he ***or she*** is not already a party;
    d. Court proceedings as to disclosure of test results shall be conducted in camera, unless the subject of the test agrees to a hearing in open court or unless the court determines that a public hearing is necessary to the public interest and the proper administration of justice;
    e. Upon the issuance of an order to disclose test results, the court shall impose appropriate safeguards against unauthorized disclosure, which shall specify the persons who may have access to the information, the purposes for which the information shall be used, and appropriate prohibitions on future disclosure.

No person to whom the results of a test have been disclosed shall disclose the test results to another person except as authorized by this subsection. When disclosure is made pursuant to this subsection, it shall be accompanied by a statement in writing ***that***~~[which]~~ includes the following or substantially similar language: "This information has been disclosed to you from records whose confidentiality is protected by state law. State law prohibits you from making any further disclosure of such information without the specific written consent of the person to whom such information pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is NOT sufficient for this purpose." An oral disclosure shall be accompanied by oral notice and followed by a written notice within ten (10) days.

(6) (a) The Cabinet for Health Services shall establish a network of voluntary human immunodeficiency virus testing programs in every county in the state. These programs shall be conducted in each public health department established under the provisions of KRS Chapter 212. Additional programs may be contracted to other private providers to the extent that finances permit and local circumstances dictate;

(b) Each public health department shall have the ability to provide counseling and testing for the human immunodeficiency virus to each patient who receives services and shall offer the testing on a voluntary basis to each patient who requests the test;

(c) Each public health department shall provide a program of counseling and testing for human immunodeficiency virus infection, on an anonymous or confidential basis, dependent on the patient's desire. ***If the testing is performed on an anonymous basis, only the statistical information relating to a positive test for human immunodeficiency virus infection shall be reported to the cabinet. If the testing is performed on a confidential basis, the name and other information specified under Section 4 of this Act shall be reported to the cabinet.*** The cabinet shall continue to provide for anonymous testing and counseling;

(d) The result of a serologic test conducted under the auspices of the cabinet shall not be used to determine if a person may be insured for disability, health, or life insurance or to screen or determine suitability for, or to discharge a person from, employment. Any person who violates the provisions of this subsection shall be guilty of a Class A misdemeanor.

(7) No public health department and no other private or public facility established for the primary purpose of conducting a testing program for acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus status without first registering with the cabinet, complying with all other applicable provisions of state law, and meeting the following requirements:

(a) The program shall be directed by a person who has completed an educational course approved by the cabinet in the counseling of persons with acquired immunodeficiency syndrome, acquired immunodeficiency syndrome related complex, or human immunodeficiency virus infection;

(b) The program shall have all medical care supervised by a physician licensed under the provisions of KRS Chapter 311;

(c) The program shall have all laboratory procedures performed in a laboratory licensed under the provisions of KRS Chapter 333;

(d) Informed consent shall be required prior to testing. Informed consent shall be preceded by an explanation of the test, including its purpose, potential uses, and limitations and the meaning of its results;

(e) The program, unless it is a blood donor center, shall provide pretest counseling on the meaning of a test for human immunodeficiency virus, including medical indications for the test; the possibility of false positive or false negative results; the potential need for confirmatory testing; the potential social, medical, and economic consequences of a positive test result; and the need to eliminate high-risk behavior;

(f) The program shall provide supplemental corroborative testing on all positive test results before the results of any positive test is provided to the patient;

(g) The program shall provide post-test counseling, in person, on the meaning of the test results; the possible need for additional testing; the social, medical, and economic consequences of a positive test result; and the need to eliminate behavior which might spread the disease to others;

(h) Each person providing post-test counseling to a patient with a positive test result shall receive specialized training, to be specified by regulation of the cabinet, about the special needs of persons with positive results, including recognition of possible suicidal behavior, and shall refer the patient for further health and social services as appropriate;

(i) When services are provided for a charge during pretest counseling, testing, supplemental testing, and post-test counseling, the program shall provide a complete list of all charges to the patient and the cabinet;

(j) Nothing in this subsection shall be construed to require a facility licensed under KRS Chapter 333 or a person licensed under the provisions of KRS Chapters 311, 312, or 313 to register with the cabinet if he ***or she*** does not advertise or hold himself out to the public as conducting testing programs for human immunodeficiency virus infection or specializing in such testing.

(8) Any violation of this section by a licensed health-care provider shall be a ground for disciplinary action contained in the professional's respective licensing chapter.

(9) Except as provided in subsection (6)(d) of this section, insurers and others participating in activities related to the insurance application and underwriting process shall be exempt from this section.

(10) The cabinet shall develop program standards consistent with the provisions of this section for counseling and testing persons for the human immunodeficiency virus.

Section 8. KRS 214.625 is amended to read as follows:

(1) The General Assembly finds that the use of tests designed to reveal a condition indicative of human immunodeficiency virus (HIV) infection can be a valuable tool in protecting the public health. The General Assembly finds that despite current scientific knowledge that zidovudine (AZT) prolongs the lives of acquired immunodeficiency syndrome victims, and may also be effective when introduced in the early stages of human immunodeficiency virus infection, many members of the public are deterred from seeking testing because they misunderstand the nature of the test or fear that test results will be disclosed without their consent. The General Assembly finds that the public health will be served by facilitating informed, voluntary, and confidential use of tests designed to detect human immunodeficiency virus infection.

(2) A person who has signed a general consent form for the performance of medical procedures and tests~~[,]~~ is not required to also sign or be presented with a specific consent form relating to medical procedures or tests to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any other causative agent of acquired immunodeficiency syndrome that will be performed on the person during the time in which the general consent form is in effect. However, a general consent form shall instruct the patient that, as part of the medical procedures or tests, the patient may be tested for human immunodeficiency virus infection, hepatitis, or any other blood-borne infectious disease if a doctor orders the test for diagnostic purposes. Except as otherwise provided in subsection (5)(c) of this section, the results of a test or procedure to determine human immunodeficiency virus infection, antibodies to human immunodeficiency virus, or infection with any probable causative agent of acquired immunodeficiency syndrome performed under the authorization of a general consent form shall be used only for diagnostic or other purposes directly related to medical treatment.

(3) In any emergency situation where informed consent of the patient cannot reasonably be obtained before providing health-care services, there is no requirement that a health-care provider obtain a previous informed consent.

(4) The physician who orders the test pursuant to subsections (1) and (2) of this section, or the attending physician, shall be responsible for informing the patient of the results of the test if the test results are positive for human immunodeficiency virus infection. If the tests are positive, the physician shall also be responsible for either:

(a) Providing information and counseling to the patient concerning his infection or diagnosis and the known medical implications of such status or condition; or

(b) Referring the patient to another appropriate professional or health-care facility for the information and counseling.

(5) (a) No person in this state shall perform a test designed to identify the human immunodeficiency virus, or its antigen or antibody, without first obtaining the informed consent of the person upon whom the test is being performed, except as specified in subsections (2) and (3) of this section.

(b) No test result shall be determined as positive, and no positive test result shall be revealed to any person, without corroborating or confirmatory tests being conducted.

(c) No person~~[,]~~ who has obtained or has knowledge of a test result pursuant to this section~~[,]~~ shall disclose or be compelled to disclose the identity of any person upon whom a test is performed, or the results of the test in a manner which permits identification of the subject of the test, except to the following persons:

1. The subject of the test or the subject's legally authorized representative;

2. Any person designated in a legally effective release of the test results executed prior to or after the test by the subject of the test or the subject's legally authorized representative;

3. A physician, nurse, or other health-care personnel who has a legitimate need to know the test result in order to provide for his protection and to provide for the patient's health and welfare;

4. Health-care providers consulting between themselves or with health-care facilities to determine diagnosis and treatment;

5. The cabinet, in accordance with rules for reporting and controlling the spread of disease, as otherwise provided by state law;

6. A health facility or health-care provider which procures, processes, distributes, or uses:

   a. A human body part from a deceased person, with respect to medical information regarding that person; or

   b. Semen provided prior to July 13, 1990, for the purpose of artificial insemination;

7. Health facility staff committees, for the purposes of conducting program monitoring, program evaluation, or service reviews;

8. Authorized medical or epidemiological researchers who shall not further disclose any identifying

characteristics or information;

9. A parent, foster parent, or legal guardian of a minor; a crime victim; or a person specified in KRS 438.250;
10. A person allowed access by a court order which is issued in compliance with the following provisions:
    a. No court of this state shall issue an order to permit access to a test for human immunodeficiency virus performed in a medical or public health setting to any person not authorized by this section or by KRS 214.420. A court may order an individual to be tested for human immunodeficiency virus only if the person seeking the test results has demonstrated a compelling need for the test results which cannot be accommodated by other means. In assessing compelling need, the court shall weigh the need for testing and disclosure against the privacy interest of the test subject and the public interest which may be disserved by disclosure which deters blood, organ, and semen donation and future human immunodeficiency virus-related testing or which may lead to discrimination. This paragraph shall not apply to blood bank donor records;
    b. Pleadings pertaining to disclosure of test results shall substitute a pseudonym for the true name of the subject of the test. The disclosure to the parties of the subject's true name shall be communicated confidentially, in documents not filed with the court;
    c. Before granting any order, the court shall provide the individual whose test result is in question with notice and a reasonable opportunity to participate in the proceedings if he is not already a party;
    d. Court proceedings as to disclosure of test results shall be conducted in camera, unless the subject of the test agrees to a hearing in open court or unless the court determines that a public hearing is necessary to the public interest and the proper administration of justice;
    e. Upon the issuance of an order to disclose test results, the court shall impose appropriate safeguards against unauthorized disclosure, which shall specify the persons who may have access to the information, the purposes for which the information shall be used, and appropriate prohibitions on future disclosure.

No person to whom the results of a test have been disclosed shall disclose the test results to another person except as authorized by this subsection. When disclosure is made pursuant to this subsection, it shall be accompanied by a statement in writing which includes the following or substantially similar language: "This information has been disclosed to you from records whose confidentiality is protected by state law. HB 704, AN ACT relating to property taxes.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 132 IS CREATED TO READ AS FOLLOWS:

Buses that are used exclusively for charter or tour services by an owner issued a charter bus certificate under KRS 281.637 shall be exempt from the ad valorem tax for state, city, county, school, or other taxing district purposes.

Section 2. KRS 132.190 is amended to read as follows:

(1) The property subject to taxation, ***except for property***[~~unless~~] exempted by the Constitution ***or personal property exempted by statute***, shall be as follows:

  (a) All real and personal property within this state, including intangible personal property of nonresidents and corporations not organized under the laws of this state that has acquired a business situs within this state, except that twenty-five (25) domestic fowl to each family shall be exempt from taxation for any purpose.

  (b) All intangible personal property of individuals residing in this state and of corporations organized under the laws of this state unless it has acquired a business situs without this state.

(2) The property enumerated in paragraph (b) of subsection (1) of this section shall be considered and estimated in fixing the valuation of corporate franchises.

(3) Property shall be assessed for taxation at its fair cash value, estimated at the price it would bring at a fair voluntary sale, except the following: real property qualifying for an assessment moratorium shall not have its fair cash value assessment changed while under the assessment moratorium unless the assessment moratorium expires or is otherwise canceled or revoked.

(4) The situs of intangible personal property for purposes of taxation shall be at the residence of the real or beneficial owner, and not at the residence of the fiduciary or agent having custody or possession. Any intangible property owned by a resident shall be taxable in this state, unless by the date of assessment he has changed his place of abode to a place without this state with the bona fide intention of continuing actually to abide permanently without this state. The fact that a person again abides within this state within six (6) months from so changing his actual place of abode shall be prima facie evidence that he did not intend permanently to have his actual place of abode without this state. A person so changing his actual place of abode and not intending permanently to continue it without this state and not having listed his property for taxation as a resident of this state shall, for the purpose of having his property assessed for taxation within this state, be deemed to have resided, on the day when his property should have been so assessed, at his last actual or habitual place of abode within this state. The fact that a person does not claim or exercise the right to vote at public elections within this state shall not of itself constitute him a nonresident of this state.

(5) An administrator, executor, trustee, guardian, conservator, curator, or agent residing in this state shall not be liable for taxes on intangible personal property held by him if the real or beneficial owner of the property resides outside of this state. This exemption shall not apply in the case of an executor or administrator in the exercise of his office as personal representative while the estate of a deceased person is in process of settlement and before the share of the nonresident legatee or beneficiary is set apart to him, or before the legatee or beneficiary is entitled to be paid his share.

(6) Nothing contained in this section shall affect the liability for franchise taxes payable by corporations organized under the laws of this state; nor the method of taxation of financial institutions provided in KRS 136.505; nor the method of taxation of savings and loan associations provided in KRS 136.300; and nothing contained in this section shall alter or repeal KRS 136.030.

Section 3. KRS 136.1873 is amended to read as follows:

(1) Notwithstanding the provisions of KRS 132.487, trucks, trailers, tractors, semitrailers, and buses***, except buses exempt under Section 1 of this Act,*** of any person, corporation, partnership, or any other business association whose route or system is partly within this state and partly within another state or states, shall be assessed by the Revenue Cabinet for purposes of taxation as of January 1 each year.

(2) The proportion of miles operated in this state compared to the total miles operated everywhere shall be considered in fixing the value of the property for taxation. Other reasonable evidence shall be considered in fixing the value. However, pick-up and delivery vehicles operating from a terminal within this state or vehicles which do not leave this state in the normal course of business shall not be valued on an apportioned basis.

Section 4. KRS 136.1875 is amended to read as follows:

On or before April 15, 1991, and each year thereafter, each person, corporation, partnership, or other business association owning or operating trucks, tractors, trailers, semitrailers, and buses***, except buses exempt under Section 1 of this Act,*** whose route or system is partly within this state and partly within another state or states, shall on forms provided by the Revenue Cabinet provide the cabinet with a detailed description of all its vehicles operating within this state along with the necessary mileage data to be used in apportioning the value.

Section 5. KRS 136.1877 is amended to read as follows:

(1) The Revenue Cabinet shall immediately, after fixing the assessed value of the trucks, tractors, trailers, semitrailers, and buses, ***except buses exempt under Section 1 of this Act,*** notify the taxpayer of the valuation determined. Any taxpayer who has been assessed by the cabinet in the manner outlined in KRS 136.1873 shall have forty-five (45) days from the date of the cabinet's notice of the tentative assessment to protest as provided by KRS 131.110.

(2) No appeal shall delay the collection or payment of taxes based upon the assessment in controversy. The taxpayer shall pay all state, county, and district taxes due on the valuation which the taxpayer claims as the true value as stated in the protest filed under KRS 131.110. When the valuation is finally determined upon appeal, the taxpayer shall be billed for any additional tax and interest at the tax interest rate as defined in KRS 131.010(6), from the date the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to the tax bill.

(3) The state and local taxes on the property are due forty-five (45) days from the date of notice and shall be collected directly by the Revenue Cabinet.

(4) The Revenue Cabinet shall annually calculate an aggregate local rate to be used in determining the local taxes to be collected. The rate shall be the statewide average motor vehicle tax rate for each type of local taxing district multiplied by

a fraction, the numerator of which is the commercial and industrial tangible personal property assessment subject to full local rates and the denominator of which is the total commercial and industrial tangible personal property assessment.

(5) The local taxes collected by the Revenue Cabinet shall be distributed to each local taxing district levying a tax on motor vehicles based on the statewide average rate for each type of local taxing district. However, prior to distribution any fees owed to the Revenue Cabinet by any local taxing district under the provisions of KRS 136.180(5) shall be deducted.

Section 6. The provisions of this Act shall apply for property assessed on or after January 1, 2000.

The Committee Amendment No. 1 to **HB 704** is as follows:

On page 1, line 3, after "***Buses***" by inserting "***properly titled in a foreign jurisdiction, which are subject to apportionment registration, that are used exclusively for charter or tour services as defined in Section 6 of this Act***" and by deleting the remainder of the line in its entirety; and

(6) "Tour service" means a tour operator that through individual tour packages furnishes some other services, such as accommodations, meals or tickets to an event or attraction, in addition to the transportation service, as part of the package."; and by renumbering subsequent sections to conform.

HB 807, AN ACT relating to property tax.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 134.010 is amended to read as follows:

As used in this chapter, unless the context requires otherwise:

(1) "Secretary" means the secretary of revenue.

(2) "Cabinet" means the Revenue Cabinet.

(3) "Real property" includes all lands within this state and improvements thereon.

(4) "Personal property" includes every species and character of property, tangible and intangible, other than real property.

(5) "Taxpayer" means any person made liable by law to file a return or pay a tax.

(6) "Tax claim" includes, in addition to the taxes due on a tax bill, the penalties, costs, fees, interest, commissions, the lien provided in subsection (1) of KRS 134.420 and other such items or expenses that have become or are by reason of the delinquent tax bill proper legal charges ***imposed by this chapter*** against the delinquent taxpayer at any given time.

(7) "Uncollectible tax bill" means a tax bill of a delinquent who owns no real property and which has been returned to the fiscal court by the sheriff or collector because there is insufficient or no personal property to satisfy it, and which has been allowed and approved in the settlement with the court as uncollectible.

(8) "Sheriff" includes any collector whose duty it is to receive or collect state, county or district taxes.

Section 2. KRS 134.450 is amended to read as follows:

(1) The sheriff shall sell all tax claims for which payment by the delinquent taxpayer has not been made by the closing date for the acceptance by the sheriff of offers to purchase delinquent tax claims. If there is more than one (1) willing purchaser who has made an offer, the one having made the most recent purchase of a tax claim against the same delinquent or the

same property shall have preference; if there is no such person, the person being the first, in the judgment of the sheriff, to offer to pay cash in the full amount of the tax claim shall receive priority for the purchase of the tax claim. If the total of all offers to purchase exceeds ten percent (10%) of the total dollar amount of the delinquent bills offered for sale, or the sum of two hundred thousand dollars ($200,000), whichever is less, the sheriff shall notify the Finance and Administration Cabinet of the offers of purchase within five (5) business days of the closing date when the offers were received. Upon receipt of the notice, the Finance and Administration Cabinet shall purchase the delinquent tax bills upon which the sheriff has received an offer of purchase and shall tender payment to the sheriff within fifteen (15) business days of the receipt of the sheriff's notice. Upon purchase of the tax claims, the state shall be the owner of the tax bills and may contract with the county attorney to collect all amounts due on its behalf under the terms and conditions of the county attorney's contract with the Revenue Cabinet to collect delinquent taxes. If the county attorney has not contracted with the Revenue Cabinet to collect delinquent taxes, the Revenue Cabinet shall collect all amounts due on behalf of the Finance and Administration Cabinet. If the Finance and Administration Cabinet does not purchase all of the delinquent tax bills, within fifteen (15) days of the closing date, the sheriff shall complete the sale of those tax claims for which the sheriff has received responsible offers to purchase. When a sale is made the tax bill shall be known as a certificate of delinquency and the sheriff shall inscribe thereon the date of sale, the sale price, and the name and address of the purchaser, in the place and manner prescribed by the Revenue Cabinet, and the purchaser shall be entitled to a certified copy of the certificate of delinquency.

(2) If no responsible offer in the amount of the tax claim is received, the sheriff shall purchase it for the state, county, and taxing districts having an interest in the tax claim. In such case, the tax bill shall also be known as a certificate of delinquency, and the sheriff shall inscribe thereon the same information required when one other than the state, county, or taxing district is the purchaser.

(3) The sheriff shall file all certificates of delinquency in the county clerk's office immediately upon completion of the tax sale and the clerk shall retain them. The county clerk shall acknowledge receipt of the certificates by signing a receipt form that has been prepared in a manner prescribed by the Revenue Cabinet. If the sheriff fails to file the certificates, he shall be liable on his official bond for the aggregate amount of the certificates not returned, but the claim of the purchaser shall not be affected by this neglect. If the sheriff fails to return any certificate, the purchaser may file his certified copy with the clerk, with the same effect as the original.

(4) The clerk shall make, execute, and deliver a certified copy of a certificate of delinquency to the payor, or the clerk may provide for a certified electronic register of the certificates of delinquency in the clerk's record in lieu of delivering a certified copy of the certificate of delinquency.

(5) The certificate of delinquency is assignable by endorsement. The clerk shall note the assignment on the certificate of delinquency or the clerk may provide for a certified electronic certificate of delinquency in the clerk's records in lieu of delivering a certified copy of the certificate of delinquency. An assignment when noted on the record in the office of the county clerk vests in the assignee all rights and title of the original purchaser.

Section 3. KRS 134.460 is amended to read as follows:

(1) Certificates of delinquency shall bear interest from the date of issuance until collected at the rate of twelve percent (12%) per annum ***simple interest. A fraction of a month is counted as an entire month***.

(2) Certificates of delinquency shall be prima facie evidence that:

(a) The property represented by the certificate was subject to taxes levied thereon, and was assessed as required by law.

(b) The tax bill was valid and correct in all respects.

(c) The taxes were not paid at any time before the issuance of the certificate.

Section 4. KRS 134.480 is amended to read as follows:

(1) The delinquent taxpayer or any person owning or having a legal or equitable interest in real property covered by a certificate of delinquency may at any time pay the total amount of the certificate to any purchaser thereof, and any person whatsoever may likewise pay a certificate of delinquency when the state, county, or taxing district was the purchaser. When a certificate is paid to an owner other than the state, county, or taxing district***, the assignee shall mark paid in full on*** the certified copy of the certificate ***and*** shall ***surrender the certified copy of the certificate of delinquency***[~~be surrendered~~] to the person making payment, and if he is the person primarily liable on the certificate he may ***file it with the county clerk and***[~~, by exhibiting it to the county clerk,~~] have the certificate released of record. When a certificate of delinquency has been fully paid to the state, county, and taxing districts, the clerk shall note the name and address of the person making the payment, the amount paid by him, and such other information as the Revenue Cabinet may require. ***The clerk shall mark the certificate of delinquency paid in full.*** Payment in such instance by one other than the person primarily liable on the certificate will amount to an assignment thereof. ***The clerk shall note the assignment on the certificate of delinquency and provide the assignee a certified copy of the certificate of delinquency, or the clerk may provide for a certified electronic certificate of delinquency in the clerk's records in lieu of delivering a certified copy of the certificate of delinquency.*** Anyone other than the person primarily liable who pays a certificate or purchases it from an

owner other than the state, county, and taxing district may, by paying a fee of fifty cents ($0.50), have the clerk record the payment or purchase and such recordation shall constitute an assignment thereof. Failure to obtain such an assignment shall render the claim of such payor or purchaser to any real estate represented thereby inferior to rights of other bona fide purchasers, payors, or creditors. Any owner of a certificate of delinquency once having paid the assignment fee may have a change of his address noted of record by the clerk without paying an additional charge, otherwise he shall pay a fee of fifty cents ($0.50) to the clerk for entering such change on the certificate.

(2) The county clerk may receive payment of the amount due on certificates of delinquency owned by the state, county, and taxing districts, and he shall give a receipt to the payor and make a report to the Revenue Cabinet, the county treasurer, and the proper officials of the taxing districts as often as such units may require, and not less than once in every thirty (30) days. The clerk may accept payment of taxes due by any commercially acceptable means, including credit cards. He shall pay to the Revenue Cabinet for deposit with the State Treasurer all moneys collected by him due the state, to the county treasurer all moneys due the county, and to the authorized officers of the taxing districts the amount due each such district. He shall pay the amount of fees, costs, commissions, and penalties to the persons, agencies, or parties entitled thereto. He shall retain ten percent (10%) of the amount due each taxing unit for his services as a fee. This fee shall be added to the amount of the tax claim and paid by the persons paying the tax claim.

(3) If the person entitled to pay a certificate of delinquency sends a registered letter addressed to the owner of record of the certificate, other than the state, county, or taxing district, and the letter is returned by mail unclaimed, the sender thereof may make payment to the county clerk, who shall make the necessary assignment or release and deposit the money to the account of the owner of record in the nearest bank having its deposits insured with the Federal Deposit Insurance Corporation. The clerk may deduct the sum of fifty cents ($0.50) as a fee for such service. The name of the bank in which the money is deposited shall be noted on the certificate.

(4) If any clerk fails to pay to the person entitled thereto, upon demand, the money received in payment of a certificate of delinquency, he and his sureties shall be liable for the same and twenty percent (20%) interest thereon annually from the time he received it until paid.

(5) Copies of the records provided for in KRS 134.450 and this section, certified by the county clerk, shall be evidence of the facts stated in them in all the courts of this state.

Section 5. KRS 134.500 is amended to read as follows:

(1) Uncollectible tax claims shall bear interest at twelve percent (12%) per annum ***simple interest*** from the date the certificate of delinquency is issued. ***A fraction of a month is counted as an entire month. The sheriff's add-on fee provided in KRS 134.430, the clerk's add-on fee provided in Section 4 of this Act, and the county attorney's add-on fee provided in this section shall be excluded from the interest calculation.*** All tax bills on omitted property that were not turned over to the sheriff in time to be collected or to make the sale provided for in KRS 134.430 and 134.440 shall also be submitted to the fiscal court but shall be carried over as a charge against the sheriff at the time he makes his next regular settlement.

(2) The cabinet shall be responsible for the collection of certificates of delinquency and delinquent personal property tax bills; however, the cabinet shall first offer the collection duties to the county attorney, unless the cabinet determines that the county attorney has previously failed to perform collection duties in a reasonable and acceptable manner. Any county attorney desiring to perform the duties associated with the collection of delinquent tax claims shall enter into a contract with the cabinet on an annual basis. The terms of the contract shall specify the duties to be undertaken by the county attorney. These duties shall include but are not limited to the following actions:

(a) Within fifty (50) days after the issuance of a certificate of delinquency to the state, county, and taxing district, the county attorney or the Revenue Cabinet shall cause a notice of the purchase to be mailed by regular mail to the property owner at the address on the records of the property valuation administrator. The notice shall advise the owner that the certificate is a lien of record against all property of the owner, and bears interest at the rate of twelve percent (12%) per annum, and if not paid will be subject to collection by the county attorney as provided by law.

(b) The county attorney shall file in the office of the county clerk a list of the names and addresses to which the notice was mailed along with a certificate that the notice was mailed in accordance with the requirements of this section.

(c) All notices returned as undeliverable shall be submitted to the property valuation administrator. The property valuation administrator shall attempt to correct inadequate or erroneous addresses and, if property has been transferred, shall determine the new owner and the current mailing address. The property valuation administrator shall return the notices with the corrected information to the county attorney prior to the expiration of the one (1) year tolling period provided in KRS 134.470.

(d) Within ninety (90) days after the expiration of the one (1) year tolling period provided in KRS 134.470, the county attorney shall cause a notice of his intention to enforce the lien to be mailed to all owners whose tax bills remain delinquent. No second notice shall be required for addresses previously determined to be undeliverable and for which the property valuation administrator has not provided corrected information.

(e) Failure to mail the notices shall not affect the validity of the claim of the state, county, and taxing district. The postal cost of mailing the notices shall be added to the certificate of delinquency and, upon collection, the county attorney shall be reimbursed for the postage. The county attorney shall deliver at the same time a list of the owners whose tax bills remain delinquent to the property valuation administrator. The property valuation administrator shall review this list in accordance with the provisions of KRS 132.220 to establish that the properties on the list can be identified and physically located.

(3) The county attorney who enters into a contract with the cabinet shall have a period of two (2) years after the expiration of the one (1) year tolling period provided in KRS 134.470 to collect delinquent tax bills or to initiate court action for their collection. At the expiration of the two (2) years the cabinet may assume responsibility for all uncollected bills except those with pending court action.

(4) The county attorney who enters into a contract with the cabinet and performs his duties in respect to the certificate of delinquency and delinquent personal property tax bills shall be entitled to twenty percent (20%) of the amount due each taxing unit, whether the tax claim is voluntarily paid or is paid through sale or under court order, and the fee shall be paid to him by the county clerk when making distribution, as provided in KRS 134.480. This fee shall be added to the amount of the tax claims and paid by the persons paying the tax claims. They shall not be paid by the taxing districts or deducted from the taxes due the taxing districts. If more than one (1) county attorney renders necessary services in an effort to collect a tax claim, the attorney serving the last notice or rendering the last substantial service preceding collection shall be entitled to the fee. When the county attorney's office, in an effort to collect a certificate of delinquency, or delinquent personal property tax bills files a court action which is litigated by the taxpayer, an additional county's attorney fee equal to thirteen percent (13%) of the total tax plus ten percent (10%) penalty, may be added to the certificate or the bill and shall become part of the tax claim.

(5) If a county attorney chooses not to contract for these collection duties or if a county attorney fails to perform the duties required by the contract, the cabinet shall assume responsibility for the collection process. In the performance of those duties, the cabinet shall have all the powers, rights, duties, and authority with respect to the collection, refund, and administration of the amount due on the certificate of delinquency conferred generally upon the cabinet by Kentucky Revised Statutes including, but not limited to, KRS Chapters 131, 134, and 135. The twenty percent (20%) fee that would have otherwise been paid to the county attorney shall be paid to the cabinet for deposit in the delinquent tax fund provided for under KRS 134.400.

(6) Any action on behalf of the state, county, and taxing districts authorized by this section or by KRS 134.470, 134.490, or 134.540 shall be filed on relation of the secretary, and the petition may be sent to the cabinet, which may require revision in instances where it deems revision or amendment necessary. The cabinet shall advise the county attorney in all actions, and may send him special assistance when the secretary deems assistance necessary. A copy of the judgment shall also be sent to the cabinet. If the cabinet sends assistance to a county attorney who contracts to prosecute the suits or proceedings, the county attorney shall be entitled to his full fee. On the same day that suit is filed, the county clerk shall be given notice of its filing. Costs incident to the suit shall become a part of the tax claim.

(7) The cabinet may make its delinquent tax collection databases and other technical resources, including but not limited to income tax refund offsetting, available to the county attorney upon request from the county attorney. The county attorney seeking assistance shall enter into any agreements required by the cabinet to protect taxpayer confidentiality, to ensure database integrity, or to address other concerns of the cabinet.

HJR 129, A JOINT RESOLUTION creating the Task Force on Bridging the Technology Gap and making an appropriation therefor.

WHEREAS, the Internet is a nascent, rapidly diffusing technology that promises to become the economic underpinning for all successful countries in the new global economy; and

WHEREAS, the dramatic growth of electronic commerce, the development of information technology industries, and online educational opportunities are changing the way Kentuckians work, communicate, purchase goods, and obtain information and education; and

WHEREAS, as computers become the conduit through which society accesses information and services, and computer literacy becomes a baseline job skill, it is important to ensure that all Kentuckians have access to computers and the Internet; and

WHEREAS, although Internet use has soared over the last year, a number of studies have revealed that the digital divide--disparities in access to telephones, personal computers, and the Internet across certain demographic groups--is widening significantly; and

WHEREAS, a 1999 study by the federal government's National Telecommunications and Information Administration (NTIA) shows that the levels of access to computers and the Internet differ substantially according to income, education level, race, household type, and geography; and

WHEREAS, the NTIA study shows a growing gap between the technology "haves and have nots," citing such examples as: (1) Those with a college degree are more than eight times as likely to have a computer at home, and nearly sixteen times as likely to have home Internet access, as those with an elementary school education, (2) A high-income household in an urban area is more than twenty times as likely as a rural, low-income household to have Internet access, (3) A child in a low-income White family is three times as likely to have Internet access as a child in a comparable African-American family, and (4) A child in a dual-parent White household is nearly twice as likely to have Internet access as a child in a White single-parent household, while a child in a dual-parent African-American family is almost four times as likely to have access as a child in a single-parent African-American household; and

WHEREAS, access to computers and the Internet and the ability to use this technology effectively are becoming increasingly important for Kentuckians' full participation in America's economic, governmental, and social life; and

WHEREAS, bridging the gap between the technology "haves" and "have nots" requires the combined efforts of government, business, and nonprofit organizations;

HB 792, AN ACT relating to coal mining.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 350.445 is amended to read as follows:

The following performance standards shall be applicable to steep-slope strip mining and shall be in addition to those general performance standards required by KRS 350.405 to 350.435; provided, however, that the provisions of this section shall not apply to those situations in which a permittee or operator is mining on flat or gently rolling terrain, on which an occasional steep slope is encountered through which the mining operation is to proceed, leaving a plain or predominantly flat area, or where a permittee or operator is in compliance with the provisions of KRS 350.450(2):

(1) The permittee or operator shall insure that when performing strip mining on steep slopes, debris, abandoned or disabled equipment, spoil material, or waste mineral matter not be placed on the downslope below the bench or mining cut; provided, that spoil material in excess of that required for the reconstruction of the approximate original contour under the provisions of KRS 350.410 or 350.445(2) shall be permanently stored pursuant to KRS 350.440.

(2) The permittee or operator shall complete backfilling with spoil material and shall be required to cover completely the highwall and return the site to the approximate original contour, which material will maintain stability following mining and reclamation.

(3) The permittee or operator may not disturb land above the top of the highwall unless the cabinet finds that the disturbance will facilitate compliance with the environmental protection standards of this subsection; provided, however, that the land disturbed above the highwall shall be limited to that amount necessary to facilitate compliance. ***The land above the highwall may be disturbed for construction of a permanent road only where the applicant affirmatively demonstrates, and the cabinet makes a detailed and written determination, that the proposed disturbance facilitates compliance with this chapter and provided that the land disturbed shall be limited to that amount necessary to facilitate such compliance. The cabinet shall make this determination upon a demonstration by the permittee that:***

(a) The permittee will completely eliminate the production highwall and backfill the mined areas to approximate original contour with no road remaining on the bench;

(b) The road will be placed on a solid base rather than on fill material and drainage will be diverted from the mining area;

(c) The road will comply with all applicable design criteria, including a drainage plan for avoiding seepage or uncontrolled discharge of water into the backfilled areas;

(d) The spoil calculations and spoil disposal plans include the road cut material and the extent, if any, that road cut material will be used to eliminate a production highwall;

(e) The road will connect to another road or roads and is necessary in order to support the approved postmining land uses;

(f) Where practical and feasible, an undisturbed barrier will be left between the production highwall and the road itself. When an undisturbed barrier is not feasible, witness monuments will be left at a minimum of two (2) locations above the production highwall;

(g) The road will be constructed to a size and design appropriate to support coal mining activities and the proposed post-mining land use;

(h) The proposed mine plan and sequencing of the road construction in relation to the mining activity will minimize placement of spoil material into valley or hollow fills and will maximize permanent retention of mined spoil on the mine bench;

(i) There will be no coal removal from the construction of the permanent road except for incidental nonmerchantable coal that is disposed of in an approved manner; and

(j) All other performance standards of the chapter are met.

(4) For the purposes of this section, the term "steep slope" is any slope above twenty (20) degrees or such lesser slope as may be defined by the cabinet, by regulation, after consideration of soil, climate, and other characteristics of the region.

HR 140, A RESOLUTION urging the Governor to support the recruitment of a National Basketball Association franchise to Kentucky by supporting construction of a new sports arena.

WHEREAS, Kentuckians have not seen a professional basketball team in the Commonwealth since the Kentucky Colonels and the demise of the American Basketball Association in 1976; and

WHEREAS, Kentuckians are known nationwide for their "basketball mania" and the Commonwealth is recognized as a sports state with enthusiastic spectators and superb athletes; and

WHEREAS, the National Basketball Association franchises have fared well in smaller-sized markets like Louisville; and

WHEREAS, the Commonwealth has successfully produced sporting events, including the Men's Professional Golf Association Championship at Valhalla and the Breeders' Cup at Churchill Downs; and

WHEREAS, the benefits of a downtown arena to accommodate a professional team would attract 1.6 million people to the area yearly, advancing tourism and economic development in the region; and

WHEREAS, the entire state would benefit by an increase in entertainment dollars spent by out-of-state tourists, not only through attendance at professional basketball games, but also through dining at area restaurants, staying in Kentucky hotels and motels, and visiting the Louisville Slugger Museum, the Muhammad Ali Center, Kentucky Center for the Arts, and other Kentucky attractions and shopping opportunities;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. This honorable body urges the Governor to support the effort to attract a National Basketball Association franchise by offering a financial incentive package that, along with sponsorship from corporate citizens, capital investment from corporate investors, involvement by enthusiastic citizens, and support from governments in the greater Louisville area, shall bring about a new sports arena seating more than 20,000 fans.

Section 2. The Clerk of the House of Representatives is directed to transmit a copy of this Resolution to the Honorable Governor Paul E. Patton, 700 Capitol Avenue, Frankfort, Kentucky 40601.
